## CLEAN UP—PAINT UP—KEEP IT UP, MAY 15-20

### ELECT DELEGATES TO STATE CONVENTION

GENEROUS RESPONSE BY WOMEN TO CALL OF DUTY

Places Given to Newly Enfranchised—Gatherings Throughout the State

The State, 2.

Women throughout South Carolina yesterday manifested a keen interest in political affairs, this being their first opportunity to participate in county Democratic conventions. In the majority of the counties, women were given places in the delegations to the state Democratic convention, May 17. Barnwell is sending four women and two men. An even break was made in Laurens, which county named four women and four men, while many other counties are to be represented by from one to three. In Greenwood county Mrs. E. D. Andrews was chosen county chairman and presided over the convention. A Presbyterian minister presided in York.

Resolutions were adopted in several condemning the general assembly for the somewhat general practice of holding its closing session Sunday morning. Other resolutions called for an amendment to the primary election rules so as to distribute the cost of primaries between state and county candidates more equitably, and that when all county officers have been filled in the first primary the state Democratic committee bear the full expense of a second primary. York county, by a slight margin, passed a resolution in favor of the bonus.

Telegram to Wilson

Sumter sent a telegram of greeting and good wishes to Woodrow Wilson, and McCormick county raised \$26 for the national Democratic party fund. Cherokee county accepted a resolution asking that enrollment rather than the vote cast in the preceding primary be the basis of representation of clubs in county conventions. Several counties rejected resolutions, proposing that the first primary be held in September.

In several counties indorsement was given to aspirants to state offices. Union passed resolutions heartily commending William Coleman for the office of governor. Chesterfield indorsed George K. Laney, state senator, for the office of chief executive. Dillon indorsed A. J. Bethea of Columbia, but native of Dillon, for this office, while Greenwood, over Maj. Henry C. Tillman's protest, indorsed Major Tillman.

Indorsement was given to congressional aspirants and present representatives of several districts. Chesterfield indorsed W. F. Stevenson for reelection. Greenwood gave its commendation to the candidacy of S. H. Sheppard of Ninety-Six, Marion to E. T. Hughes, Darlington to Jerome P. Pate, Williamsburg to P. H. Stoll for reelection, and Dorchester to I. S. Hutto.

Solicitors were also indorsed for reelection in several circuits.

There was no semblance of factionalism, apparently, and the conventions were generally of brief duration. Had a trophy been offered for the speed with which the business of conventions was dispatched, Barnwell would have been the winner, only 29 minutes being consumed by this county in organization, the election of delegates and disposing of all other pending matters.

### DECLARES RUSSIA IS NOT HOSTILE TOWARD FRANCE

Genoa, May 1.—Foreign Minister Tchitcherin, head of the Russian delegation at the economic conference, has written a letter to Vice Premier Barthou of France assuring him there are no secret military or political clauses in the Russo-German treaty signed Easter Sunday at Rapallo. He says Russia is not hostile toward France, notwithstanding France's unfriendly attitude toward Russia.

### MEMORIAL SERVICES HELD ON WEDNESDAY

Newberry Again Honors Heroes Who Wore the Gray—Vets and Wives Given Dinner

Again Newberry has paid her tribute of love and honor to the "boys who wore the gray." Each year's memorial seems but a repetition of what has gone before, and yet each Memorial day brings a thrill to the heart and a tear to the eye as the remnant of that gallant gray-clad army of the South assembles.

Wednesday morning the school children, as is their custom, brought wreaths of bright flowers and evergreen to bedeck the Confederate monument on the square, and after this rite was finished the memorial services were held in the opera house. Sixty-one heroes of the War Between the States were present and occupied special seats in the auditorium, as did the wives of Confederate veterans.

Major J. F. J. Caldwell was master of ceremonies and announced "Dixie" as the first number on the program. This was sung by the special choir who were seated on the platform. Scripture reading and prayer by Dr. J. L. Daniel followed, after which the choir sang "How Firm a Foundation."

The roll call of veterans who have passed on since May 10, 1921, was made by Col. M. M. Buford. There were eleven names on this list and as they were called the audience stood in silent tribute—and after the last name a bugle sounded taps.

The next number was an excellent address of welcome to the veterans delivered by Miss Abbie Gaillard for the United Daughters of the Confederacy. Miss Gaillard brought a greeting also from the recently organized James Fitz James Caldwell chapter, U. D. C., and paid a lovely tribute to Major Caldwell, saying that this new chapter honored itself in honoring the man for whom it was named.

A quartet, composed of Dr. J. B. Setzler, Mrs. W. K. Gotwald, Miss Teresa Maybin, and Mr. Houseal, sang very sweetly, "Old Black Joe." The speaker of the day was Dr. J. C. Guilds, president of Columbia college. His remarks were addressed chiefly to the veterans, but were listened to and enjoyed keenly by the entire audience. His words were full of sincerity and brought forth a warm response from his hearers.

Dr. Guilds said he would not dwell upon the causes, the glorious conduct, and the distressing result of the war of the '60's, but out of his heart would tell why we love the old veterans and would pay to them a sincere and humble tribute.

He paid a tribute to them first as men; second, as patriots; and third, as soldiers. He said the world has never known truer manhood than that which was found inside the old Confederate uniform of gray and that that manhood was placed at the disposal of their country. Aside from being real men and patriots, he said they were real soldiers; for they knew how to fight, they kept alive their morale in the face of all hardships, they had an indomitable spirit which, though defeated, was never conquered, and last, they knew how to take defeat. They went back home to the battles of peace which were no less trying than the battles of war, and out of the ruins they built up the new Southland.

After the address, the Goode Burton medal which is annually presented by the Drayton Rutherford chapter to the tenth grade student making the highest examination mark in Southern history, was awarded by Dr. Guilds to Miss Pauline Boozer. A flag drill and song were given by the Children of the Confederacy, which was very effective, the girls being dressed in white middie suits, wearing blue ties, and each girl carrying a state flag of blue and white.

"America" was then sung and benediction was pronounced by Dr. Daniel. After the exercises the veterans

### GREATER NEWBERRY DINNER TO BE STAGED ON MAY 25TH

Every Organization in City to Join Hands in Large Get-Together Meeting

Possibly one of the largest "get together" meetings ever held in the city of Newberry will be staged on Thursday, May 25th, when practically every organization in the city will join hands and have a Greater Newberry dinner. The idea of this dinner was launched by the Newberry chamber of commerce, and on last Monday afternoon representatives from the various organizations met in the office of the chamber and organized into a general committee and formed plans for this event.

The idea of the dinner is not to solicit funds as absolutely nothing about money will be mentioned, but merely to bring the citizens of Newberry city and county closer together in order that greater results toward the upbuilding of our community may be accomplished during the year 1922.

Organizations represented at the meeting on Monday and those expected to take part in staging the dinner are: The Newberry chamber of commerce, the Civic league of Newberry, the Newberry Rotary club, the Newberry Kiwanis club, the city of Newberry, the American legion, the Sons of Confederate Veterans, the Calvin Crozier chapter, U. D. C., the Drayton Rutherford chapter, U. D. C., the D. A. R., the Winthrop Daughters and the Women's auxiliary of the American legion.

Dr. J. W. Carson, Chairman

Dr. J. W. Carson, pastor of the A. R. P. church and president of the Newberry Kiwanis club, was unanimously elected as general chairman of the committee on making preparations for the dinner, while other committees appointed were: Program committee, Rev. E. V. Babb, chairman; Dr. J. W. Carson, Executive committee, T. K. Johnston, chairman; L. G. Eskridge, C. P. McDaniel, Mrs. Clara L. Wright, Mrs. F. R. Hunter, E. J. Dickert and Rev. E. V. Babb.

While it is impossible at this time to give any outline of the program for the meeting, it is expected that there will be one out of town speaker and one local speaker and possibly some musical selections. It has not definitely been decided, but it is expected that the dinner will be held in the Legion hall as this hall is the only one in the city large enough to accommodate the large crowd that will attend. The serving of the dinner will in all probability be in charge of the Civic league of Newberry. With these ladies in charge, it is needless to say that a very appetizing menu will be served.

Let every citizen of Newberry remember the date of the dinner and not let anything keep them away, for indeed this is going to be a big time in Newberry and every member of every organization, as well as those who are not members of any organization will be expected to attend.

### CLEMSON VICTOR IN TRACK MEET

Tigers Take Running Events and So Win—Gamecocks Supreme in Field Events

The State, 30.

Clemson won every running event and Carolina every field event in the second annual intercollegiate track meet on Carolina field yesterday afternoon and since there were more running events than field events the meet went to the Tigers, the Gamecocks getting second place. The various team scores stood: Clemson 81 1-2 points; Carolina, 64 points; Wofford, 14 1-2 points and Newberry 2 points.

and their wives were invited to the American Legion hall where dinner was served.

### MARKET CAMPAIGN ENDS IN VICTORY

COOPERATIVE COTTON ASSOCIATION NOW ASSURED

Fine Success Rewards Efforts to Organize Farmers of South Carolina

The State, 2.

Over 400,000 bales of cotton were signed to the cotton cooperative marketing contract by May 1 and the organization of the South Carolina Cotton Growers' Cooperative association is now assured. Announcement to this effect was made last night by Harry G. Kaminer, president of the organization committee, and R. C. Hamer, chairman of the campaign committee. A total of 408,000 bales had been signed by Saturday night, April 29, and reports from over the state indicated that between 10,000 and 15,000 bales were signed yesterday, so that approximately 425,000 bales have now been signed. It will be several days before the tabulation is completed.

Goes Over Top

Announcement that the state had gone over the top caused much jubilation yesterday among the campaign workers and farmers over the state generally. All day long there was a stream of telegrams pouring into the offices of the association here from every section of the state asking the outcome and many called over the long distance telephone.

There was a great deal of interest in the campaign in other states also and many of the telegrams came from North Carolina, Georgia, Texas, Alabama and other states in the belt, which have already either organized or are in the process of organization.

C. O. Moser, secretary of the American Cotton Growers' exchange, the overhead organization of the various state cooperative associations, wired: "Please accept my congratulations. Campaign has been great piece of work. Greetings."

F. R. Shanks, chairman of the campaign committee of the Alabama association, wired: "Congratulate you on your great victory. Alabama sends you greetings."

Dr. Clarence Poe, editor of The Progressive Farmer, wired: "Heartly congratulations on great victory."

Now the terms of the contract have been complied with and the 400,000 bales necessary signed by May 1, it was announced yesterday that opportunity would be given all who desire to join the association to do so during the next three weeks. The belief was expressed yesterday by officials of the association that there would be a heavy balance signed up during the next three weeks.

Harry G. Kaminer, president, said last night that he would call a meeting of the organization committee at an early date to district the state and set the machinery in order for the permanent organization.

Assistance Appreciated

In a statement last night announcing the success of the campaign, Messrs. Kaminer and Hamer said: "There have been so many people who have contributed so greatly to the success of the campaign that we feel it would be unfair to single any one individually. Never have we seen a more faithful band of men than the band who labored in behalf of cooperative marketing. It has been a hard fight, extending over a period of seven months, but not once have the workers faltered. They have every one done their full duty. The business men and the press of the state have rendered wonderful assistance and we are deeply indebted to them."

Dr. W. W. Long, director of the extension forces of Clemson college, who have been actively in the fight since the beginning, expressed gratification at the outcome of the campaign and joined with Messrs. Hamer and Kaminer in thanking all who had assisted in the movement.

The officers of the organization committee of the South Carolina Cot-

### PITCHERS' BATTLE GOES TO LUTHERANS

Furman Defeated, Two to Nothing, Luther Besting McLeod at Newberry

Newberry defeated Furman here Tuesday afternoon by the score of 2 to 0 in the fastest game of the season on the local grounds. The old rivals, Luther and McLeod, engaged in a pitchers' battle but the former had the best of the argument. The Newberry hurler was in great form and was never in danger except in the fourth. The visitors succeeded in getting three men on the bases in that frame as a result of a base on balls and some loose fielding, there being no outs at the time but the big fellow retired the side in great style. McLeod pitched a splendid game but he was a little unsteady at times. There were few fielding features inasmuch as there was little free hitting on the part of both teams. Robinson played the best offensive and defensive game for Newberry, although F. Shealy made a brilliant play in tagging a Furman player out on an attempted steal of second. Drummond played well at first for the visitors.

Score by innings:  
Furman .....000 000 000—0 3 3  
Newberry .....100 010 000—2 4 2

### COURSES OFFERED AT NEWBERRY SUMMER SCHOOL

The second session of the Newberry college summer school will begin on July 10 and continue until August 18. This school is designed to aid teachers, college students, and high school students needing extra credits for admission to college. Courses will be offered in English, mathematics, education, history, Latin, French, German, writing, music, physics, pre-medical chemistry, general science, and agriculture. Besides these, there will be an athletic coaching school conducted by Coach Fred D. MacLean. Full credit on teachers' certificates is given by the state board of education for all courses completed in the school. The expenses are very low. For teachers who expect to teach in Newberry county next year the tuition fee is paid by the county board of education. Lectures on popular subjects will be given by Dr. Geo. B. Cromer, Dr. S. J. Derrick, Supt. E. H. Aull, and others. The members of the faculty and their departments are as follows:

Prof. J. C. Kinard, director, mathematics and science.  
Dr. E. B. Setzler, English.  
Mrs. J. D. Quattlebaum, primary education.

### CITIZENS INVITED TO USE CHAMBER COMMERCE ROOMS

Board of Directors Ask That Reservations Be Made in Advance

Some months ago the board of directors of the Newberry chamber of commerce placed an article in the papers inviting the general public to use the chamber of commerce rooms for various meetings. This invitation was accepted very generally as during the past few months there have been many meetings held in the chamber headquarters for meetings. The board again wishes to invite the citizens to make use of the chamber of commerce headquarters for meetings, but at the same time they state that reservations for meetings will have to be made in advance, due to the fact that during the past few weeks two or three meetings were called to meet at the same time which caused some confusion and possibly some little inconvenience, and in the future all persons wishing to hold meetings in the chamber of commerce rooms are requested to notify the secretary as much in advance as possible. This notification will be a deeply appreciated courtesy as it will prevent confusion, and then it does not take a great deal of time to call the secretary and make arrangements for the meeting in advance. The office of the chamber of commerce is open from 8:00 a. m. until 6 p. m., and either the secretary or assistant secretary will be found in the office during these hours.

It is hoped by the board of directors that no one will misunderstand this article as they feel that this arrangement is best for all concerned and surely any one wishing to use the office for meetings should not object to making reservations in advance.

L. G. Eskridge, President.

### CLEAN-UP CAMPAIGN MAY 15 TO 20

If a study were made of the many interpretations of the United States and of sections thereof that Europeans have made, it would be found, we believe, that not a few of these touring critics base their judgments of the civilization attained by states and towns, so far as externals are indicative, on the state of the houses and outbuildings they saw. Properly painted, they at least indicated thrift and some eye for color values and the rudiments of aesthetics.

What the sensible persistent use of paint will do in country or city can be noted by any automobilist. It adds value to properties when sales are forced or voluntary. It saves wastage otherwise inevitable because of the elements. It enables persons responsible for family standards to come nearer their ideals. It tones up the self-respect of neighborhood, town, city or state.

Some sections of the United States have been rather slow to learn the relation of paint to patriotism and to pride; but taking the country as a whole, it sees this close connection with more certainty than it did a decade ago. The increased production of materials used in making paint is so much greater than usual that it is being credited chiefly to the rapidly developing campaign for community improvement which has for its slogan "Clean-up and Paint-up." So surely and practically does organized effort for civic good register itself in statistics of trade that cannot be impeded by the most skeptical of Philistines!

Let every citizen of Newberry enter into the Clean-up and Paint-up campaign scheduled for our city May 15-20 with a determination to make Newberry the cleanest city in the entire state of South Carolina.

Miss Bernice Stillwell of Mountville and Mr. John H. Boozer of Chapells were married by Rev. A. H. Key at Smyrna parsonage last Saturday.

### GET MANY RETURNS FOR INCOME TAX

THOUSANDS OF CHECKS POUR INTO TREASURY

Monday Last Day to Make Payments Unless Time Extended by Tax Commission

The State, 2.

Income taxpayers flooded the state treasurer with checks yesterday and the tax commission with returns, mail at these two offices being exceptionally heavy throughout the day. Not all the returns were received during the day, however, and many were mailed late in the afternoon that will reach the offices today.

At the state treasurer's office it was said that a check for four cents had been received from one taxpayer. This will probably be the smallest tax to be paid by a South Carolinian. A lot of returns are being received where no tax is due, but the four cents check is the smallest to come in to date.

Yesterday was the last day to make returns unless extensions of time were granted by the tax commission. The commission granted a lot of extensions for short periods and a large number of extensions on one-half of the tax.

Judging by the returns and checks coming in yesterday the new act will bring in considerable revenue, but probably not as much as some of the legislators figured. Senator Sam H. McGhee of Greenwood, promoter of the present law, believed at the time it was passed that it would bring in near \$2,000,000. The free conferences on the general appropriation bill figured the amount somewhere near \$1,000,000 while others give the figure around \$700,000.

The tax commission is working hard to get the new law operating properly and within the next few weeks will have every taxpayer checked up. The commission has the names of all the persons paying the federal government a tax and this will be of much help in enforcing the law.

No figures were available as to the amount of money received yesterday as this was a task that could not be accomplished in one day with thousands and thousands of returns and checks coming in.

Some interesting returns were received during the day. One man sent in his return on a federal blank, declaring that the federal blank was much simpler than the state report.

Another taxpayer sent nothing but a letter in which he swore he paid the federal government so much and owed the state government a certain figure. He said the blank sent him was "too much" for him.

### KU KLUX DENY THEY WILL KIDNAP NEGRO IN CANADA

Atlanta, Ga., May 1.—Officials at headquarters of the Ku Klux Klan here today declared they had no knowledge of any plans being formulated by members of their organization to kidnap Matthew Bullock, the negro wanted at Norfolk, N. C., on murder charges, from Hamilton, Ontario, to bring him back to North Carolina.

Reports from Hamilton stated that Bullock had fled to another country, but his whereabouts was not disclosed.

In the absence of Colonel William J. Simmons, imperial wizard, F. L. Savage, chief of staff, declared the Klan has had nothing to do with the Bullock case and no efforts were being made officially to bring the negro back to the United States.

### WHEELAND SCHOOL TO GIVE PLAY SATURDAY NIGHT

Wheeland graded school will give a play next Saturday night, May 6th, at 7:30 p. m.

The title of the play is "Smokesville's Social," in two acts. The money will go for the benefit of the school so come and enjoy yourself.
