

TO ASK CONGR. S.S. FOR COTTON FUND

CAMP HAMPTON WISHES BALANCE DISTRIBUTED.

Would Have Money Left in Federal Treasury Shared Among Veterans.

The State.
Camp Hampton, United Confederate Veterans will memorialize congress to distribute among the survivors of the Confederate States army the funds held in the federal treasury arising from the cotton tax collected in the South during and after the War Between the Sections and from the sale of captured and abandoned Southern property.

D. B. Flenniken, adjutant of the camp, reports for The State as follows the meeting held last night:

"The monthly meeting of Camp Hampton, U. C. V., No. 389, was held in the council chamber this evening. The meeting was opened with prayer by Chaplain J. C. Abney. The minutes of the last meeting were read and confirmed. Comrade W. H. Vogel at the Confederate home was reported very ill.

"Commander Clark informed the camp that the State annual reunion of the Confederate veterans would be held in Rock Hill by invitation. On motion of Comrade McLaurin it was decided that the camp elect delegates to the State annual reunion in Rock Hill, also to the general reunion in Birmingham. The following delegates were elected to both the reunions: Comrades W. A. Clark, J. Fuller Lyon, D. W. McLaurin, Charles S. Dwight and H. J. Hennies; alternates, J. C. Beck, J. C. Abney, J. L. Wardlaw, C. T. Goodwyn, D. B. Flenniken. Commander Clark informed the camp that any member of the camp could attend the reunions, and be accorded the privileges of the meeting.

"The following motion of Comrade D. W. McLaurin was adopted: "Resolved, That a committee of three, with the commander as chairman, be appointed to prepare a memorial to be submitted to the congress of the United States in support of the bill now pending in congress to apply the moneys now in the treasury of the United States arising from the cotton tax collected during and after the war from the Southern people, and also the moneys arising from the sale of captured and abandoned property, to the support of the survivors of the Confederate army, or such other form of memorial as in the judgment of the committee may best reach that end. The following were appointed: Com-

"Commander Clark, interested the camp with an account of the evacuation of James Island and the retreat into North Carolina, including the fights on the retreat to the reaching of Goldsboro and the division of the coin among the different commands and the different amounts received by the Confederates. Commander Clark stated that he still had his silver dollar and had had his history engraved on it. Comrade J. S. Wilbanks stated that he still retained a 50 cents coin of the \$125 he was paid off with at the surrender."

From West End, Newberry.

Dear Editor:
Connie Maxwell should take off her hat to Rev. Herman W. Stone, of Newberry, S. C., formerly of Anderson, S. C. It was through his influence that the Baracca and Philaetha classes decided to support one of the children of the home. The president of each of the above classes will go to the home at an early date to pick out the child and have a photograph of it made and placed in each of the class rooms.

Mr. Stone is surely a live wire, and a wide-awake worker for the Master's cause. So is his companion; they are doing much of lasting good. He has been in their field only one month and has had six additions on confessions of faith and nine by letter. (The password with all of the people is "Have you heard Mr Stone yet, if not, why?")
Mr. Stone has services at West End every first and third Sunday mornings and every Sunday night, and at Pine Pleasant in Saluda, S. C., county every second and fourth Sunday mornings.

Brother Stone loves and helps all that is good and fights that which is bad as hard as Christ did.

Yours truly,
"A Member."

DRINK SIX GLASSES OF WATER DAILY

An Interesting Statement by One of the Big Men in the Drug Business

A. E. KIESLING of Houston, Texas, says: "If you have a muddy complexion and dull eyes, you are constipated. Six glasses of water daily and one or two Rexall Orderlies at night will correct this condition and make you 'fit as a fiddle.' Rexall Orderlies, in my opinion, are the best laxative to be had, and can be taken by men, women or children."
