Just arrived at Kalisky's a fine lot of blouses. The Manning Guards will meet next Friday evening at 8 o'clock. Every member is requested to be present at this meeting...

Fischer, of Summertown, applied in open court to Judge Fraser last Monday for naturalization papers, and was Mr. Fischer came to this country from Germany when but a boy, and was under the impression he did not require to be naturalized, but after his nomination by the recent Democratic convention for county commissioner, the matter was looked into, with the above result.

An elegant line of colognes, extracts, toilet soaps, face powders, hair brushes, combs, tooth brushes, and other toilet requisites at Dinkins & Co.'s. Several complaints have been made by our subscribers at Silver of not being able to get their papers regularly. Mr. A. W. Thummes, postmaster, was in town Monday, and says that the fault does not lie with the Silver post office, as he has a man at the depot to meet every mail train, but in the post the freight train, which he was not required to meet, would sometimes bring down the papers, and they would be thrown on the platform, where anybody and everybody would open the package and see what Mr. Thummes tells us that a new order has been issued from headquarters which will correct the evil complained of, and the people will hereafter have their papers delivered regularly.

He was released from jail on a bond of \$2,000. James B. Hurst was shot and killed in Sumter last Saturday afternoon by his brother-in-law Joseph David Chandler. It is alleged that the trouble grew out of Chandler's ill treatment of his wife, who was Hurst's sister. The killing took place near Haysworth & Cooper's law office, and each party fired three or four shots. Pistols were used. Charleston's gala week is the last week in this month. Round trip tickets will be on sale from Oct. 25 to Oct. 31, good to return to Nov. 3. The funeral services took place Monday in the Presbyterian church, after which she was buried in the Manning cemetery. She was a member of the Manning Presbyterian church for over thirty years. She was thrice married. Her first husband was Benj. Hammett; two sons was the result of this marriage. Her second husband was Capt. John M. Witherspoon, by which marriage she had two daughters, one being the wife of Capt. J. J. Conyers, and the other is the widow of the late Dr. G. Allen Huggins. She was married the third time to John Blakey, who pre-deceased her over twenty years ago.

COURT. Court convened here Monday, Judge Fraser on the bench. He briefly charged the grand jury, after which a number of bills were handed that body. Up to Wednesday afternoon the following cases have been tried: Susan Baxter and Henry Solomons, adultery. Not guilty. Allen Sumter, aggravated assault and battery. Guilty. Madison Ballard, assault and battery with intent to kill. Absent, but tried any way and found guilty. The cases of E. P. Briggs and A. C. Briggs for selling liquor without license was continued, owing to the absence of an important witness. Preston Conyers, murder. Not guilty. This case, as far as the prisoner was concerned, was of little interest. It was begun Tuesday and ended to-day. Mr. Conyers's wife accompanied him into the court room, and sat by his side till the jury was empaneled, and then she left the room, accompanied by her husband's uncle. Conyers himself keenly enjoyed everything ridiculous on his trial, laughing heartily, and while very noisy in the room, making up their verdict, his life depending on that very verdict, he sat in the prisoner's dock eating boiled pinders. It was reported that Conyers had beaten his wife, and her uncle, W. E. Morris, was much incensed about it. Meeting Conyers on the road he attacked him, cursing and striking him with a stick. Conyers in self-defense cut him three times with a knife, killing him. Following is the presentment of the grand jury: MANNING, S. C., Oct. 13, 1890. To His Honor, Judge T. B. Fraser:—The grand jury would respectfully make this their last presentment. We have endeavored to the best of our ability to discharge what we conceived to be our duties without fear or favor, and while we may not receive or deserve the welcome plaudits, "well done," of all, we feel the satisfaction of clear consciences. We have acted upon all bills handed us by the solicitor. By recent act of Legislature our county officers made their settlements with the Comptroller General in the presence of our foreman. The books of the treasurer, auditor, and county commissioners were examined and found correct and well kept. A committee of our body has examined during this term of court the regular county offices, and find nothing irregular or deserving our criticism. Since our last report the appropriation for the purpose has been expended in repairing the court room and various county offices, and we are glad to note the improved appearance of them all. We find that the repairs recommended to be done on the county jail are still unattended to. The windows are without shutters, the plastering is broken off the walls, the roof is leaking, and all the living rooms and cells are uncomfortable. The committee sent to inspect the poor house and farm report the houses in miserable condition, though the inmates say they are glad to note the improved appearance of them all. Public roads: The appropriations for the two seasons, to wit, over the north and south parts of Black river, have been (we think) well expended and those seasons are now in excellent condition for which we commend our commissioners, but deplore the bad condition of the other roads and we report them in immediate need of attention. In some places the roads have not been worked in more than a year. All of which is respectfully submitted. W. M. PLOWDEN, Foreman.

Summertown News. Summertown, Oct. 13.—The weather has cleared up, everybody has gone to work, and we don't hear of so much fighting. Everything was as quiet here on Saturday as a clear day in June until the train came in from Sumter with the excursion party of colored people. They looked like a Christmas frolic or a sell supper. While several had more liquor than they could walk under straight, all seemed to be in a good humor, and no one was hurt. We have a dry town here for the benefit of Sumter and other places, but whiskey, but such is life. The entertainment given by the high school last Friday night was quite a pleasant affair. The recitations, dialogues, &c. were well rendered and highly appreciated. Report them in immediate need of attention. Mr. J. E. Bowman deserves great credit for the entertainment in having it so well arranged in such a short time. The net proceeds were about fifty dollars. The Baptist Association convenes here on the 23rd of October instead of the 25th. Summertown's cotton market last week went from 9.40 to 9.50 for middling. There is no better cotton market in the county. c.

The Republican executive committee met in Columbia Saturday, but their proceedings were not made public. Miller, the Radical congressman from the black district, was present at the meeting and paid Judge Hassell a visit at his office during the afternoon. Dr. J. E. Foster, the Republican candidate for congress against G. W. Shell, was also in Columbia Saturday, conferring with the leaders of the Independents. Charleston yesterday has refused Rev. James Woodrow, D. D., admission, on the grounds that his life has become too secularized; that he is editorially in his paper reflected on the honor, sincerity, and veracity of that presbytery, and his declared contempt for some of their members; that he reaffirms his belief in evolution, claiming the right to advocate his belief at any time. Dr. Woodrow will appeal to the State synod.

The Sins of Silver.

SILVER, Oct. 13.—Another most unfortunate difficulty took place at Silver on the evening of the 11th, between William Williams and Albert Hanks, two burly negro fellows, in which both were seriously if not mortally wounded. One of them used a stick, the other a hatchet. The last seen of Williams the doctor had him stretched on his back, dressing his wounds, while Trial Justice Mohoney had Hanks tied with ropes. What does all this mean? where will it end? Rotten whiskey and bad people go together. This is what fills our jails and penitentiaries. The officers of the law are too lenient; they allow too many difficulties settled. It is an open secret that white men buy whiskey from Sumter and Manning, and have negroes peddling it out, yet Silver is to be blamed for every bad deviltry which occurs, while I know to my certain knowledge there is no whiskey sold at Silver. Unless the better class of citizens stamp out this infamy by bringing the lawless before the grand jury, the time will soon come when there will be danger for one to ride the roads. Our first market day for selling cotton was a remarkable success. Cotton brought fair prices, which seemed to give entire satisfaction. On next market day (every Friday) we hope to be more successful. Mr. Zeigler, a partner of Mr. Robo, is now at Silver opening the way for more Texas colts.

RACING WITH WOLVES. Many a thrilling tale has been told by travelers of a man with wolves and dogs of Russia. Sometimes only the picked bones of the hapless traveler are found to tell the tale. In our own country thousands are engaged in a life-and-death race against the wolf of Consumption. The best weapon with which to fight the foe, is Dr. Pierce's Golden Medical Discovery. This renowned remedy has cured myriads of cases when all other medicines and doctors had failed. It is the greatest blood purifier and preparer under the supervision of thoroughly competent pharmacists, and every step in the process of manufacture is carefully watched with a view to securing in Hood's Sarsaparilla the best possible result.

What Duncan Thinks of Haskellism. Maj. D. R. Duncan, of Spartanburg, who was defeated by Capt. Shell for congress in the fourth district, in an interview with a Spartanburg Herald reporter last week in reference to Haskellism, said: "It is exceedingly unwise. These men can only succeed by the use of negro votes, and men who depend on negro support will find themselves in the same position as the men headed by Gov. Orr found themselves in 1868."

THE PUREST AND BEST. Articles known to medical science are used in preparing Hood's Sarsaparilla. Every ingredient is carefully selected, personally examined, and only the best obtained. The medicine is prepared under the supervision of thoroughly competent pharmacists, and every step in the process of manufacture is carefully watched with a view to securing in Hood's Sarsaparilla the best possible result.

Williamsburg's Primary. KINGSBEE, Oct. 10.—The Democratic executive committee met in the court house to-day to tabulate the returns of the second primary. Several precincts for some unknown cause held no election, and the returns from Gourdin's precinct were not sent in. The following is a list of the candidates and the votes they received: For school commissioner, S. J. Snowden 548, Mcb. Graham 409; for treasurer, R. D. Rollins 512, W. P. McGill 479; for county commissioner, J. M. Mathews 533, C. Lesene 565, T. S. Stuart 451, A. J. Brown 512. Total votes 3,991. To allay pains, subdue inflammation, heal foul sores and ulcers the most prompt and satisfactory results are obtained by using that old reliable remedy, Dr. J. H. McLean's Volcanic Oil Liniment.

You can be cheerful and happy only when you are well. If you feel "out of sorts," take Dr. J. H. McLean's Sarsaparilla. When you are constipated, have headache, or loss of appetite, take Dr. J. H. McLean's Sarsaparilla. If you have a painful sense of fatigue, and your duties irksome, take Dr. J. H. McLean's Sarsaparilla. It will brace you up, make you strong and vigorous. Frequently accidents occur in the household which cause burns, cuts, sprains, and bruises; for use in such cases, Dr. J. H. McLean's Volcanic Oil Liniment has for many years been the constant favorite family remedy.

If you suffer from any affection caused by impure blood, such as scrofula, salt rheum, sores, boils, pimples, tetter, ringworm, take Dr. J. H. McLean's Sarsaparilla. To allay pains, subdue inflammation, heal foul sores and ulcers the most prompt and satisfactory results are obtained by using that old reliable remedy, Dr. J. H. McLean's Volcanic Oil Liniment.

You cannot accomplish any work or business unless you feel well. If you feel tired or weak, take Dr. J. H. McLean's Sarsaparilla. It will give you health, strength, and vitality. For weak back, chest pains, use a Dr. J. H. McLean's wonderful healing plaster (porus). If you suffer from pricking pains on moving the eyes, or cannot bear bright light, or find your sight weak and failing, you should promptly use Dr. J. H. McLean's strengthening eye salve. 25 cents a box. That sour-tempered, cross, dyspeptic individual, should take Dr. J. H. McLean's Sarsaparilla! It will make him feel as well as hearty as the healthiest of us. He needs bracing up, vitalizing, that is all.

Accidents do happen. An accident policy costs very little. S. A. Nettles, Agent. Haskellism in Williamsburg. A few Haskellites met yesterday in Kings-tree and after adopting a long paper endorsing Haskell and independence, and introduced by Mr. T. M. Gilland, who two years ago was defeated for solicitor of the third circuit, and after endorsing or recommending Mr. Gilland as a candidate for congress against Col. Stackhouse, they capped the climax by nominating an independent county ticket, as follows: For state senator, Col. James McCutchen; house of representatives, W. C. Wilson, M. A. Thomas, and Dr. E. W. Wallace; probate judge, M. R. Levin; school commissioner, S. Mcb. Scott; county commissioners, B. S. Smith, A. T. Rodgers, and W. E. Nesmith.
