The dime reading at Mr. C. R. Harvin's last Monday was a very enjoyable affair. After the fall of rain the air was rendered delightfully cool and pleasant; and those who assembled were highly entertained.

The music was good, indeed; and the rendition of select pieces very fine. It is an established feature of our town now, and long may it flourish, affording pleasant social intercourse, and at the same time aiding in a noble Junius E. Scott.

A match game of base ball was played on last Friday evening on Capt. D. W. Brailsford's place, be-tween the Santee club, of Orangeburg, and the Panola club, of this County. The game was hotly contested, and resulted in a draw, the score standing 21 to 21. The day was happily spent by all parties. The Panola boys furnished their visiting friends with a bountiful dinner and luscious melons. The Santees returned home rejoicing.
