A HAPPY MARRIAGE.

Bride in Cream—Groom in Clover.

The marriage of Miss Nona A. Harvin, of this town, and Doctor D. D. Salley, of Edisto, took place last Thursday evening in the parlor of the bride's parents. The ceremony was to have taken place in the Presbyterian church, but on account of a recent affliction in the family the affair was made as nearly private as could be. Rev. James McDowell performed the service in the presence of relatives and a few special friends.

The bride was attired in cream albatross and the pin used to hold her wreath of orange blossoms was the same that was used on the occasion of her mother and grandmother's marriages. The happy pair received a number of handsome presents.

Dr. and Mrs. Salley left last Monday to visit relatives in Hamburg county, where they will leave for Edisto, their future home.

The bride is very popular here, having been active in church work as well as matters of society, and up to a short time ago one of the teachers in the Collegiate Institute where she endeared herself to the children. The groom was principal of the Institute at one time, and he, too, had many friends here.

The editor of the Times kindly returns thanks for a nice plate of delicious cake.
