## PATRIOTS SNUB PANDO

Insurgents to Accept Nothing Short of Independence.

THE PEACE PLANS FALL THROUGH

Cubans Refuse to Accept Offers Made Them by the Spanish General, and the War Will Now Continue-Rebels Expect the Coming Session of Congress to Take Some Action Looking to Their Relief.

HAVANA, via KEY WEST, Nov. 22.from this city on Saturday last in order, | facturer's prices. according to official announcement, to take charge of the campaign against the insurgents. He was accompanied by his full staff and was escorted by a company of artillery. But it is stated on very good authority that General Pande | 500 boxes paper, 5c. has been commissioned by Marshal 300 boxes, regular price 15c., Se leaders with the view of arranging for

This statement is based on accurate knowledge of all the facts in the case. General Pando did not leave this city until he had taken steps calculated to further the object which Marshal Blanco has in view. General Pando. after a consultation with the captain general, first brought about the release 500 Zip pencil tablets, 250 leaves, 4c. from confinement of Damian Caballero. 100 Irish linen tablets, note size, Sc. who has been imprisoned on the Isle of 100 Irish linen tablets, letter siz., 9c. Pines for some time past, for, it is al- 144 composition books, stiff board cover, 4c. leged, acting as a spy for the insurgents 100 composition books, paper cover, 2c. and bringing about a disaster of the Spanish troops as Cacao, province of 144 boxes crayon, assorted colors, 7 in box, Santiago de Cuba

General Pando furnished Caballero, who is the godfather of Rabi, looked upon as being the backbone of the insurgent movement in the province of Santiago de Cuba, with a considerable sum of money and caused him to be landed at Manzanillo, province of Santiago de Cuba, where a good horse was placed at his disposal. General Pando's peace emissary was also furnished official documents empowering him to act for the Spanish commander, and from Manzanillo Caballero made his way se-cretly to the Jiguani hills, where General Rabi has his headquarters.

Big Sums of Money Offered.

General Pando instructed Caballero to offer General Rabi a high rank in the Spanish army and a large sum of money to be distributed among the other insurgent leaders of that part of Cuba and in addition a large amount of money for himself, in the event of his succeeding in arranging terms of peace. Be sides this, Caballero was instructed to inform the insurgent leaders that the Spanish authorities undertook to houestiy establish the new autonomist regime if the leaders of the insurgents would accept the propositions made

Although Caballero has not returned from Santiago de Cuba, confidential advices which have reached the Spanish officials here seem to indicate that Caballero has so far been unsuccessful. It is understood that General Rabi has replied that he believes a successful ending of the war in favor of the insurgents is approaching; that the Cubans, with the aid of the United States, will gain their independences, and that, therefore, he prefers to continue fighting the Spaniards until the final victory is won.

insurgents. There seems to be no inti mation as to the result of the Caballero's negotiation with General Duvalen, al though it may be judged from the attitude assumed by General Rabi that the peace negotiations are likely to fall flat in Santiago de Cuba.

More Irons in the Fire.

General Pando, meanwhile, acting in conjunction with Marshal Blanco, has put other irons in the fire in the hope of prevailing upon the insurgents to come to terms. He has been and is still in negotiation with three leaders of the Cuban revolution and has been endeavoring to induce them to go to different distant camps, there to use their influence to bring about peace, on the promise of Cuba being accorded a really autonomous form of government. These three men were also offered money for themselves and were to have been furnished with large sums of money to distribute among their friends. But it is understood they have refused to become agents of General Pando, alleging as their excuses that they have no influence with the insurgent leaders of the principal rebel territories and that they would be risking their lives should they venture into the insurgent camp. In some quarters it is believed that

the reluctance to accept the overtures of General Pando is due to the fact that the insurgents are anticipating some strong steps in their favor when the United States congress meets. It is generally admitted that General Pando is somewhat mortified with the nonsuccess of his plans up to the present.

CUBANS NEAR THE CAPITAL. Insurgents Attack Havana Outposts, but

Are Driven Back. New York, Nov. 22 .- A party of in-

surgents attacked the Spanish outposts of Havana and a sharp engagement followed, says the Havana correspondent of The Herald. The sounds of firing caused great excitement in Havana, as it is known that large rebel forces are quartered near the city. Details of the engagement are not known, but it is said that the insurgents destroyed much property before sufficient Spanish forces were concentrated to drive them away

The loss in killed or wounded is not known, as officials refuse to give out any information beyond the bare statement that a party of six insurgents just outside of Carabanas were driven away. The rebels, it is officially reported, took two horses and one rifle which they had

Carl Johnson Passes Away.

DENVER, Nov. 22.-Carl N. Johnson, superintendent of the noted Geyser Mining company of Boston, which has expended \$2,000.000 in developing a property at Silver Cliff, Colo., is dead, aged 63 years. The Silver Cliff shaft is the deepest in Colorado, and at 1,200 feet is just coming into the rich or a body which Mr. Johnson was confident existed at a great depth.

A Suit Against the Central.

SAVANNAH, Nov. 22.-James Foley of Savannah is suing the Central Railroad of Georgia for \$5,000 damages in the city court. Foley bought a scalper's ticket from Atlanta to Savannah and was put off the train. The ticket was issued by the Chicago and Eastern Illi-nois railroad from Chicago to Jacksonville, and the return ticket was unsigned by the purchaser, but was witnessed by a Chicago agent and Foley supplied his name as purchaser.

Bullets For Two Brothers

MOULTRIE, Ga., Nov. 22.-Neil Sinclair shot and instantly killed Robert Register and wounded his brother Linton, at a party 3 miles from here. It seems that the Registers were attacking Sinclair with knives when he snot. All are young men of prominent families. Sinclair has not yet been arrested.

SAVANNAH, Nov. 23. - The United States torbedo boat "Porter" has arrived in this harbor to arrange for a visit of the Ericsson, Cushing and Dupont here during the latter part of this week. The "Porter" reached here from Pore Soyal in three hours.
