MEXICANS SUFFER CLASH

Federals Stir Up Deceptive Hornets' Nest—Fire Upon Americans.

Eagle Pass, Texas, March 23.—Mexican federal soldiers who fired at a defeated constitutionalist force escaping to the United States and safely met sharp resistance yesterday from United States cavalry on border patrol at McKees Crossing above Del Rio, Texas. When three horses held by the American troopers had been shot down the Americans returned the fire across the Rio Grande, and after an exchange of shots the Mexicans withdrew bearing with them dead and wounded.

No American was hurt. How many of the Mexican soldiers were killed or wounded is not known.

Official reports of the occurrence to Col. Sibley, commanding at Fort Clarke here, caused orders for all available cavalry of the border patrol to proceed to Del Rio. One troop and a machine gun platoon left Eagle Pass today. Another engagement between Mexican federals and constitutionalists is expected tomorrow in the same territory.

Fired Across Line.

The clash across the international line was precipitated, according to reports to headquarters today, by persistent firing of the federals at the fleeing constitutionalists who had gained American territory and surrendered to United States troops. Three horses held by American cavalry men were killed. For ten minutes Capt. Winterburn of Troop E, Fourteenth cavalry, signalled to the federals to cease firing, but reported that his signals were disregarded and his own men were in danger. He then ordered the Americans, a detachment of 15 troopers, to fire, and a sharp fusillade followed, lasting for about five minutes.

Constitutionalists defeated Sunday were a scouting party led into a trap by the federals, who earlier in the day had captured Las Vacas, opposite Del Rio. They abandoned the town but returned suddenly to attack the rebel scouts. About 45 were cut off by the 300 federals at McKees Crossing on the Rio Grande where the rebels put up a stubborn resistance until overpowered by numbers.

Fled to America.

They then began retreating across

the river to the American side, where Capt. Winterburn's detachment of cavalrymen was on duty to preserve neutrality.

Of the 45 constitutionalists, only 27 reached the Texas bank. Several were killed in the water, their bodies floating down stream.

There was no further trouble and it was said here that the additional troops were ordered to Del Rio because of the battle expected tomorrow.

A force of about 700 constitutionalists was reported as coming from the southwest to Las Vacas, where the federal command is now stationed. A rebel company that has been encamped opposite Lantre Texas, is also moving down the river towards Las Vacas.

What is Lent?

Rev. W. T. Lipton.

The word itself is derived from a Saxon word which means "Spring." Entomologically the Lenten season means the spring season, and has no spiritual significance. We, however, give it a spiritual character by the use we make of it.

It is a spiritual spring time when a deep, full plowing into the consciences of the people—when a generous sowing of the Word of God—will later on bring forth a rich harvest of souls, sanctified and made like unto the Son of God, and of deeds holy and good, like His.

It is a time when a man puts his soul on trial; examines rigorously its motives and doings; judges it by what God requires, and sees where it stands in its progress heavenward.

It is a time when we enter, as it were, a cloud which hides the world and its vanities from view, that in communion with God we may learn how best to resist the every day temptations which waylay us from birth to death.

It is a time when the repentant soul, like the prodigal son, arises and goes home to his father and says "I have sinned," and feels the joy of forgiveness in His loving embrace and kiss.

It is commemorative of the 40 days of fasting and prayer which our Saviour spent in the wilderness—and during this season we learn the wilderness of life.

It is the preparation for the great feast of Easter—the festival of victory over sin and death, and every one who

soul out of you for such a long time. Drop everything else and use "GETS-IT." A few drops applied in a few seconds does the work. Useless junk, like flesh-eating salves that make corns swell, cotton rings that make corns stand up like pop-eyes, razors, corn diggers, scissors and files that make corns grow faster, are all done for. "GET-IT" is on a new principle, makes corns shrivel, vanish! It can't stick to the stocking, or hurt the flesh.

"THE GREATEST KIDNEY REMEDY ON EARTH," SAYS A GRATEFUL WOMAN.

I want to tell you how much good your Swamp-Root did me. About four years ago I suffered from what the doctors called fistula and for two years of that time, I endured what no tongue can tell. I also had inflammation of the bladder and I tried doctors' medicines without receiving any help. Someone told me about Dr. Kilmer's Swamp-Root.

After giving it a thorough trial, I received relief, so kept on using it and today I am a strong and well woman. If I ever feel badly or out of sorts, I take Swamp-Root and it always straightens me out. I honestly believe that this medicine would cure all troubles you recommend it for and it is a pleasure for me to send my testimony and photograph to you. I
