NEWBERRY COLLEGE OPENS.

Fifty-Eighth Session Began Thursday Morning With Appropriate Ceremonies.

With appropriate ceremonies Newberry college opened its fifty-eighth session Thursday morning in Holland hall. The great and, needless to say, agreeable surprise to all concerned in the welfare of the college was the very large attendance of new students. The enrolment is to date as large as last year and then numbers whose entrance will be delayed for a few days. In view of the business unsettlement this is quite remarkable and is a matter of general congratulation among "Newberry" patrons and friends.

Addresses were made by Mr. Virgil B. Sease, Charles P. Barre, Esq., Geo. B. Cromer, Esq., Revs. Carson and Fulenwider and Prof. Bowers of the faculty. Quite a number of citizens and friends of the college braved the September gales and attended the exercises. Col. W. H. Hunt, who was to have spoken was prevented by sickness from being present. All the addresses had a tone of optimism and faith and were enthusiastically received by the student body. The indications are for a bright and prosperous session in all departments of the college work.

The Y. M. C. A. will hold a big rally in Holland hall Thursday at 7:30 o'clock. Plans for the year will be formulated and a "new members campaign" inaugurated. The college is expecting a good year of vigorous influence from this organization. Tomorrow night the Y. M. C. A. will hold the annual "rat reception," to which friends from town have been invited by card.

Football practice is going on, in the mud. The team is full of fast and big men and thinks look favorable for a banner year. The sunshine which brightened the skies soon after the opening exercises this morning was taken as a good augury of a fine and glorious session at "Newberry."

Ministers adopt Resolutions.

Having a deep and abiding interest in the material as well as spiritual welfare of our people; we, the undersigned ministers of Newberry, endorse the "Buy-a-Bale movement" believing it will help much to relieve the situation, and pledge ourselves to help in any way we can in this work which has to do with the welfare of our people. We also call upon the ministers of the county and all others who can use their influence in making the movement a success. We may not all have the money to buy a bale, but may be we can encourage those who have the money to buy, and others who are able to hold their cotton for a living price.

Death of Leon Sheppard.

Duke Leon Sheppard, son of Mr. and Mrs. D. M. Sheppard, of Silverstreet, was born February 16, 1912, and died September 12, 1914; aged 2 years, 6 months, and 26 days. Little Leon was a good child and he will be sadly missed in his home. He became very ill, and while his fond parents did everything possible for his recovery, yet he died in a short time. The funeral, which was well attended took place in the Silverstreet Lutheran church, and the interment was in the cemetery connected with the church. May the Holy Spirit comfort the bereaved.

A Card.

To the Democratic Voters of Newberry County: I hereby express my many thanks to the voters for the large vote given me in the primaries. To the farmers of St. Phillips who rise at early morn, feed their hogs on home made corn, I thank you for your large vote. Brave Kinards, Utopia, Whitmire, operatives at mills, Long Lane, Chappells and all others at precincts that voted for me I extend to you my thanks. Yours for cooperation, education, lower taxes. J. Wm. Folk, M. D.

A Valuable Dog.

Speaking of valuable dogs. Mr. Robt. McC. Holmes has one popularly known by the name of Rummie. This dog was in Scott's creek yesterday diving for a rubber ball, in the doing of which he showed remarkable intelligence. He would feel for the ball with his foot and then dive for it, bringing it up in his mouth "skeeting" water. But in the meantime Rummie got caught in a musk rat trap. This is another dog worth having. A dog diving for an unseen ball in water is a wonderful performance. Rummie is ahead.
