

PURELY PERSONAL.

The Movements of Many People, Newberrians and Those Who Visit Newberry.

There was rain all day yesterday. The county board of equalization will meet in the auditor's office at Newberry on the 24th.

Messrs. W. B. Oxner and W. B. Oxner, Jr., of Maybinton, spent Friday in the city.

Miss Essie Pearson, of the St. Philip's community, spent Saturday at home.

Messrs. John M. Kinard and George W. Sumner, left on Saturday for New York.

Misses Fan McCaughrin and Lucile Wilson spent Saturday in Columbia.

Miss Fannie Mae Carwile, who has been visiting friends in Sumter, returned home on Saturday.

Great Sachem Cole L. Blease visited the tribe of Red Men at Belton on Saturday night.

Mr. Poster Hammond of the Abbeville Medium gave us a pleasant call one day last week.

Master W. P. Oxner returned to his home in Maybinton on Friday, after a pleasant visit to relatives in the city.

Miss Emma Werts, of the Fork, spent Saturday in town with her sister, who is attending Newberry college.

Col. W. H. Hunt and Mrs. Annie Peoples left last Friday for Philadelphia, where Mrs. Peoples will remain for some time for treatment in the hospital. Col. Hunt will go on to New York before returning.

Mr. Cecil C. Wyche, son of Dr. C. T. Wyche, of Prosperity, has been chosen to represent the Polytechnic society of the Citadel at the state oratorical contest which takes place in Greenwood April the 27th.

Miss Carrie Grecker, accompanied by her little nephews, Carl and Richard Julien, of Helena, is spending the week with her sister, Mrs. Wm. F. Wright, in Tylersville.—Laurens Herald.

Mr. Geo. T. Reid, of Chappells, has gone into business at Bennettsville, S. C., and his family has already moved. Mr. Reid will close out his business at Chappells as soon as he can. Newberry county can ill afford to lose such men as Geo. T. Reid and we regret that he is moving away.

There were quite a number of cases before the mayor yesterday morning and some eight of them for drunks. A pretty record for prohibition, though those who know say these drunks are from cider and that a quart of cider will make a pretty clever drunk.

A drive through the country to Old Town one afternoon last week developed the fact to the writer that the small grain crop is looking as well as it possibly could and the further fact that the woodland in this county is being cut down very rapidly. We will soon have to pass a law to require a man to plant a tree whenever he cuts one down.

Mrs. Bullock To Speak.

Mrs. Helen Bullock, National Organizer of the W. C. T. U., will be in the city Wednesday and will deliver an address in the A. R. P. church at 4:30 o'clock. Subject: "Save the Children."

Public cordially invited to attend. Mrs. Bullock will be entertained by Mrs. A. J. Bowers.

Local Union At O'Neal.

A local union of the Farmers' Educational and Co-operative union was organized on last Saturday at O'Neal school house and the following officers were elected:

J. L. Hunter, president; G. Sam Moore, vice president; W. P. Pugh, secretary and treasurer; P. W. Shealy, chaplain; G. L. Moore, door-keeper; J. H. Koon, conductor.

To Form Local Union.

The farmers in the Union academy community are requested to meet at the school house next Friday afternoon at 3 o'clock to form a local union of the Farmers' Educational and Co-operative union. Mr. B. F. Earle, state organizer of Farmers' unions, has asked me to take charge of this work during his absence. Any information relative to the organization of unions in this county will be cheerfully given if addressed to me at Newberry, S. C. I shall be glad to visit any community desiring a union. J. B. O'Neal Holloway.

THE COURTS OF 8th CIRCUIT.

The Amendment Passed By Last Legislature Which Changes The Time of Holding the Courts.

A representative of The Herald and News dropped into the office of the clerk of the court yesterday and Mr. Goggans stated that he had just received the second batch of advance sheets of acts passed by the recent legislature. He said in looking over them, he had discovered that the arrangement of the time of holding the courts in the eighth circuit had been changed, though it was the impression of a great many that the amendment which was proposed changing the courts in this circuit had not passed. There were several bills proposed in the last session changing the times of holding courts in the several judicial circuits and the one on which is attached the amendment changing the times in the eighth circuit is as to the second judicial circuit, and as it is a matter which concerns the people of this county, the amendment is published as follows:

Section 3. That from and after the first day of May, A. D. 1906, the circuit courts of the eighth judicial circuit of this state shall be held as follows: The court of general sessions, for Abbeville county, at Abbeville court house, on the third Monday in February, the first Monday in June, and the second Monday in September; and the court of common pleas, at the same place, on the second Monday in March, on the Wednesday following the first Monday in June, and on the first Monday in October. The court of general sessions, for the county of Greenwood, at Greenwood court house, on the fourth Monday in February, the third Monday in July, and the second Monday in November; and the court of common pleas, at the same place, on the Wednesday following the fourth Monday in February, the Wednesday following the third Monday in July, and the Wednesday following the second Monday in November. The court of general sessions, for the county of Laurens, at Laurens court house, the first Monday in January, the first Monday in May, and the third Monday in September; and the court of common pleas, at the same place, on Wednesday following the first Monday in January, on Wednesday following the first Monday in May, and on Wednesday following the third Monday in September. The court of general sessions, for the county of Saluda, at Saluda court house, on the first Monday in August, and the second Monday in December; and the court of common pleas, at the same place, on the third Monday in April, and the Wednesday following the first Monday in August, and the Wednesday following the second Monday in December. No civil business requiring a jury shall be heard at the summer term of the court of common pleas, in the county of Abbeville, but the courts of common pleas shall be open at all terms of the courts of general sessions for the purpose of rendering judgment by default, and for the trial of such equity cases as may be ready for hearing and for granting orders of reference and other orders of course. Approved the 21st day of February, A. D. 1906.

B. W. Crouch, Esq.

When the Saluda railroad is completed what will the people of that county do to reward the moving spirit in the enterprise? B. W. Crouch, Esq., has been an untiring leader and worker in the cause. If his efforts had been eliminated from the proceedings at any stage, it is hard to imagine who could have carried on his work. "Honor to whom honor is due," and here is a deserving citizen, Saluda.—Johnston News.

Unfortunately the man who does the drudgery for a community that is necessary to push it along and to arouse the people is too rarely forgotten when the thing gets to going and the fellow who has done nothing reaps the harvest of some other man's planting. That has been the history of the ages. Or if the real worker is ever appreciated it is after he has laid aside his armor and gone where that appreciation can be of no avail to him. We are glad to note this exception. We know that Mr. Crouch has worked in season and out of season for the upbuilding of Saluda and we trust he may soon see the full fruition of his efforts.

THAT MAIL SERVICE.

To Be Put On at An Early Date—Mr. Shallenberger Writes Mr. Wyatt Aiken.

Hon. Wyatt Aiken has also received a letter from Mr. Shallenberger stating that a mail agent will be put on the C. N. & L. freight between Laurens and Columbia. The people of the country along the route appreciate the effort of Mr. Aiken and Mr. Lever, and are expecting the service to be put on at once. The following is the letter to Mr. Aiken. The Herald and News published a letter addressed to Mr. Lever ten days ago. It is hoped that the service will be started at once.

Postoffice Department.

Washington, March 14, 1906. Hon. Wyatt Aiken, House of Representatives, City.

Sir:—Referring to the urgent letter received from you under date of January 25th, last, as also to your several personal calls at the Department, in which you recommend the establishment of Railway Post Office service over the line of the Greenville & Charleston R. P. O., to run in trains 21 and 22, between Laurens and Columbia, S. C., leaving Laurens in the morning and Columbia in the late afternoon, this in order that additional facilities might be furnished to the patrons of the department at Newberry, Prosperity, Kinards, Jalapa, Gary, Slighs, Little Mountain, and other points along that line, I would state that it has been found practicable to establish such a service, and an order to that effect has been issued. A railway postal clerk has been transferred from another line, and he will take up his new duties at once. It is hoped that that portion of your constituents who are particularly affected, as well as others in your state may find this new arrangement to be of great benefit.

Very respectfully, W. S. Shallenberger. Second Assistant Postmaster Gen'l.

DR. CROMER NOT A CANDIDATE.

Tells a Newspaper Correspondent in Laurens Will Not Oppose Tillman.

Dr. Cromer was in Laurens the other day and gave out a statement to the effect that he would not be a candidate. He also talked on other matters. The following is from this correspondent in the daily papers under date of the 16th:

Dr. George B. Cromer, of Newberry, spent yesterday in Laurens, on official business. In a brief discussion of the "situation" with our correspondent, on eve of his departure for home, Dr. Cromer plainly indicated that he is not in politics and has no idea of entering the campaign this summer as a candidate for United States senator. While he appreciates the many complimentary press notices as to his possible candidacy he has not given the matter any serious consideration, and at present he is decidedly of the opinion that he will not be in politics at all any time soon.

Turning to the gubernatorial campaign, the doctor does not subscribe to the convention plan, holding that all aspirants that want to be allowed to go into the race on the platform of their own choosing.

Dr. Cromer is a most interesting talker and during his brief stay in the city he was cordially greeted by numerous friends, both old and new.

To Preach at King's Creek.

There will be preaching on the fourth Sabbath at 11 o'clock at King's Creek church in the morning, and at Unity at 3:30 o'clock in the afternoon by Mr. Eb Hunter, of the Theological seminary at Doe West.

NEW LODGE K. OF P.

Old Town Lodge No. 168 Knights of Pythias Instituted on Thursday Night.

A new lodge of Knights of Pythias was instituted on last Thursday night at Old Town by District Deputy E. H. Aull. The petition asking for the lodge contains twenty names. Eighteen were initiated on Thursday night and the officers elected and installed. The lodge starts off well and is composed of good material. The following are the officers:

- J. H. Johnson, P. C. J. W. Ropp, C. C. W. P. Allen, V. C. J. S. Wertz, P. W. H. Sanders, M. at A. W. R. Bouknight, M. of W. A. T. St Amand, K. of R. & S. J. W. Sanders, M. of F. H. B. Lindsay, M. of E. O. C. Crouch, I. G. W. P. Meadows, O. G.

J. W. Hipp, Trustee for one year, J. H. Johnson, trustee for two years, E. W. Proctor trustee for three years.

The petitioners had secured the services of Mr. James Dunbar who served for the visiting Knights as well as for themselves one of the most elaborate and delicious banquets that it is possible to serve. They had everything that the season would permit, and it was prepared as only Jim Dunbar knows how to prepare such feasts. After the dinner in the afternoon, there was an ample lunch during the night and a breakfast next morning. All who were present greatly enjoyed the evening and were much impressed with the enthusiasm and earnestness of those who constitute the new lodge.

Death of Miss Lillian Jamieson.

Death is sad. Under any circumstances and at all times. But when one has lived the allotted time some how we know—the penalty must be paid and it is expected. To be cut down in the full bloom of young manhood or young womanhood when all of life stretches out before you with its hopes and its aspirations it seems doubly sad.

Miss Lillian Jamieson, the daughter of Mr. and Mrs. W. A. Jamieson, of Newberry, had gone just a month ago to visit friends in Charlotte, N. C. Just ten days ago news came that she was sick. Her mother hastened to her bedside and a few days later her father went.

She received the best medical treatment and all that loving and tender hands could do, but at 11:15 o'clock on Saturday morning her gentle spirit passed out into the great beyond.

She was a good sweet girl, lovable in disposition and loved by everybody who knew her.

The great sympathetic heart of this community goes out in tenderness and sympathy to the bereaved and fond parents in this hour of their grief. Human sympathy can be of little avail in a time like this and yet there is some consolation in the realization that the sorrow which causes your heart to bleed has touched the heart of a friend who sympathizes with you.

Miss Lillian was but twenty years old and the picture of health and happiness when she went on this visit.

When taken sick she was removed to the hospital where she died as stated above. The body was brought to Newberry arriving on the morning train Sunday. Many and beautiful have been the floral tributes from loving friends.

FUNERAL NOTICE.

The friends and acquaintances of Mr. and Mrs. W. A. Jamieson are invited to attend the funeral services of their daughter, Lillian, this Tuesday afternoon at 4 o'clock at Rosemont Cemetery. Funeral procession to I ave residence at 3.30 o'clock.

"Isle of Spice."

In this holiday time, when the mince pie spreads fragrant odors in the land, "The Isle of Spice" surely is a seasonable show. This comic opera, or musical comedy, made Manhattan laugh for many weeks. The explanation is simple; though the piece has no striking story to tell, it has much music calculated to tickle ears; the comedians have a lot of fun of their own, and the stage manager has evolved decidedly novel effects. The last mentioned point of attraction is the strongest in the work of the young women of the chorus in three songs, "Peggy Brady" sung by Miss Leslie Leigh, "The Broomstick Witches" sung by Miss Lillian Gorman and "The Goo Goo Man" sung by Sam Mylie. Many of the girls and many of the principals of the original company still are giving their grace and their talents to "The Isle of Spice." At the opera house March 31.

CHAMBER OF COMMERCE.

Newberry Business Men Form Organization—Everybody Enthusiastic.

In pursuance to a call which was printed in the newspapers and in accordance with the signatures which had been secured to a petition looking to the formation of a business organization in the city of Newberry, a meeting was held in the council chambers on last Thursday night. The attendance was good, the interest manifested was encouraging and harmony and good will seemed to prevail and everybody was enthusiastic.

Dr. George B. Cromer was made chairman of the meeting, and Mr. Z. F. Wright secretary.

The chairman appointed a committee to retire and suggest the officers and constitution and by-laws for the government of the organization as follows: Z. F. Wright, W. H. Wallace, George W. Sumner, Geo. S. Mower, James McIntosh.

While the committee was deliberating, several enthusiastic gentlemen made rousing speeches of the importance of the business interests of Newberry and the business men getting together and working together for the advance and upbuilding of the community. The report of the committee was adopted without debate, and the following officers elected:

- President, Z. F. Wright. Vice president, George W. Sumner. Second vice president, E. R. Hipp. Secretary, R. D. Smith. Treasurer, W. G. Mayes.

Board of Governors: President, two vice presidents, and J. D. Davenport, E. Cabaniss, George S. Mower, George B. Cromer, John M. Kinard and J. A. Burton.

It was decided to call the organization the Chamber of Commerce of Newberry, S. C. The constitution and by-laws and rules for the government are the same as those which are in force in the Rock Hill Commercial club. It was decided to charge an initiation fee of \$10.00, and monthly dues of \$1.00. The by-laws provide also for the appointment of twelve committees of five members each. The board of visitors also has authority to make rules and regulations, such as to them may seem best for the prosperity of the organization, the conduct of its members, and the care of its property.

It is proposed to secure suitable rooms which shall be properly furnished and in which the members may meet socially as well as for the transaction of such business as may properly come before the organization. This organization can be of great benefit to the community if it will only get to work.

President Wright hopes to get in good working order by the first of April.

A NEW SCHEDULE.

The Columbia and Greenville Road To Give Morning Train From Greenville and Afternoon From Columbia.

The schedule which has been spoken of on the Columbia and Greenville road will very probably be made at an early date. A meeting was held before the railroad commissioners in Columbia on last Friday at which were present: Mr. H. A. Williams, Col. R. W. Hunt and Mr. Brooks Morgan, of the Southern railway.

Newberry sent a delegation down consisting of A. T. Brown, Z. F. Wright, J. D. Davenport, Nat Gist, E. H. Aull. The railway authorities practically agreed to change the midday trains which arrive here from Columbia and Greenville, to a morning train from Greenville, and afternoon train from Columbia. The train from Greenville will pass Newberry about 10 o'clock, arriving in Columbia at noon, and the afternoon train will leave Columbia at 4:30 o'clock arriving here about 6 o'clock. This change of schedule will enable the people up the road as far as Ninety Six and even farther to do their trading in Newberry and return to their homes the same day. The morning train from Columbia and the evening train going to Columbia as they are at present.

There is no necessity for negroes to work in Africa for food and clothing, and it is against their nature to do it here as well as there. We have some white men here that have the same disease.

All this talk about competition with American cotton is rot and out of date here, where we know that the south has the ideal cotton belt of the world, and we know how to grow cotton and are learning how to manufacture cotton, and still more we have learned to count the cost of production of cotton, and how to demand a fair profit upon our products and we are going to have it.

"Isle of Spice."

Miss Lillian Gorman, the very pretty young lady of the blonde type of beauty in the "Isle of Spice", the piquant musical comedy to be on view here soon, and playing the part of "Mother Witch," has the credit of receiving more anonymous communication than any other young lady in the business. Most of her writers are addicted to poetry, and they seem to follow her from town to town wherever she plays. There is a faint suspicion that one of these writers, who sends her a half dozen epistles a week, is madly in love with her and that his identity is unknown to this bright young woman. At the opera house March 31.
