\$150.00 IN PRIZES TO BE GIVEN AWAY

Is there a lady in town or county who would like to have the beautiful Seven Piece White Enamel Suit now on display in our window—
ABSOLUTELY FREE?
 IF SO HERE IS HER OPPORTUNITY

CONDITIONS:

Any Lady, or Girl 15 years of age or over, is eligible for nomination.

A candidate may enter at any time.

No votes will be counted for any one who has not indicated her intention of becoming a candidate by signing the nomination coupon, or a nomination card which will be furnished on application.

The votes will be counted on the 1st and 16th of each month. Tickets of different colors will be given for each 15 day period, and must be voted before the expiration of the period in which they are issued. The judges will be instructed to throw out any tickets that are not the color for the period being counted.

All who enter the contest must do so with this understanding; that unless the tickets are voted within the period in which they are issued, they will not be counted. The changes in color from time to time is to facilitate the counting by saving the judges the trouble of looking for the date.

The Lady having the largest number of votes, as shown by the final count, September 15th, will be given the

White Enamel Suit.

The lady polling the largest number of votes during the period being counted will be given the premium offered for that period.

We reserve the right to offer extra votes on any line we may select at any time during the contest, but in all cases we will make the announcement in advance, so that all may have an equal chance.

CONDITIONS:

Giving away good merchandise may seem strange, but we have a reason for it.

Our business is growing, thanks to you, and we want every one who buys goods, such as we handle, to become our customer.

Our business for the past nine months has considerably exceeded the previous twelve months, and as our business year ends Sept. 15th, we want to make a record to be exceeded next year.

We have reason to believe that the goods we handle are as good as can be had for the money, and that an increasing number of customers find this to be the case. The more business, we do, the better we can serve you both as to prices and service. The purpose of this contest is to secure business. We recognize the value of candidates soliciting for us in order to secure the votes. Now, to help all of the candidates as much as possible, and put it in their power to secure more votes by a little effort, we make this unusually

Liberal Offer:

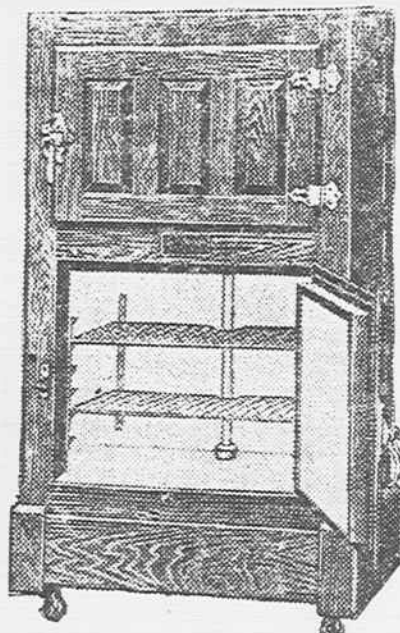

With every sale made for us by bringing a customer to our store, we will give the candidate accompanying the customer a number of votes equal to the number given with the purchase, whether it is a dime's worth of Sewing Machine Needles or a \$30.00 Refrigerator, or if a candidate will send the name of a friend or acquaintance who is going to buy some article we sell, we will have our salesman call, and if we make the sale we will give that candidate the number of votes corresponding with the vote given the purchaser.

We want the business of everybody in Newberry County, and if giving good goods at the right prices and fair dealing will do it, we are going to have it. In the goods listed below you will find something that you or your friends need. Bring them in or send their names and get the votes.
