Santa Claus

Has made arrangements to have his headquarters at W. E. Jenkinson's great Dry Goods Store. He will have everything to please the little folks— Dolls, Toys, Fire Crackers, Candies and everything nice. During the month of December we expect to offer some bargains in some lines that were never before heard of by the people of Clarendon County. We so well satisfied and have so much confidence in it that we have placed a good dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such a character that he deserved dence in it that we have placed a good people of such as the such as yard.
