

LYNCHED AT HONEA PATH FOR THE USUAL CRIME

(CONTINUED FROM PAGE 2).

last one, Willis Jackson, that she positively identified as the right man. The identification took place while the mob was searching the woods, the negro having been located in a butcher shop by Constable Haynes. Before the mob returned from its fruitless search the negro had been placed in an automobile, driven by Melvin Ashley, and was on his way to the county jail here. About 9:30 o'clock Jackson was lodged in jail.

A telephone message from Honea Path stated that the angry mob was increasing rapidly in numbers and that it was likely the crowd would come to Anderson to storm the jail.

Prisoner Rushed to Greenville.

Sheriff King then barricaded the jail, calling in his deputy sheriffs and several policemen, who were armed with Winchester rifles. Sheriff King then hit on the plan of spiriting the negro away and in Dr. W. F. Ashmore's automobile, in charge of Deputy Sheriff Martin and Policeman Holland, the negro was hurried to Greenville.

The car carrying the negro left Anderson at 12:45 o'clock. Twenty minutes after the negro had been spirited away, more than a hundred heavily armed men arrived in the city. Some came on the trolley car, some in automobiles and the others on the train. They gathered together and proceeded toward the county jail. They were then told that the prisoner had been placed in an automobile and that he was then on his way to Greenville.

Mob Continues Pursuit.

The mob was evidently greatly disappointed on being outwitted, but under the leadership of Citizen Josh Ashley, who had arrived in a large automobile, they mobilized again, entered automobiles and started in pursuit. The officers had departed twenty minutes in advance. There were a dozen or more automobiles occupied by the infuriated crowd.

The distance from Anderson to Greenville is 37 miles and the roads are heavy and muddy on account of a hard rain last night. At Piedmont, 22 miles from Anderson, the mob had gained eight minutes on the officers, being only 12 minutes behind them. The officers passed Piedmont at 1:04 o'clock and arrived at Greenville at 1:50 o'clock.

The first car of the mob arrived in that city just five minutes later, but at that time the prisoner was on his way to Spartanburg. Sheriff King had telephoned to Sheriff Poole, at Greenville, and the latter had in readiness a large automobile. A transfer from the old machine was made in a twinkling of an eye and the big car then started for Spartanburg, 40 miles distant.

Girl's Condition Serious.

The little girl is in a critical condition. She was badly bruised, terribly lacerated and was greatly shocked. She displayed an unusual amount of nerve, however in looking at the three negroes brought before her for identification. The father of the lass is engaged in the lumber business in southwest Georgia and was away from home at the time. He was telegraphed for, and will probably arrive at Honea Path tomorrow. The mother of the little girl is dead, having been accidentally shot by her husband several years ago. The girl lived with her stepmother. Until recently her father was engaged in the mercantile business at Honea Path.

Before it was learned at Honea Path that an angry mob was in pursuit of the negro, Mayor Sullivan telephoned to Gov. Blease, asking for a special term of court to try the negro. At that time the negro was in jail and the governor stated that he would order the special term on the request of Solicitor Bonham. It is not known here tonight, however, whether or not the special term will be necessary, as no word has been received from Spartanburg concerning the prisoner.

Never Reached Spartanburg.

Spartanburg, Oct. 10.—Immediately on receiving word, over the long distance telephone, that officers, accompanied by Willis Jackson, the negro charged with assaulting a girl in Honea Path this morning, were en route to Spartanburg, followed by a mob in automobiles, Sheriff White, Capt. of Police Moss Hayes, Lieut. Jack Alverson, and others, set out in automobiles to meet the officers and prisoner and escort them to the jail in this city. On reaching Duncan, however, they learned that there was no use in going any farther, that the mob had been successful in taking the prisoner from the officers and had started back with him. The Spartanburg jail is the best in the State and had the officers arrived here there

would probably have been no lynching.

Mob Passes Through Belton.

Belton, Oct. 10.—A young girl of prominent family was assaulted by a negro at Honea Path, eight miles below here, this morning. The negro was quickly spirited away and lodged in the Anderson jail. A band of fifty men, heavily armed, passed through here in automobiles on their way to Anderson to storm the jail. Excitement is high and trouble is feared.

LYNCHING IN GEORGIA.

Victim Taken From Deputy Sheriff on Way to Jail.

Macon, Ga., Oct. 10.—Advices received today state that Andrew Chapman, a negro, was taken from Bailiff W. T. Cowen and lynched by a mob of forty masked men Saturday night, near Irwinton, Ga. The negro had just been bound over to the grand jury on a charge of attempted assault on a well known young white woman of Wilkinson county, who, it is stated, is prostrated as a result of the shock. Deputy Cowen was escorting the negro to the county jail when the mob overpowered him and took the prisoner. Dragging the negro to a pine tree near Butler's Bridge, the infuriated men strung him up with a rope and riddled his body with bullets. The body remained hanging to the tree until Monday afternoon, when the sheriff ordered it removed. It is stated that the negro admitted his guilt and expressed no regret for the alleged crime.

HELPFUL HINTS ON HAIR HEALTH

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hat-band is a resting place for microbes. If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that we think that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Newberry only at our store—The Rexall Store. Gilder & Weeks.
