Grammar School Commencement.

The grammar school commencement was held in the high school auditorium Thursday evening, the address of the evening being delivered by the Hon. J. H. Craig, of Anderson. Mr. Craig is an eloquent and forceful speaker; and the grammar school was very fortunate in securing him for the address.

Mr. Craig also presented the J. Marion Davis scholarship medal, which was awarded to Turessa Maybin. Miss Maybin is a member of the seventh grade of the Boundary street school. There are two divisions of this grade, one at the Boundary street school and the other at the Pope school. Miss Maybin was awarded the distinction in scholarship in the part of the grade at the Boundary street school, and Miss Marion Earhardt in the part of the grade at the Pope school, and in the contest between these two, Miss Maybin was awarded the medal.

The way some of the carrier mail fellows get around reminds one of the carrier pigeon in his flight for home. They are all more or less great homing men.

THE LIST STILL OPEN.

Come Along and Take Your Subscription to the Park—Now is the Time.

The subscriptions to the park for Newberry continue to come in, and, while none of them are large, in the aggregate we can make up the amount if we can secure enough small ones. We would prefer to have the amount made up of small subscriptions rather than in one or two large ones. This is to be the people's park, and if everybody is interested, of course, it follows that everybody will take more pride in keeping the park up to the standard.

We already have a sufficient amount subscribed to assure the park, and to begin operations. Of course, we would prefer to have a little more, but it is the hope of those who are interested in this movement to organize the Park association, and to begin digging out the grounds in the very near future. Let everybody who is interested come along now and get in

on the ground floor and help to push the enterprise along.

NOTICE TO TAX DELINQUENTS.

Hon. Jno. L. Epps, county treasurer, has placed in my hands executions for the collection of delinquent taxes for the year 1910.

The law imposes upon me the duty to levy and collect this tax at once. This is to notify all persons who have not paid their taxes that they may save cost by coming to me and paying the same promptly. The number of executions this year is large, and I urge those who have not paid to attend to it at once.

HOUSE OF A THOUSAND THINGS.

We use Live Leather, only

Some shoe dealers will tell you they can't give you a good, durable shoe for \$2.00 or \$2.50. They are right, they can't. The \$2.00 shoe they sell is made to fill a demand at this price—not to wear. It is made of seconds—from sole to heel.

The Southern Girl
\$2.00 Shoe \$2.50

This same shoe in our "Autograph" brand, \$2.50 and \$3.00, is Goodyear well sewed; in our College Woman's Walking Shoe, \$3.00, \$3.50, \$4.00, it equals the best custom make.

is a revelation to every woman who tries it for the first time. In style it is the equal of shoes that cost double the money. It makes the foot feel perfectly at home. It wears better than any shoe you ever bought for \$2.00—because we use live leather—a quality sole, insole, counter, heel, linings. How can we afford it?

Go to the Craddock dealer in your town; he knows—he will tell you. Look for the Red Bell on the Box.

E. E. Chamberlain, of Clinton, Me., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy equal don't exist." Only 25c at Wm. E. Pelham & Son's.
