will save you 25 cents on every dollar's worth of goods you buy from me. You know very well that you cannot afford to pay high prices for your goods at the present price of cotton, and if I will save you 25 per cent., I think you should give me a part of your trade.

I am just from New York, Baltimore and Boston and have selected my stock myself. This is not like buying from drummers, for you know if you send to town for anything, this is not like going yourself. If you go you can get what 00 you want. So that is the way in buying from drummers ; they will send you what they want to. not what you want.

I selected my stock myself and they are all new goods of the latest styles. They have not been in stock for three or four years. but direct from the factory.

They are not like some of our competitors say, old stock or bankrupt stock. When you hear a A visit to our store will be of interest to you and will show you that man say anything like that, he wants some bankrupt stock or has some old goods about ten years old that he would like to put off on you, and you had better watch him or he will fool you. This certainly is the way of it or he would not think of such a thing. Don't believe them. We buy our goods direct, pay cash and get all the discounts, and sell them cheaper, yes, 25 per cent, cheaper.

Watch this space next week and we will give you prices that will make you think the New York Racket is the cheapest store in the world.
