A difficulty occurred at Silver Tuesday night between a white man by the name of Johnson and a negro by the name of Morgan. Johnson is an overseer on Mr. E. P. We direct the attention of our readers to the call for a meeting of the citizens of this town to nominate a ticket for intendand and wardens to govern the town of Manning for the ensuing two years. This is a very important matter, and should not be treated with indifference. Every person that lives in the town ought or should feel an interest in its welfare; therefore every citizen ought to respond to this call, so that all may be represented, and leave no room for persons to say that they had nothing to do with the making up of the ticket, and will not be bound by the nomination. We want to see a good ticket in the field, a set of men who will take hold of the reins of government and conduct its affairs for the advancement of the town. A live council can make a live town. So turn out Friday and nominate a good ticket.

Notes from Wilsons.

EDITOR MANNING TIMES:—You have published in your issue of the 2nd inst. an article (except this) and it is going to be rather a sore to me, but I will say that keeping up with the times, we will say that planting is over, and cotton planting is about begun in earnest. Some of our old planters, who are not so young as they used to be, will say that it is not too late to plant, but I will say that it is too late to plant, and I will say that it is too late to plant.

Resolutions in Memory of Wm. J. Clark.

All men are mortal. Every man, whether he be the strong and mighty or the weak and lowly, is a dependent being, liable to be cut down at any moment and called to his reward.

Whether he be young and in the vigor of manhood, or he may have passed beyond the age of maturity, he is but a borrower of time, subject to the will of God, who is the Divine Ruler of the universe and the most perfect of masters in us all. We, as a nation, have a duty to perform, and we must perfect ourselves in memory by lending obedience to his will and carrying out those mandates which he doth decree; to meet each other on the square of justice and to part on the plane of friendship and love.

That we may be united in our efforts to do honor to those for whom we can vouch, and to revive the memory of those who have been called beyond the portals of that gate where all things are done, and that they be given to the level, and directed by the guiding hand of a true and merciful God.

Now, whereas, we have been called upon to place to ashes the remains of one of our brightest and most respected brothers, Bro. William J. Clark, who departed this life at his home among his loved ones on Wednesday, January 29th A. D. 1889, and A. L. 5890; therefore be it resolved.

That the members of this Lodge have lost one of its best members, one of its brightest masons, and one who was ever willing and ready to advance the order or extend a token of brotherly friendship.

That we may sympathize with his widow, and all those who, by his death, have been left in grief.

That a page in our minute book be inscribed to his memory, that a copy of these resolutions be communicated to his widow and children, and that they be given to the press for publication.

J. H. LESSENE, S. C. C. RICHARDSON, L. L. WILSON, Committee.

Tribute of Respect.

WHEREAS, it has pleased an Allwise God to remove from our Lodge by death our esteemed brother, W. J. Clark, Chancellor of this Lodge; and while we bow in humble submission to the will of our Heavenly Father, and give expression to our heart-felt sorrow at our sad bereavement; therefore be it.

Resolved, that in the death of our brother this Lodge has sustained the loss of one of its most respected members.

Resolved, that a page in the minutes book of this lodge be inscribed to the memory of our deceased brother, and that our charter be draped in mourning for the usual length of time.

Resolved, that a copy of these resolutions be sent to the bereaved widow of our deceased brother, and that they be published in each of the county papers.

S. A. NETTLES, S. WOLFEVER, R. S. CONSON, Committee.

Summerton News.

SUMMERTON, April 7.—A colored boy, son of Jim Palmer, living on Col. Benbow's place, was accidentally shot by his brother, who was out with a gun, on the wide road of bird shot entered the body, and he died the same night. Trial Justice J. B. Mellette held an inquest the next day.

The members of this lodge had quite a large number of members, and some few visiting brethren, District Deputy Grand Master A. N. Freedland was present and conferred the F. C. and M. M. degrees to the satisfaction of all present. Refreshments were served by their committee, and all present did justice to this part of the entertainment.

REMARKABLE RESCUE.

Mrs. Michael Curran, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption, and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking ten bottles, found herself sound and well, and does her own housework and is as well as ever. She has tried bottles of this great discovery at Dinkins & Co.'s drug store, large bottles 50c, and \$1.
