Rev. J. B. Harmon Accepts Call to Churches in Georgia.

About three weeks ago the Rev. J. B. Harmon, pastor of the Mayer Memorial and Summer Memorial Lutheran churches of this place, notified the councilmen of these congregations that he had under consideration a call to become pastor of the Lutheran churches in Senoia and Haralson, Ga. This information was received with regret and all were anxious to know what would be the decision in the matter. At a meeting of the joint council of this pastorate last Sunday week, Pastor Harmon announced his decision. He said that while he had enjoyed the work among these brethren, and had, with the help of the Lord, made progress, he believed, in these congregations in different ways, and saw other things that he would like to do, yet he believed it was his duty to accept the call to the churches in Senoia and Haralson, Ga., owing to their present condition. (They have been without a pastor for over two years except some work done by Rev. A. J. Bowers, D. D., each summer). The council were unanimous in expressing their reluctance in accepting this resignation, but bowing to the will of Him who doeth all things well, they accepted it to take effect the last of October.

Pastor Harmon is an earnest and forcible speaker, a good singer and a conscientious worker. Since he has taken charge of this work, it has gone forward in many respects. The attendance and membership have increased, the singing improved, the congregations instructed in the catechism, and the Duplex envelope system of finance has been introduced and is working in both congregations.

Emily Geiger.

The Cheraw chapter wishes to know where Emily Geiger was buried. Emily Geiger, the daughter of Hans Geiger, lived in what is now Newberry county; married Llewellyn Threewits, a wealthy planter of the Congaree, who lived in the town of Granby. Here Emily Geiger died and was buried in the old family burial ground on Mr. Threewits' place, eight miles below Columbia, on the old Charleston road, on the banks of Tom's creek. The place is now owned by Mr. Martin. (Notes of Thomas R. Davis.)

THE POTATO DUCK.

A Curiosity in the Shape of a Sweet Potato—Newberry Raised—Its History and Picture.

This is a cut of the potato resembling a duck. The potato was raised by Mr. D. A. Rivers. It was bought by Mr. E. L. Rodelsperger and is on exhibition at his market. It beats a potato bug. This potato duck has been photographed by the firm of LeRoy A. and M. M. Salter, who have post cards of it. Get some and send them to your friends about, showing them a sample of the remarkable products of Newberry.

Weight of potato, 2 1/4 pounds. Measurements: length of body, 8 inches; circumference, 11 inches; length of neck, 3 inches; circumference, 2 3/4 inches. The head is 7 inches in circumference and measures 3 inches from back of head to bill.

Post Script—Post cards of the above are to be had for the asking. The Salters will give them away to advertise Newberry.

Marriage of Interest.

One of the most notable weddings in army circles in recent years took place last night at Black Mountain, when Miss Margaret Disoway, daughter of Mr. and Mrs. J. J. Disoway, of Atlanta and Black Mountain, became the bride of Capt. James Fuller McKinley, Eleventh cavalry, U. S. A. The wedding was in full military style, the bridegroom and his attendants wearing the full dress uniform of the army. The ceremony was performed by the Rev. W. W. Memminger, of All Saints' Episcopal church, Atlanta. The bride presented a beautiful picture as she entered the drawing room at "Tree Tops," the summer residence of the Disoways, where the wedding took place, on the arm of her father, who gave her away. The beautiful and impressive Episcopal full ring service was used.

The bride's attendants were Miss Anna Orme, Miss Frances Nunnally, Miss Julia Richardson and Miss Esther Smith, all of Atlanta. Mrs. Winship Nunnally, of Atlanta, was matron of honor. Captain McKinley's best man was Capt. Grayson Heidt, of Atlanta, who married Captain McKinley's only sister, and his other attendants were brother officers from the gallant Eleventh.

After the wedding a magnificent supper was served.

Captain and Mrs. McKinley will leave today for an extended wedding trip, after which they will be at home at Fort Oglethorpe, Ga., near Chattahoochee, Tenn., where the Eleventh is at present stationed.

Captain McKinley holds the record as the youngest man to ever secure the rank of captain in the cavalry service, and is a nephew of the late President William McKinley. He has seen service both in Cuba and the Philippines, his regiment having returned from the latter place about two years ago.

Mrs. McKinley, as Miss Disoway, was considered one of the most beautiful women in Atlanta, where she made her debut three years ago, and where she has reigned as a belle since. She has been prominent in society, not only in Atlanta, but in Washington and other cities.—Asheville Citizen.

Crouch-Drafts.

Lexington, Sept. 21.—Mr. and Mrs. Chas. H. Drafts, who were married in Augusta on Wednesday evening, are visiting Mr. Drafts' father, Judge George S. Drafts, in Lexington. Mr. Drafts' marriage came as a pleasant surprise to his many friends here, where he was born and reared. The Augusta Chronicle of Wednesday contained the following account of the marriage which will be of interest to a large circle of friends:

"Friends of Charles H. Drafts and Miss Julia B. Crouch will be interested to learn of their marriage, which took place last evening at St. John's Methodist parsonage, the Rev. Dr. DuBose officiating. The bride was very handsome in a stylish coat suit of blue, with hat and blouse to correspond.

"No one was present, but the immediate family, and after the ceremony the bride and groom left for Atlanta, from where they will go to Asheville to visit the family of the groom.

"Mrs. Drafts is the daughter of Mrs. Elizabeth Crouch and is a very attractive and charming young woman. Mr. Drafts has made his home in Augusta for the past five years and is well known here, where he has many friends.

"After their wedding trip Mr. and Mrs. Drafts will make their home in Augusta."

Notice.

Hon. Jno. L. McLaurin, of Bennettsville, will make an address in the court house Saturday, September 28, 11 o'clock a. m., on the subject of banking, warehousing and marketing the cotton crop. Mr. McLaurin has a large grasp of this important subject and being a large farmer himself will be sure to give us ideas that if followed will be helpful to us.

We urge a large attendance not only of the farmers of the county but of the business men and citizens generally. Let everybody who is interested in the warehousing and proper marketing of our cotton crop come to hear Mr. McLaurin. We guarantee you will be fully repaid for your time.

R. T. C. Hunter, President County Farmers' Union. J. B. O'Neal, Holloway, Secretary County Farmers' Union.

NEWBERRY COTTON MARKET.

Cotton Being Sold Rapidly—Price Good—Receipts to Date.

The cotton market at Newberry, since the opening of the season, has been rather active. On Saturday 475 bales were sold, the price ranging from 11.65 to 11.75. At these prices, even with the prospect of a short crop, the farmers will realize more from the present crop than they did from the large crop of last year. The price also that the price will continue to go up and we would not be surprised to see it materially increase.

There have been sold at this market since the opening of the season on September 1, up to September 21, 1,717 bales. The receipts at Newberry for the season 1911-12 were 25,732 bales as against 17,766 for the season 1910-11, and 17,190 for the season 1909-10. The total crop of the United States for the season 1911-12 was 16,101,000 bales, exclusive of linters. The crop for this season is estimated at least 2,000,000 bales less than the crop of 1911-12, which will be probably a half-million bales less than the world's consumption. With such crop prospects, it seems almost impossible for the price to decrease.

Card of Thanks.

We, the undersigned, wish to extend to our friends our grateful thanks for the kindness they have shown us during the sickness and death of our devoted sister, Martha.

Kate Miller, Frances E. Lake.

Fellers-Berley.

The Rev. Edw. Fulenwider married a couple at the Lutheran parsonage Monday morning at 10.30 o'clock. The contracting parties were Miss Vera Fellers, daughter of Mr. and Mrs. Levi C. Fellers, of this city, and Mr. Samuel T. Berley, of Monticello, Fairfield county.

News of Excelsior.

Excelsior, Sept. 23.—Mr. E. M. Cook is building a large barn.

We had nice rains Sunday afternoon and night.

Mr. and Mrs. John D. Boozer spent Saturday and Sunday in Columbia.

Miss Jennie Lee Kinard, of Little Mountain, is visiting Miss Nannie Wheeler.

Mr. Arthur Lee Wheeler has gone to Columbia to engage in the cotton business again this fall.

Mr. A. M. Dominick, who has been at the Columbia hospital the past two weeks for treatment returned home Friday much improved glad to learn.

Mr. Sammie Cook left on Friday for Wofford college. Mr. Tillman Cook left on Monday for Erskine college. We shall miss the boys but wish them success in their studies.

Our preaching service here was rained out Sabbath afternoon. The Rev. O. G. Davis will preach for us here the fourth Sabbath afternoon in each month.

Prof. Danzler the newly elected teacher for Excelsior school, arrived last week with his family and has moved in Mr. J. C. Counts' dwelling near the public road.

Mr. J. C. Counts, while in Prosperity Friday, was knocked off of the cotton platform at the oil mill by a bale of cotton and the small bone in each of his wrists was broken besides other bruises. Dr. J. S. Wheeler cared for the broken members and Mr. Counts is getting on as well as could be expected.

Now after the rain would be a fine time to use the split log-drag on all the roads.

Some time ago in passing up the railroad we noticed the nice new church building near Johnstone academy built by Messrs. J. C. Neel and W. E. Wallace. We have since been told that Messrs. Neel and Wallace built the church themselves and that any religious services could be held there when so desired regardless of denomination. This shows the right spirit in these gentlemen and we hope to see the day when our people will lay down some of this denominational feeling and pull a little more together. The Bible is the book and we have only one God to serve.

"SILVER SPOON" BABE PHOTOED.

Mrs. John Jacob Astor Has Baby's Picture Taken in New York.

The baby had his first photograph taken before leaving New York for this place. The infant was a month old on September 14.

DR. GRIFFITH ACQUITTED.

Accused of Criminally Assaulting Patient, Columbia Physician Declared Not Guilty.

Columbia, Sept. 19.—In the case against Dr. L. A. Griffith, a highly reputable physician of Columbia, accused of criminal assault on a young woman in his operating room, the jury today brought in a verdict of "not guilty" after being out only three minutes. The entire morning of the court was consumed in taking expert testimony of many physicians.

After the jury had announced its decision, Judge Gage said, in discharging them, he naturally supposed they had come to the same conclusion that he did, that this good woman had done herself and her family great harm by bringing such a case into court; that he believed she was suffering from a mental disability. The many friends of Dr. Griffith, especially his brother physicians, were much gratified over the verdict and congratulated him on the outcome.

Postmaster C. J. Purcell has decided to interpret the law of congress on Sunday closing to mean that he may distribute mail in the lock boxes, and on last Sunday all mail for the lock boxes was distributed as heretofore. No stamps will be sold on Sunday, neither will the general delivery window, nor the carriers window be opened, but all patrons of the office who have lock boxes may secure their mail as heretofore.

HAT MAY BE THROWN INTO SOUTH CAROLINA

Col. Roosevelt Queries as to Possibility of Bull Moose Invasion of State.

Aiken, Sept. 21.—That Col. Roosevelt, presidential candidate of the Bull Moose party, is anxious to gain a foothold in South Carolina is made plain by a telegram received this morning from Col. Roosevelt by B. Sherwood Dunn, a capitalist of Aiken, and Augusta. The colonel wired Mr. Dunn, who is a close personal acquaintance of the former president, to ask if there exists any statute of limitation in this State regulating the placing of an electoral ticket in the field. Mr. Dunn sought legal advice on the matter, and ascertaining that the Bull Moose party may place its ticket in the field any time before the general election in November, he wired this information in answer to Col. Roosevelt's inquiry.

The telegram received today from Col. Roosevelt is not the first that has passed between Mr. Dunn and the Bull Moose nominee on the subject, and while it is speculative as to what may or may not be done, the situation presents an interesting aspect to the citizenry of South Carolina.

821 ACRES FOR HOBBO COLONY.

Half Million Dollar Institution to Be Located in Dutchess County

Scientific American. Governor Dix announced that 821 acres of land in Dutchess county, twenty miles south of Poughkeepsie, had been selected for the State farm colony for the rejuvenation of tramps and would be bought for \$60,000.

The Legislature last year made a preliminary appropriation of \$100,000 to establish the new institution, which will cost \$500,000. The site chosen is not far from the abandoned Wingdale State prison site. The Governor says that he planned to use the Wingdale prison site for a tramp colony but the site commission found that the locality was conducive to malaria, besides being poor for farming purposes.

Practically all of the 821 acres selected is tillable. Here the tramps who are sent from the cities and towns will be employed in farming in the same way as the large number of prisoners of the Great Meadow prison at Comstock are kept at work.

One effect of the establishment of the tramp colony will be the lessening of the numbers of vagrants locked up in local jails, as the tramps can be kept at the colony for an eighteen months period.

\$131,000,000 TUBE FOR CHICAGO.

Plans for System Submitted to Council Committee.

Plans for a municipally owned subway system which on a "one city one fare" basis will pay the cost of its construction and of the extension of its lines were submitted to the local transportation committee.

The plans came in the shape of a report of the Harbor and Subway Commission and the sub-committee of the local transportation committee. Four main lines are provided for. One will be a North to South Side connection and another a West Side trunk line. There will be a North-west Side and a South Side arm.

The report estimates the cost of equipment of \$34,844,000.

The system would have a capacity of 187,000 seats an hour.

NEGRO WAS ELECTROCUTED AT STATE PENITENTIARY

Death Penalty Paid by Ed. Alexander Was Recently Convicted in Fairfield County.

After being placed in the chair he denied that he was guilty and gave directions for the disposal of his body.

The negro was led from the death cell to the electrocution chamber at 11:22 and was immediately strapped in the chair; his brief statement was then made and the current of 1,900 volts was turned on at 11:25 o'clock. The required number of witnesses were present.
