Citizen suggests to the supervisor to call a meeting of the road overseers and township inspectors to be held at Newberry some time soon to discuss methods and plans for working roads. The suggestion is a good one and we hope Supervisor Feagle will take up the suggestion and issue the call and have a rousing meeting. It would be a good thing for the chamber of commerce to cooperate with the supervisor and try to have an enthusiastic gathering.

Of course we all know it takes more than meetings and discussions and enthusiasm to build roads. But if you can once get the enthusiasm and the determination to have the roads the other things will come.

We do not believe we are getting the results that we ought from the resources. We now have a chain gang of 30 to 40 convicts and from 4,000 to 6,000 persons liable to road duty and \$7,000 from the one mill road tax should give better results and better roads than we have.

The trouble is the work is not intelligently done and it is done without system and without regard to any permanent road making.

The need is to have some system in making roads and by conferring together good can but result. Let there be a rousing big meeting.

Every fire is but piling up argument in favor of having one or two at least, paid firemen on duty at night. Fires usually occur in the early morning hours. The few dollars it takes to pay a couple of firemen is consumed in a few minutes when a fire breaks out. No doubt there will be some kicker to say we are not able, we are not ready, or it is a useless expense.

**MR. B. FRANK SAMPLE DEAD.**

Was County Superintendent of Education of Saluda County.—Death Occurred in Newberry.

Mr. Benjamin Franklin Sample died in this city last Friday, at the home of his son, Mr. Jas. C. Sample, in College street. As stated in the last issue of The Herald and News, he was taken suddenly ill in Saluda and was brought to Newberry last Wednesday by the devoted son who had gone for his sick father on Tuesday, on receipt of the sad news of his fatal collapse which occurred on Monday of last week. It was seen from the first that there was no chance for his recovery, and the desperate struggle with death ended just as the clock was striking the hour of twelve noon.

Mr. Sample was in his seventieth year. He was born in that part of old Edgefield county which is now Saluda. He had been in failing health for about two years. The deceased was a prominent man, well-informed, and took an active part and great interest in the affairs of the country and of the world at large. He was a loyal citizen and was well known in Newberry where he often visited, and was a student of Newberry college in 1859 with Col. W. Y. Fair and others.

He was a great talker, and delighted in conversation; being well read and posted and fluent of speech he was always the center of a circle wherever he went. At the time of his death he was finishing his third term as County Superintendent of Education of Saluda. He was a Mason and a Pythian. In religion he was a Universalist, and in patriotism a Confederate soldier, member of the Seventh S. C. Regiment, Kershaw's brigade.

He leaves a wife, four sons and three daughters, three sisters and two brothers.

The surviving daughters are Mrs. R. L. Cockerel, of Columbia, Mrs. Walter Collins and Mrs. W. C. Johnson, of South Macon, Ga. Besides the son at whose home he died, he has one son at South Macon, Ga., Mr. Harry B. Sample. His other sons, are Messrs. Louis and Frank Sample, who were not present. Mrs.

Collins, Mrs. Johnson, Mrs. Cockerel and Mr. Harry Sample arrived just before their father's death. His sisters are Mrs. Anna Crump, of Newberry, Mrs. Alie Pitts and Mrs. Nannie Smith, of Saluda. His brothers are Messrs. Sam and Boney Sample, of Saluda.

Prayer was offered at the residence of Mr. J. C. Sample at eleven o'clock Saturday morning by Dr. J. S. Cook, the pastor of the deceased, at the conclusion of which the remains were conveyed to the home of his nephew, Mr. J. L. Sample, in Saluda county, near the church, to await the burial ceremony on the following morning, the interment being at Shiloh (Methodist) church cemetery, on Sunday morning, at eleven o'clock, conducted by Mr. Sample's pastor, Rev. Mr. Cook, assisted by Rev. Mr. Taylor, pastor of Shiloh, under the charge of the Masons, K. of P's. and Eastern Star lodges.

There was a great gathering at the grave, people coming from all the surrounding counties, many from this county.

cially as regards the Permanent Total Disability Provision of the Policy. Such insurance is what a man needs.

Thanking you for the transaction.

Yours very truly,

This is one of the many cases expressing the policy holders' entire satisfaction with the Pacific Mutual Life Insurance Company.

The party above named is insured in this company for the amount of \$1,000.00. Now, however, on account of the physical disability which he sustains, he has already discontinued paying the premiums; and not only has he the protection of his policy, but has already received \$100.00 in cash, and will continue to receive, each year, such instalments of \$100 until the full face amount of his policy, \$1,000.00, is paid as cash income while living.

No policies incorporating such benefits, as above named, are issued by any other company doing business here. This is only one of the attractive and liberal features of the protection enjoyed by Pacific Mutual Life policy holders.

The Company's General Agent is Mr. Robert Norris. The General Agency is located in this town, and is within easy call of the people of the community.

**A Friend in a Fog.**

"In one of the worst London fogs," said an Englishman, "an old friend of mine tried to find his way from Trafalgar square to the Savoy, where he had an engagement to dine.

"The sulphurous air made the eyes smart and the head ache, and it brought on terrific fits of coughing. You could not literally see your hand before your face. There was a continual crashing in of windows, bells jangled, vehicles and foot passengers collided, and shrieks and oaths arose.

"Threading his way in the midst of this pandemonium through the Strand, as he supposed, from Landseer's lions to the waiting dinner at the Savoy, my old friend, to his great bewilderment, soon found himself descending a broad stairway. He put his hand to the balustrade. Yes, a broad and stately stairway with a rail of carved stone. Amazing!

"Suddenly in his descent my friend collided with some one ascending the stairway.

"Hello!" he said.

"Hello!" a gruff male voice replied.

"Can you tell me," said my friend, "where I am going?"

"Certainly," said the other. "If you keep straight on you will walk into the Thames, for I've just come out of it."
