Summerton News. SUMMERTON, Sept. 22.—The weather has been more favorable for gathering the fleecy staple, and a great deal has been harvested

the past week. The lecture delivered by Dr. J. L. Easterling last Friday night was quite a treat to those that were fond of French history. The subject was Napoleon. The Doctor did the subject full justice, and acquitted him-self to the satisfaction of his audience. A shooting scrape occurred up on Jacks

Creek last Friday evening between Mr. Thomas Gardner and two colored boys. It seems that one of the boys interfered with Mr. Gardner while he was weighing cotton for the other hands. He was ordered to desist, but refused to do so. Hot words were passed. In the altercation Mr. Gardner shot Gabriel McDuffie in the leg and Nelson Bracey in the lower part of the abdomen. Both the wounded were getting on very well
