It is with regret that we have to announce  
the business reverses of Mr. E. C. Horton,  
whose stock of goods was seized by the  
sheriff under a chattel mortgage. We have  
known for some time that unless there was  
a great improvement in the cash sales, Mr.  
Horton would be unable to meet his obli-  
gations, but there is much to be said  
that while he was unable to realize the  
money which he had put in his goods his  
creditors will not be heavy losers because  
the stock if taken at its value will pay off  
the indebtedness. Mr. Horton's failure is not  
the result of bad management or extravagance,  
but is entirely due to the stringency of a  
few times. We sincerely hope he may soon get his af-  
fairs satisfactorily arranged.

the indebtedness. Mr. Horton's failure is not  
the result of bad management or extravagance,  
but is entirely due to the stringency of a  
few times. We sincerely hope he may soon get his af-  
fairs satisfactorily arranged.

It is with regret that we have to announce  
the business reverses of Mr. E. C. Horton,  
whose stock of goods was seized by the  
sheriff under a chattel mortgage. We have  
known for some time that unless there was  
a great improvement in the cash sales, Mr.  
Horton would be unable to meet his obli-  
gations, but there is much to be said  
that while he was unable to realize the  
money which he had put in his goods his  
creditors will not be heavy losers because  
the stock if taken at its value will pay off  
the indebtedness. Mr. Horton's failure is not

**Shooting in Columbia.**

A bloody tragedy was the result of a num-  
ber of State constables undertaking to  
serve a process of law in Columbia last Sat-  
urday night. It seems that the house of  
John Stuart was suspected of being a blind  
tiger and a search warrant was obtained.  
On reaching the premises, Mr. Stuart was  
not at home and at the request of the con-  
stables Mrs. Stuart sent for him. On  
reaching his home, Mr. Stuart was being  
constable above and forbade the constables to  
enter, whereupon the officer in command  
undertook to renege with him, but this  
only had the effect of an exchange of  
blows, and Mr. Stuart being slain by the  
constable. After some more parley-  
ing the constables started down the steps,  
when Mrs. Stuart unlocked the door of a  
room and came out on the piazza, and from  
behind her some one shot and hit one of  
the officers; a second shot was fired, and  
then the officer shot into the doorway. Sev-  
eral more shots were fired by those within  
the house and from the wounded officer,  
when all at once Mrs. Stuart was hit, fatally  
wounded and died later at the Columbia  
hospital.

The news spread about the city in a few  
moments, and the fact of a man having  
been shot while resisting the entry of the  
people. All of the constables that were on  
the premises were arrested and, under a  
military guard, taken to the penitentiary  
for safe keeping.

The place where the alleged blind tiger  
was kept is in a very respectable portion  
of the city, a short distance from the Gov-  
ernor's mansion, and Mr. Stuart, the party  
accused, is a clerk in a leading dry goods  
store. The constable claim that they were  
wiseley lured at that house for some time  
past, and the illegal traffic is a nuisance to  
the neighborhood.

It is horrible to know that a man will  
make a pest house of his dwelling, and  
when he goes so far as to permit his wife  
to have her life endangered for the pro-  
tection of his illicit trade, it is a pity that  
it was not, instead of the poor woman that  
received the fatal shot.
