

MR. J. K. HENRY COMPLAINS

Says Candidate Cooper Is Not Getting a Fair Deal.

To the Editor of The News and Courier: Allow me to address this open letter to the candidates for gubernatorial honors in the campaign now in progress in this State. The exhortation is, "Tote fair, gentlemen, and see to it that your friends tote fair." To be perfectly plain and frank, as a friend of Mr. R. A. Cooper, in presenting his fitness for the office of governor, I find a persistent effort on the part of the friends of Messrs. Clinkscales and Manning to discredit Mr. Cooper by charging that Mr. Cooper "straddled" in the recent Democratic State convention on the issue of reforming the primary rules to insure an honest primary election; also that he was opposed to any amendment, and therefore, against an honest primary election. Anyone who knows R. A. Cooper knows that it is impossible for him to straddle any issue, and to charge in effect that he was against an honestly conducted primary election is not short of slander. The candidate who reaps the benefit of such slander should not receive the support of honest voters in a second primary, if so fortunate as to be in the second primary. Mr. Cooper's county (Laurens) instructed its delegates to the State Democratic convention, in substance, to oppose any amendment to the primary rules depriving any white man who was a real South Carolina Democrat from voting. These instructions were, and are, his personal views. This is what he honestly advocated before the convention. Some did not attend the convention, although elected. Some kept mum on this issue. Now because Mr. Cooper was frank enough and true enough to openly discuss this issue to secure his own and his county's instructions, is it fair that he be denounced as a "straddler" and an opposer of honest elections? Does Mr. Clinkscales or Mr. Manning advocate depriving any real South Carolina white Democrat of his vote? Surely not. Then why make this issue against Mr. Cooper?

In the few years past we have had enough of sneaking, vile, political slander during the primary campaigns dealt out in dark corners and back lots. Spoken in whispers, it lived and thrived and brought success, because not exposed by the light of publicity. I call upon the candidates to correct this fault in their friends; otherwise they become endorsers of most culpable wrong-doing. All that the friends of R. A. Cooper ask of the honest voter, who wants to vote for the best man in the race for governor, is to make intelligent inquiries. Again let me say, "Tote fair, gentlemen, and see that your supporters so tote."

Sincerely yours,

J. K. Henry.

SPECIAL TO WOMEN

The most economical, cleansing and germicidal of all antiseptics is

Paxtine

A soluble Antiseptic Powder to be dissolved in water as needed.

As a medicinal antiseptic for douches in treating catarrh, inflammation or ulceration of nose, throat, and that caused by feminine ills it has no equal. For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been cured say it is "worth its weight in gold." The Telephone and Good Roads

The telephone goes hand in hand with good roads.

The telephone overcomes many of the obstacles of bad roads and makes it possible for the farmer and other rural residents to transact business in the city and with neighbors when the roads are impassable.

Progressive farmers are insisting upon good roads and telephones. These two agencies of modern civilization are doing more than all others toward eliminating the isolation of country life. You can have a telephone in your home at very small cost. Send a postal for our free booklet giving complete information.

SLEEP DISTURBING BLADDER WEAKNESS BACKACHE-RHEUMATISM, QUICKLY VANISH

Even Most Chronic Sufferers
Find Relief After A Few
Doses Are Taken

Backache, urinary disorders, and rheumatism, are caused from weak, inactive kidneys, which fail to filter out the impurities and keep the blood pure, and the only way on earth to permanently and positively cure such troubles, is to remove the cause.

The new discovery, Croxone, cures such conditions because it reaches the very roots of the disease. It soaks right into the stopped up, inactive kidneys, through the walls and linings; cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles to scratch and irritate and cause rheumatism; it neutralizes the urine so it no longer irritates the tender membranes of the bladder, and cleans out and strengthens the stopped up, listless kidneys so they filter and rid all the poisons from

the blood, and drive it out of the system.

So sure, so positive, so quick and lasting, are the results obtained from the use of Croxone, that three doses a day for a few days are often all that is required to cure the worst case of backache, regulate the most annoying bladder disorders, and overcome the numerous other similar conditions.

It is the most wonderful preparation ever made for the purpose. It is entirely different from all other remedies. There is nothing else on earth to compare with it. It is so prepared that it is practically impossible to take it into the human system without results.

You can obtain an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give desired results, regardless of how old you are, how long you have suffered, or what else has failed to cure you.
