A new feature which the principals intend adopting in the Academy, and which they hope will be appreciated by pupils and act as an incentive, will be punctuality-a prompt opening, recess, and closing hour, dispensing with the former plan of "keeping in" during recess and after school. A strict record of each pupil's recitations will be taken, and a weekly report sent to parents and guardians. A roll of honor will be kept and a gold medal awarded to the meritorious pupil. The Academy will open on Monday, September 3, with Mrs. Ella C. Alsbrook and S. A. Nettles as
