of Manning, coming to this place lic. about thirty years ago, where he has since been engaged in the practice of his profession or in the drug business.

About six years ago he was appointed to the position of Treasurer of Clarendon county, which position he held to a few weeks ago. He did not solicit this position, and his recommendation had been sent on to the Governor, before he knew anything about it. He was also one of the wardens of this town for several years.

Dr. Huggins was a member of the Methodist church, of which he was a steward and a trustee.

Dr. Huggins was the last of three noble brothers, all of whom in less than two years have died. A sister, Mrs. W. J. T. Harvin, died a little more than two years ago, four of the family thus dying in about two years.

Dr. Huggins was a man loved by all who knew him,—a man pure in purpose, noble in character, honest and charitable in all his dealings. He was a man of whom his enemies, if he had any, could not say that he was ever guilty of a wilful wrong.

Death of Bishop McTyeire. Nashville, February 15.—Holland N. McTyeire, senior Bishop of the Methodist Episcopal Church, South, died this morning at 9 o'clock, at his residence on Vanderbilt University Campus. He was born in Barnwell County, S. C., July 18, 1828. He joined the church in 1837, at Cokesbury School, S. C. He began to preach in 1845, when he joined the Virginia Conference. In May, 1846, the first General Conference of the Church South was held at Petersburg and Mr. McTyeire was sent to Mo-

In Mobile he met the lady who became his wife, a cousin of the lady whom Commodore Vanderbilt afterward married. This was the first link in the chain of causes that gave origin to the great Vanderbilt University. He was stationed at Demopolis, Ala., Columbia, Miss., and then at New Orleans, where he built Felicity the under lip. In 1858 he became editor of the Nashville Christian Advocate and remained in that capacity till February 19, 1865, when he left the city and did not return until 1867. He was elected Bishop in 1866.

It was owing to Bishop McTyeire that Commodore Vanderbilt made the princely gift of \$1,000,000 and William H. Vanderbilt \$500,000 and Cornelius Vanderbilt \$30,000 to Van-

The State senate to day adopted resolutions of sorrow at the death of Bishop McTyeire.

I was the victim of the worst catarrh that I ever heard of. I was entirely deaf in one ear, and all the inside of my nose, including part of the bone, sloughed off. No treatment benefitted me, and physicians said I would never be any better. I took S. S. S. as a last resort, and it has entirely cured me.
