Going Out of Business

After standing the storms for 50 years, just half a century, two panics, two wars, 4 1-2 cent cotton, we are as solid as the rocks of Gibraltar, not being closed out, not that we must have the money, simply retiring after 50 years of service. We have an elegant stock of new, snappy, nice goods which we intend to close out by the 1st. of January, 1916.

As a starter we offer all men's and boys' Clothing, Hats and Caps, Dry Goods, Rugs, Art Squares, Trunks and Valises, Lap Robes, Laces and Embroidery, Ladies' and Misses' Coats and Sweaters, all millinery at 25 per cent off on the dollar or one fourth off. On all shoes 10 per cent off.

This is a great cut on new, nice merchandise and we want our friends and customers to take advantage of it. Remember when Moseleys advertise they always carry out their ad to the letter. No catch penny wild cat scheme but solid facts. Most of these goods were bought in New York this fall and would not be sacrificed but for the fact we are going out of business after January 1st., 1916. We are giving up a prosperous business leaving a fine opening for some active young men and our store for rent after Jan. 1st., 1916.

New prices and new goods added daily. The entire stock must go by 1st., Jan. 1916.
