

GENERAL NEWS NOTES.

Items of More or Less Interest Condensed Outside the State.

It is reported that there will probably be wholesale indictments by the Federal grand jury of express agents in Kansas City, throughout Kansas and in the prohibition counties of Texas, and of liquor dealers who have been shipping liquor into these prohibition States. It is said that for years, to avoid the law, the whiskey was sent in sealed packages addressed to fictitious names and sold by the agents for "express charges."

A bill has been introduced in the Maryland Senate for the avowed purpose of eliminating the negro vote in Maryland. The bill proposes that suffrage shall be limited to those who can read a section of the State constitution; or, those who were prior to January 1, 1869, competent to register under the laws of Maryland or any other State; or lineal descendants of those qualified to register prior to January 1, 1869.

The last United States troops left the island of Cuba on Thursday of last week.

Secretary Hester's weekly cotton statement issued from New Orleans on Friday showed for the five days of February a decrease under last year of 6,000 and an increase over the same period year before last of 71,000. For the 158 days of the season that elapsed the aggregate was behind the same days of last year 4,000 and ahead of the same days year before last 26,000.

Luther Holbert and his wife, negroes, were burned at the stake at Doddsville, Miss., on Sunday, by a mob of over 1,000 persons, for the killing of James Eastland, a prominent white planter, and John Carr, a negro, on Wednesday morning. The burning of the negroes closed a tragedy which had cost eight lives.

Seator Marcus A. Hanna is sick at his residence in Washington.

It is reported from San Domingo that the insurgents there deliberately fired on the launch of the U. S. auxiliary cruiser Yankee, killing J. C. Johnson, the engineer. The U. S. minister has ordered the captain of the Yankee to take drastic measures to avenge Johnston's death.

SOUTH CAROLINA NEWS.

Items of More or Less Interest Condensed in the State.

J. M. Riggins, a conductor, was fatally wounded on Thursday, near Lockhart, while coupling cars, causing his death on Friday.

Two little negro children left in a house near Walterboro, by their mother, were burned to death on Thursday.

The mother of the young man now lodged in the Edgefield jail charged with pickpocketing during the recent State fair in Columbia, came from her home in Peoria, Ill., to plead with Solicitor Thurmond not to prosecute the young man, the owner of the stolen property, which was recovered, having consented that he should not be prosecuted. The mother said the first news she had of her son was after the Iroquois theatre, when he wrote her that he had noticed in the list of the dead the name of his sister. Solicitor Thurmond has declined to drop the case.

The dispensary board on Saturday purchased for one month 6,700 cases of bottled whiskey, 5 carloads of deer and 1,215 barrels of whiskey.

Squibs, By Jibs.

A leading citizen of Helena believes in the walking system of exercise. He takes a long stroll daily, and gets at it very early.

If you should fall out of a buggy and get hurt, matters not what the cause, advise us not to mention it, else it might appear in the paper.

The school at Pleasant Grove is progressing very nicely, with Prof. G. C. Merchant as principal, and Miss Hattie Groseclose as assistant. —Etheredge cor. Saluda Standard.

One of the best doctors in Newberry handed us that item—how to live a hundred years—published in our last. But some people don't care to live that long—they get enough long before that time.

From the Union Progress we learn that Mr. John R. Mathis now has charge of the Western Union telegraph office at Union. He is a good printer and reporter as well as operator, all which makes a fine combination.

When you want a good, wholesome drink, take a quart of shelled corn and a pint of molasses to which add two gallons of warm water, put in jug and let stand until it "makes." It will make all right. It's nice. If you want more make more. That is only a sample.

Sport in Rabbit-Hunting.

Charlotte Observer, 5th.

According to Mr. John R. Pharr, who owns the finest pack of hounds in the county, fox hunting is not a circumstance to hunting the long eared "molly-cotton-tail." Mr. Pharr had as his guests on a hunt yesterday Messrs. Thomas W. Dixon, J. H. Wearn and E. Carson. The sport was on Mr. Pharr's farm, northeast of the city, and every member of the party thoroughly enjoyed the musical baying of the 10 dogs and the catching of several rabbits.

Good Point.

Chester Lantern, 5th.

This would be a good time to drive, but we should rather see the roads after a wet spell. Editor Aull says they have good roads down in Newberry now, but they don't bring them out in wet weather. We have fine roads in Chester county too, barring the hills, but we will not warrant them against wet weather. We have a few miles of road now, however, that we will warrant at any season and in any kind of weather.

Reminds The Chapman Gin. Greenwood News and Views.

Mr. A. M. Chapman, of Saluda county, recently spent a night in the city. Mr. Chapman is quite an old man, a brother of the Newberry historian, and was returning home from Winder, Ga., where he had been to see his son. When he was a young man he and his brothers made cotton gins and many of the older people remember the Chapman gin which was built by these brothers.

The Christian churches at Constantinople, Turkey, and Yokohama, Japan, have long used the Longman & Martinez Paints for painting their churches.

Liberal contributions of L. & M. Paint will be given for such purpose wherever a church is located.

F. M. Scofield, Harris Spring, S. C., writes, "I painted our old homestead, with L. & M. twenty-six years ago. Not painted since; looks better than houses painted in the last four years."

W. B. Barr, Charleston, W. Va., writes, "Painted Frankenburg Block with L. & M. shows better than any buildings here have ever done; stands out as though varnished, and actual cost of paint was less than \$1.20 per gallon. Wears and covers like gold." These Celebrated Paints are sold by The Newberry Hardware Co.

MRS. L. S. ADAMS.
Of Galveston, Texas.

"Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered menses, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great women's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have \$1.00 bottles. For any stomach, liver or bowel disorder Theodor's Black-Draught should be used.

Dr. W. M. Tunstall, of Lovington, Va., says: "I am glad to say that I firmly believe that I am entirely and permanently cured of the Drink Habit, as I have never even so much as wanted a drink in any form since I took your eradicator, now eighteen months ago. It was the best dollar I ever invested."

Mrs. Virginia Townsend, of Shreveport, La., writes: "No more opium. I have taken no other remedy than yours and I make no mistake when I say that my health is better now than it ever was in my life, and I owe it to you and your remedy. It has been twelve years since I was cured by your treatment."

It is said that seeds have been found in Egyptian tombs which, though thousands of years old, still preserved their vitality. However, in planting for profit, it is wiser to demand seeds of a later crop.

Seeds can't be too fresh, which means that you must have those grown last year. There is one grower you can depend upon to supply them, this is
