There is every evidence of a good fall trade in Manning this fall. Winter seed rye for sale by R. B. Loryea, the druggist. Died yesterday, Sallie May, the 8-year-old daughter of Mr. and Mrs. J. W. Mims. Mr. W. B. Wilson, manager of the Carolina Grocery Company, is in town today. Just received, Pearl Onion Sets. R. B. Loryea, the druggist. Miss Marie Hedge, daughter of Mr. T. T. Hedge of the York, left yesterday for Birmingham, Ala. If you have weak eyes and need glasses, go to Brockinton's drug store. Messrs. J. Fred Lanham and Frank Harvin, son of Capt. R. B. Harvin, of Summerton, left for Clemson College on Tuesday, 13th inst. A fresh supply of Tenney's peanut brittle. R. B. Loryea, the druggist. Kendall is to have a military opening tomorrow and Friday and expect his store will be crowded with those who love to look at pretty things. New crop Turnip Seed, all varieties. R. B. Loryea, the druggist. Mr. J. B. Hudson returned to St. Paul last Monday. He has been at home some time suffering with a sore eye, but has sufficiently recovered to resume work again. Brockinton has a full line of spectacles, and can fit young or old eyes. Try him. Those merchants who are buying seed cotton without a license are violating the law, and they should not do so. Complaints are coming in every day about this matter and those who pay the license will see that the others are prosecuted. Everybody likes good perfumery. Dr. Brockinton has a full supply of all kinds and can please you. Married at Hendersonville, N. C., last Thursday, Mr. C. C. Fishburne and Miss Alma Ingram, a daughter of the late John C. Ingram. The couple, after receiving the congratulations from friends, left for Asheville, where they will spend some time before returning to their home in Sumter. Beautiful line of box paper and envelopes, latest styles, lowest prices. R. B. Loryea, the druggist. In this issue will be seen the familiar name of D. J. Chandler of Sumter, the clothing merchant, and it is with much pleasure that we call attention to his advertisement. Mr. Chandler is known to our readers, and it would be a waste of words for us to give him a special eulogy. He does not do any puffing business himself, but makes his goods tell the tale and wherever he makes a sale he makes a customer. Chandler always keeps good, fresh goods and his guarantee means all that he represents. When in Sumter do not fail to visit D. J. Chandler, sign of the big hat. For Rent—Four-room cottage, \$5; Nettie house, 8 rooms, \$15. Apply Mrs. E. C. Albrook. A very shocking accident happened last Friday afternoon to Mr. J. C. Johnson, at his home, about three miles west of Manning. Mr. Johnson was engaged in ginning cotton and by some means his hand was caught and the revolutions of the machinery drew his arm in and mangled it to such an extent that it had to be amputated about 3 inches above the right elbow. Drs. Geiger and Dickson were the surgeons that performed this delicate operation. Mr. Johnson in his severe affliction has the sympathy of all of his acquaintances and they wish for him a speedy recovery. Pay your town taxes. Office open after 2 o'clock at Loryea's drug store. E. J. Brown, Clerk and Treas. Some men are never satisfied unless they have something to be dissatisfied with. The Manning Academy will open Monday, October 3. Tuition, \$1, \$2, \$3 and 4. English, Latin, French, music and art taught. E. C. AUSUBOOK. Many a young man finds it easy to get a wheel, but hard to ride it out of debt. When you call for DeWitt's Witch Hazel Salve, the great pile cure, don't accept anything else. Don't be talked into accepting a substitute for piles, for sores, for burns. R. B. Loryea, Manning; L. W. Nettles, Foreston; H. L. Wilson, Jordan. When a young man becomes wise he is generally the first to discover his wisdom. A stubborn cough or tickling in the throat yields to One Minute Cough Cure. Harmless in effect, reaches the right spot, reliable and just what is wanted. R. B. Loryea, Manning; L. W. Nettles, Foreston; H. L. Wilson, Jordan. It is queer how many kinsmen the great and affluent have and how few have those who walk the back streets of life. Dr. Jay Gam of Wilson, Ind. Ter., says: "I have distributed the sample pills you sent, and such a run was made for Ramon's Liver Pills & Tonic Pellets that my stock was depleted in a day or two. They are certainly a revolution in the pill business, and people are wild in praise of their action. I want to keep them in stock so long as you keep them up to their present excellency." For sale by Dr. W. M. Brockinton, Manning, S. C. When a man is brainless there's always room at the top.

Kendall, the Racket Man. Whenever any of our mercantile establishments show any appreciable amount of enterprise we see it in the Manning Times. The word to say about it. The New York Racket store has not only moved into its handsome yellow front new store, but the proprietor, Mr. C. W. Kendall, with all the mercantile tact and industry, has given to Manning and to this county a bazaar where the trading public can have their wants supplied with the knowledge that Kendall is a man who counts competition. Everybody knows the fact that Kendall is a cut-throat merchant and his career in this town has been remarkable; coming here a stranger he has, by judicious advertising, built up a business that others have not reached in a quarter of a century. Kendall advertises as a matter of business and not as a matter of accommodation to the newspaper. His business instincts have directed him to learn that the easiest way to the people's purses is through the county paper, his character spends his money in printer's ink and keeps up with the promises he makes. It is not necessary for us to mention the stock kept at the New York Racket, only to state that it is the finest ever seen and his salesmen, Misses Ingram, Avant and Harvin will be delighted to serve their best of friends. In passing through this well stocked store the attention is drawn to the floor and where a cleanly appointed parlor in charge of Miss Gertrude, an expert milliner from Baltimore, is engaged trimming ladies' hats. There was a time when it sent a cold chill down a husband's back to see his wife or daughter go into a milliner's establishment, because it meant a heavy bill of extravagant prices, but that is a thing of the past. A lady can go into Kendall's and Miss Gertrude can furnish her with millinery and in the latest styles for so much less than elsewhere that when the bill is sent in, the husband and father instinctively goes down into his jeans, pays it quick to prevent some mistake from being rung in on him. We are surprised visiting Kendall's will imagine themselves in a large city department store and they will wonder how goods can be sold at such prices. When you come to Manning do not fail to visit the New York Racket store with the yellow front.

Yellow Jaundice Cured. Suffering humanity should be supplied with every means possible for its relief. It is with pleasure we publish the following: "This is to certify that I was a terrible sufferer from yellow jaundice for over six months, and was treated by some of the best physicians in our city and all to no avail. Dr. Bell, our druggist, recommended Electric Bitters, and after taking two bottles I was entirely cured. I now take great pleasure in recommending them to any person suffering from this terrible malady. I am gratefully yours, M. A. Hogarty, Lexington, Ky." Sold by R. B. Loryea, druggist.

Pinewood Dots. Pinewood, S. C., Sept. 19, 1898. Charlie Lide, the bright popular little miles from here, died last week. The little fellow's sickness was a peculiarly painful one, extending through three weeks, when finally death relieved him of his suffering. He was one of the brightest lads in our neighborhood, and was a general favorite. Only one year ago his mother was buried. The interment took place at Calvary church, the Rev. Mr. Connors officiating. Rev. A. B. Watson, pastor of the Methodist church at this place, began a revival service on Sunday evening which will continue during the ensuing week. The service will terminate on Nov. 1, at which time he will be assisted by the Rev. Thomas Leitch, who was here for several weeks about one year ago conducting a revival meeting. The new Methodist church which has been completed several months will be ready for use as soon as the pews arrive. The factory has disappointed the trustees several times as to shipment. The latest intelligence concerning them is that they will arrive about the 15th of October. Mrs. H. B. Richardson, accompanied by her beautiful daughter, Miss Susan, is on a visit of a month's duration to her relative, Miss Cox, in Philadelphia. Miss Noddie Richardson of Panola is visiting relatives in this neighborhood. R. B. Loryea, druggist.

Valuable to Women. Especially valuable to women is Brown's Iron Bitters. Backache, vanishes, headache disappears, strength takes the place of weakness, and the glow of health readily comes to the pallid cheek when this wonderful remedy is taken. For sickly children or overworked men it has no equal. No home should be without this famous remedy. Brown's Iron Bitters is sold by all dealers.

A Clarendon Boy. Before us is the Baptist Argus, published at Louisville, Ky., containing a good picture of Rev. H. D. Mahoney and the following sketch: "Richard B. Mahoney was born in Clarendon county, S. C., March 12, 1857; is an alumnus of Furman University, and after a course in the Seminary was ordained at Middleburg, Ky., in the spring of 1882. He has served as pastor Millersburg and Newport churches in Kentucky, and Columbia church, Tennessee. He now resides at Stanford and preaches to strong and efficient churches near that place. He comes from one of the oldest South Carolina families. His father began early in life to serve as pastor of a church in that State and continued as pastor without interruption until he died ripe with years. The church buried his body just back of his pulpit. For a time his health was not good, but now his friends rejoice in the complete restoration of strength and vigor. The Bates Creek Association at its last meeting in Stanford elected him moderator, which office he filled with decided success."

From Sardinia. Sardinia, S. C., Sept. 17, 1898. Editor THE TIMES: Receive our congratulations on your election. We are delighted to have our candidate, Dr. L. M. Woods, counted in this time; you will be sure to hear from him at the right time. The ladies of Sardinia will soon give a festival to help finish the Sardinia Academy. All who love to help in a benevolent cause, come.

Truth wears well. People have learned that DeWitt's Little Early Risers are reliable little pills for the bowels, cure constipation and sick headache. They don't gripe. R. B. Loryea, Manning; L. W. Nettles, Foreston; H. L. Wilson, Jordan.

To my friends: I take this method to convey to you my thanks for your votes in the past Primary Elections, and my high appreciation of your confidence and the honor you have conferred upon me in selecting me—with two other honorable gentlemen to represent Clarendon County in the next Legislature. I will endeavor to faithfully serve all the people to the best of my ability and will ever hold in grateful remembrance the kind and confiding actions of my voter friends. Geo. R. Jones.

DeWitt's Witch Hazel Salve has the largest sale of any salve in the world. This fact and its merit has led dishonest people to attempt to counterfeit it. Look out for the man who attempts to deceive you when you call for DeWitt's Witch Hazel Salve, the great pile cure. R. B. Loryea, Manning; L. W. Nettles, Foreston; H. L. Wilson, Jordan.

An angry man opens his mouth and shuts his eyes. A CRITICAL TIME During the Battle of Santiago. SICK OR WELL, A RUSH NIGHT AND DAY. The Packers at the Battle of Santiago de Cuba were all Heroes—Their Heroic Efforts in Getting Ammunition and Rations to the Front Saved the Day. P. E. Butler, of pack-train No. 3, writing from Santiago, de Cuba, on July 23d, says: "We had disturbances of no more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health in fact. I sincerely believe that as one critical time this medicine was the indirect savior of our army; for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrade and myself had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I know in four cases it absolutely saved life. The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by R. B. Loryea, the druggist.

The constant drop of the water. Wears away the hardest stone; The constant gnaw of Towser Vanguishes the largest bone; The constant cooling lover Carries off the blushing maid, And the constant advertiser Is the one who gets the trade. —Exchange.

A Cure for Constipation. I was troubled with constipation for several years, and frequently went for nine days without my bowels moving. I spent several dollars for the cure of some, but without success. This last winter a salesman insisted on the buying some Ramon's Liver Pills and Tonic Pellets, remarking that they were the "best on earth." I bought a dozen, but purchased one and used three boxes and am now enjoying the best of health. I recommend them to my customers and the result is I have sold six dozen boxes already.—M. J. Browning, druggist, Germantown, Ky. For sale by Dr. W. M. Brockinton, Manning, S. C.

If a woman can get a voter she does not care anything about a vote. CASTORIA. The Kind You Have Always Bought. If bootjacks were bouquets a cat's life would be strewn with roses. You invite disappointment when you experiment. DeWitt's Little Early Risers are pleasant, easy, thorough little pills. They cure constipation and sick headache just as sure as you take them. R. B. Loryea, Manning; L. W. Nettles, Foreston; H. L. Wilson, Jordan.

The man who makes revelations must first make observations. More than twenty million free samples of DeWitt's Witch Hazel Salve have been distributed by the manufacturers. AN OPEN LETTER TO MOTHERS. WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK. I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "CASTORIA," the same that has borne and does now bear the fac-simile signature of Chas. H. Pitcher wrapper. This is the original "CASTORIA" which has been used in the homes of the Mothers of America for over thirty years. LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought and has the signature of Chas. H. Pitcher wrapper. No one has authority from me to use my name except The Centaur Company, of which Chas. H. Fletcher is President. March 24, 1898. Samuel Pitcher, M. D. Do Not Be Deceived. Do not endanger the life of your child by accepting a cheap substitute which some druggist may offer you (because he makes a few more pennies on it), the ingredients of which even he does not know. "The Kind You Have Always Bought" BEARS THE SIGNATURE OF Chas. H. Fletcher. Insist on Having The Kind That Never Failed You. THE CENTAUR COMPANY, 77 NASSAU ST. N. Y. CITY.
