THE MANNING TIMES.
Manning, S. C.
LOUIS APPELT, Editor.
Wednesday, August 1, 1894.

Ellerbe's chances for Governor are growing beautifully less, while Tin-dal is gaining ground every day.

We cannot understand why it is that the Columbia Register was the first to advocate the Colleton plan, and now on the eve of putting the plan into execution it cries out against it.

There is considerable difference of opinion on the question of whether the Governor made a mistake in reopening the dispensaries. Nevertheless the action of the Governor will be sustained by the people.

set of delegates who will send men to Columbia to vote for James E. Tin-

LUCAS COUNTY.

## John L. McLaurin.

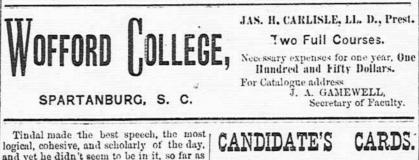

The National Watchman, published at Alexandria, Va., especially devoted to Alliance and financial subjects, and whose editor is one of the acknowledged financial authorities of the United States, it. giving its opinion of the

"John Loundes McLaurin, of Marlhoro county, was born at Red Bluff, that county, May 9, 1860; was educated at the village school of Bennettsville, Bethel Military Acad-emy, near Warrenton, Va., and Swarthmore College, Philadelphia, Carolina Military Institute, and University of Virginia; studied law at the last named school and was admitted to the bar in 1882; in 1890 was elected to the General Assembly of South Carol

wote for your choice for Governor and the delegates to the County Reform Convention. If you find a Reform convention. If you find a Reform that don't read the papers tell him about the meeting and show him the importance of his presence.
We cannot understand why it is that the friends of Ellerbe want the file state, and had received it as the oppin on of the attem in collision with the law and the friends of Ellerbe want the file state, and had received it as the oppin on of the test and that the law mas imposed and the observed the test and had the construction of the state, and had received it as the oppin on of the test and the test and had to be stated on the law mas imposed and the oppin on the Antis before the part that for the August Convention when Mi. Ellerbe to the state and had to be stated on the law mas imposed and the state, and had received it as the oppin on of the constitutionality. The supreme contribution of the state, and had received it as the oppin on of the constitution of the state of a governance in antifections required to the state of the following of sort Caro-time with the law mas imposed had the state and had received it as the oppin on of the attempt of the state of the following description of the antifections required to the state of the law mas intro collision with the law mas imposed had the state of the following description of the state of the law mas introduction of the attempt of the state of the following description o with any and all who are honestly, through legitimate means, trying to better the con-ditions of the great plain people. In this Mr. McLaurin is far in advance of any other member from his State and section.

member from his state and section. "While he is a lawyer (and a good one, too), which prevents him from joining the Alliance, yet he is one of the strongest defenders that organization has ever had in Con-gress. Mr. McLaurin has introduced three bills that have brought him national reputa-tion: To issue \$125,000,000 legal-tender paper money in place of issuing bonds to buy consummation. The intense bitter political tion: To issue \$125,000,000 legal-tender paper money in place of issuing bonds to buy feeling that is prevailing is producing an gold; to admit cotton manufactures free if the raw material was admitted free; or, as he puts it, 'let us have free shirts if we have free cotton;' and the last, to relieve the clear-ing-houses of the South that issued certificates during the panic from the 10 per cent. tax. He made excellent speeches in defense of all three of those bills that have had a

duced?" "I have received no instructions to that effect. In one of his speeches John Evans said there would be a reduction after awhile. I don't know where he got his information; but I think, too, the price will be re-duced some, as there is a popular de-mand for it." Antagonism is nsurping brothely love and a state of anarchy apparently approaching. Figuratively speaking the political sky momentous then it is to be scruphlously where he got his information; but I think, too, the price will be re-duced some, as there is a popular de-mand for it." Antagonism is nsurping brothely love and a state of anarchy approaching. Figuratively speaking the political sky portends a revolution is brewing. How momentous then it is to be scruphlously cantious in selecting men to assume the reins of the State administration. Consist-ent with the above sontiment, I am inclined to voice my choice of the State canvassers Sonth Carolina can well feel proad of such a promising to more states and the state take. He made excellent speeches in defense of all three of the state have had a wide circulation. "In fact, he is the Tom Watson of South Carolina—intelligent, fearless, and true; a most companionable and genial gentleman, as well as a true and trusty friend. By and by, when party prejudice and partisan narrowness give place to broad, generons, and taken in their behalf, and appreciate the courage necessary to back up such a position. South Carolina can well feel proad of such a promising to source states and a position. most companionable and genial gentleman, as well as a true and trusty friend. By and by, when party prejudice and partisan narrowness give place to broad, generons, and comprehensive views of national economics, the people will recognize the stand he has to voice my choice of the State canvassers South Carolina can well feel proad of such a promising young statesman, and who I believe would be most suitable to see to it that he is kept in the place where he can serve her interests best."
