Last Year's Reform Bears Good Fruit. Prior to the election of the present ad- caused by the printer omitting the ministration it was claimed that the affairs of State were being managed as economically as possible; that there was no room for Christmas gifts. ing the farmers, but they would find out after his election that no improvement could be made; that Tillman was too rash own handiwork. for Christmas presfor improvement; that Tillman was deludfor such a responsible office and would doubtless ruin the State if made its gover- ents. nor, etc., etc. Under such circumstances, the reports of the State officers were quite naturally anxiously looked for. Those journals that aided so materially in placing riety of styles than ever. Among the them in power confidently predicted that newest and most convenient holders when the reports were published, it would are those that may be suspended and are those that may be suspended, and be found that a great deal for the benefit of the State had been accomplished. The may also be folded to the size of one reports have not, as yet, been given to the public in their entirety, but enough data has been furnished to show that the predictions of the friends of the administration have been verified, and that the improvements extend all along the line.

ments extend all along the line. From an abstract furnished the Compeleight inches wide; also cut twelve very interesting figures and comparisons are presented, as follows: Cash balance on hand October 31, 1890, \$77,943.93; outstanding warrants, \$41,802.82; net cash balance, \$36,141.11; borrowed money and interest, \$50,500; overdrawn on bank, \$22,800; due by State on October 31, 1890, \$73,300; less cash balance, \$36,141.11; leaving \$37,158.89; cash on hand October 31, 1891, \$64,615.02; play a photograph effectively should troller-General by the State Treasurer some pieces of ordinary pasteboard or, betcash balance, \$36,141.11; leaving \$37,158.89; square opening large enough to discash on hand October 31, 1891, \$64,615.02; outstanding warrants, \$14,250.83; balance in treasury, \$50,364.19; add balance paid from 1890, \$37,158.89; leaving a total of \$87,523.08 in favor of the present administration. The old administration had to be used, cover the pasters of the control of the present administration. tration. The old administration had to boards, edges and all with white paborrow thousands of dollars and pay interper; but this is not necessary when est on the same, as shown by these statistics; cloth is chosen. Glue the six plain the present administration did no borrow-This is a most remarkable showing pieces of board on the long strip of for the reformers, but this is a "record-material, arranging them a little over breaking" year.

It pays for the people to smash rings and put in office men who consult their condition of the people to smash rings and glueing them only where the matterial is folded over the board. Use

tion and carry on the affairs of the govern-terial is folded over the board. Use ment with proper economy.

As their records now stand every one of placed the strip under weights to dry, the present faithful and efficient State officers merit a unanimous renomination proceed to cover the other six pieces, as the nominees of the Democratic party.

They have not had plain sailing in disshould be well stretched when put on showing the driving of their supportions. charging the duties of their respective offices. The highest type of grit, wisdom, patience, and perseverance was exercised by them. The fight against them did not end with their induction into office as has been with their induction. The respective of the material across each hinge, turnthe case heretofore. That so-called intelli-gent minority that bolted the State Demo-the six front boards against the back cratic Convention and in the habiliments of Independentism coquetted with the negroes in a desperate attempt to defeat the nominees of the Democracy of this State and choice of its white citizens, has been relentless in its warfare, and what has been done was accomplished in spite of them. done was accomplished in spite of them. | middle of the top for hanging.

No one doubts that Dr. Sage's Catarrh Kemedy really cures Catarrh, whether the disease be recent or of long standing, because the makers of it clinch their faith in it with a \$500 guarantee, which isn't a mere newspaper guarantee, but "on call" in a newspaper guarantee, but "on call" i that its makers can't cure you. The reason for this purpose may be purchased of for their faith is this: Dr. Sage's remedy any dealer in Japanese goods for a has proved itself the right cure for ninetynine out of one hundred cases of Catarrh in the Head, and the World's Dispensary Medical Association can afford to take the half of number nine ribbon is required half of number nine ribbon. risk of you being the one hundredth.

to make the ruche. Cut out one edge rim of the basket to form a flossy get something better-a cure!

The use of Ayer's Sarsaparilla purifies the ruche on the edge. Nile-green or The use of Ayer's Sarsaparilla purines the blood, stimulates the secretions, and imparts turquoise-blue ribbon will be very new life and vigor to every function of the effective on a silver basket, and gold body. For nearly half a century, it has remained unrivaled as the best blood medicine ever discovered. Be convinced by a trial. pleasing combination.

Abolish the Office of County School uses to which cases of this kind may be put renders them particularly de-Commissioner.

chool Commissioners Weber and Porcher sirable for gifts. They may be devotpectively, were engaged in a consultation ed with equal propriety to jewelry, yesterday in reference to school matters relating to their respective counties. They both expressed themselves as greatly pleased with the annual report of Superintendent of Education Mayfield as published in various pieces of glass required, and The News and Courier. They agree that it is the best and clearest report of the educational interests of the State that has been this way a more accurate result will made for many years.

made for many years.
One recommendation, or perhaps better called a suggestion, especially commend- for jewelry, make it triangular in was the reference to the shape, cutting but two patterns-one office of school commissioner. They are of for the top and bottom and one for the opinion that the office could be abolished, sare expense, but would result in good for the school service. The county auditor could easily examine and approve the claims of the teachers and others against the school funds. That is about all the great majority of school commissioners do and in fact that its abolition would not only great majority of school commissioners do. cutting, smooth them with sandpaper; If the office were abolished the State Superand then bind them with inch-wide intendent of Education should be given an ribbon, being careful to make the ribassistant in each Congressional district, whose duty it would be to visit and inspect schools and to work up popular interest in educational matters. The assistants should educational matters. be appointed by the Governor on the reing over and over at the corners, this commendations of the State board of commendations of the State board of joining being quite sufficient to hold examiners and be given a good salary. The joining being quite sufficient to hold Legislature should look into the matter at the box in shape; and hide the stitchthe coming session .- News and Courier.

WITHOUT KNIFE OR FIRE. Mr. S. E. Carmichael, a prominent citizen of Henrietta, Texas, to serve as a leg. If the case is dewrites: "I wish to tell you what signed for jewelry, a tiny pad should Several years ago there appeared a be made of sheet wadding and covered splotch on the corner of her nose with silk the color of the ribbon on which gradually increased in size, and the outside, the cover being tacked became quite painful; on washing her together at intervals in quilt fashion, face it would frequently bleed. The and the tackings concealed with tiny doctors called it cancer, and advised ribbon bows. Pretty results may be that it be removed by the knife or produced with pale-gren, pale-yellow, burning, stating that it never would pink, or blue ribbon. do to neglect it. My wife refused to SCRIM BUREAU COVER.—Nothing will have it cut or burned, but at the same prove more acceptable to a busy time it continued to grow worse. After a time she commenced taking for her room. A scrim cover is usual-S. S. S., which effected an entire cure. ly laid over heavy cotton flannel, which She used a half dozen small sized gives it body and prevents the wood bottles. We both think there is no showing through. Along the sides and medicine in the world that will equal ends of the cover threads are drawn Swift's Specific, and we would like for to permit the insertion of narrow riball sufferers to know the benefit she bon, the ends of which may be folded has received from it."
