A rather exciting affair occurred last Satnrday night on our streets. A colored man by the name of Richmond Belser had been disorderly at his house to the annoyance of his neighbors, and the matter was reported to the police. Later the fellow came down town and was arrested by Policeman Clark. Belser went along quietly and when they reached the guardhouse, while the policeman was preparing to unlock the door Belser broke and ran, retusing to stop when ordered and was fast making his escape. The policeman opened fire upon him and shot five times, two of the shots taking effect; one ball entered the shoulder and the other a thigh. Belser was not seriously hurt, as he was limping the street last Monday.
