The members of the firm pay special attention to making sittings for babies and children, being patient and resourceful to secure in ail instances a "cute" expression. Outdoor views are also taken on request, visits being made to homes to take family groups in home settings.

The Salter Studio can truthfully be fits the city or the people. called the best studio in the State of South Carolina, possessing as it does every facility to turn out work from the cheap penny pictures to the more elaborate portrait at \$25.00 per dozen, according to size and finish, and sat-· isfaction is guaranteed in every instance. The Salter photographs have found their way into the home of leading families of this section, where they stand the test of comparison with the work of leading photographers and compel the most favorable criticism.

The studio is fitted up with every convenience for patrons, being equipped with neatly furnished reception parlors, dressing rooms and what is conceded to be the best operating room in the South. In a word the Salter studio maintains all the advantages of modern photography and for that reason it grows daily in popularity and patronage.

The firm is composed of Otwey Salter and his sister, Miss T. E. Salter, who are both natives of Newberry, and who came from a family of photographers, being, as they express it, born in a studio. Besides the training of a life's practical experience, they have taken a special course in the
