Last Wednesday would have been the birthday of Edward D. Rhame had he lived to that time, and on that day some kind friends in Atlanta sent his brother, Senator Rhame, some flowers to be placed on his grave.

Mr. L. S. Wing, sawyer for Moses and Harby at their mill on the Central Railroad, while working with an emery wheel on a saw, was painfully and badly lacerated in the face and had his collar bone broken, by the wheel flying off and striking him.

One of the box cars of the local freight train, owing to a defective truck, was thrown from the track, near Wilson's Mill, last Monday, and one end of the car was smashed in. No other damage was done, except to delay the train about four hours.

The attention of our merchants is respectfully called to the fact that spring time has come, the busy season is over, and our young men, many of whom are clerks, would like to have a small part of the afternoon to drill preparatory for the summer military encampment, and for recreation in general. Six o'clock would be a very suitable and pleasant hour to close up the stores.

The new Town Council was sworn in last Thursday, and John S. Wilson, Esq., was elected clerk. The Council determined to elect one white and one colored marshal. There were a number of applications. John C. Harvin (white) and Arod Stukes (colored) were elected. When Mr. Harvin found, however, that the pay was but \$25 a month he declined to accept. The Council met again last Monday, and elected W. T. Hill (white) marshal. Mr. Hill has accepted, and entered upon the discharge of his duties yesterday morning.

Allen J. Bryant, son of John Bryant, was arrested this week, on a charge of stealing from his uncle Benj. R. Bryant. He is said to have broken open a trunk and stolen a watch, a gold pen, and a gold dollar. Allen is about eighteen years of age and one of the worse persons in the county. A short time ago he was shot by his father, and a week or two ago he attempted to beat his father with brass knucks. There are also warrants against him for assault and battery, and for carrying concealed weapons. A year or two ago Allen was arrested and tried in Georgia for forgery, and came near being convicted. The case was tried yesterday before Trial Justice Wilson, and Allen was found guilty and sentenced to twenty days or \$20. His father and uncle regret exceedingly to have to take such severe steps with the young man, but they think it is for the best and for his good. It is hoped this severe lesson will warn him of the errors of his ways.

Mr. J. F. Ingram, who lives in the Privateer Township, had a fine mule, a cow and a pig killed by lightning yesterday afternoon on his place. It is also reported that lower down in that section of the County, a negro boy and his mule was killed and the buggy to which the mule was attached was shattered to pieces by the same agency. —Sumter Watchman April 11th.

The Methodist Meeting.

The religious revival at the Methodist church continues with increased interest. Rev. W. B. Godbey and his assistants, Stafford and Smith, and the boy preachers, do most of the work, seeming to desire very little help from the local ministry. Mr. Godbey has traveled largely over the United States, holding revival meetings in nearly every State in the Union. He preaches with great earnestness, sparing not in the use of strong epithets. He thinks Manning an unusual "tough" place, with a minimum of religion. He says the churches in this place are dead, with a dead religion and but few Christians. According to his idea any one, male or female, who, when the opportunity is offered, refuses or neglects to testify in public to the goodness of Almighty God, is destitute of religion, or, to use his own words, "has only the devil's religion, with the devil's rusty padlock on his mouth, and is bound straight for hell." Mr. Godbey is an enthusiast, and in his great zeal frequently uses language too strong and violent for the facts in the case. And yet in his rough way he tells some plain, unvarnished truths, calculated to hurt the sleeping church member. He has good congregations, and is doing good in the place. The meetings are held morning, afternoon, and night, and will continue till Sunday night. The three evangelists expect to leave for Anderson next Monday morning.

A Distinguished Clergyman's Testimony.

Rev. R. M. Pickens, President of the Methodist Protestant Church of South Carolina, writes from Greenville:

"About four years ago I was attacked with what the physicians pronounced neuralgic rheumatism, accompanied with erysipelas. My appetite failed me entirely, and I had an intermitting pulse and very irregular pulsations of the heart. A terrible pain soon came into my chest and shoulders, and I became so helpless that I could attend to no business at all. The pains were movable, and would sometimes pass from one part of my body to another. Finally the erysipelas broke out on my left hand and arm, and produced much swelling. I was for eighteen months afflicted in this way, and of course used a great many kinds of medicines, but nothing gave me relief. Friends finally persuaded me to try Swift's Specific. I noticed a decided improvement while taking the first bottle. I continued its use until I had taken about one dozen bottles, when I found myself sound and well again, with no sign of disease left except a stiffness in my hand, a result of the erysipelas. While taking the medicine I gained on an average two pounds of flesh per week. I think S. S. a valuable medicine, and I frequently recommend it to my friends."

Woman's Rights in Union County.

[From the Union Times.] I respectfully announce myself a candidate for the office of school commissioner.

I propose to give \$600 worth of school books to the children of the public schools if I am elected. I have the leisure, and shall consider it a conscientious duty to give most of my time and the means which the office affords for the cause of education. I have been teaching in the district public schools for ten years. I have visited a number of State and county normals, and I understand the new and superior systems of graded teaching.

I have read the school law of this State many times, and I believe that I am competent in every respect to manage the business of the office.

In behalf of the many children that have no other means for education I trust the voters will give me the office.

In behalf of the many children growing up in neglect and ignorance, I ask the voters of Union to give me their votes that I may take the school money and educate the children.

I ask their prayers that I may be strengthened to do the work. Most sincerely, ELIZA A. GANZER.
