With every pair of shoes you buy of Ken-dall's Racket store from \$1.25 up, you get dall's Racket store from \$1.25 up, you get dall's means to support her. A town dependent entirely upon the products of the farm self is very easily satisfied. must cling, more or less, to the credit sys-Bird Cages at cost. Manning Hardware movements, and in this day of rush and o to Brockinton's for a delicious and re-hing drink, when heated. join them in building up and starting small manufacturing industries. A yarn W. A. Pitts, at the residence of the bride, mill is spoken of, such an institution employs a considerable amount of labor, so doe's a cordage mill, a factory to make ball thread, back bands, cotton carpeting, and many other articles of use which find a ready sale, and pay large dividends to the owners of stock. A yarn mill in York county, recently declared a dividend of 35 per cent, certainly a very enticing investment. If a mill in York can pay such a dividend, it can do so here. These factories have this effect on the community; the farmer instead of planting cotton can market vegetables, fruits, forage, poultry, eggs,

wood and numbers of other things, which Manning has a wholesale grocery estab-lishment which we have no doubt will be a for which the ready cash is paid. Then great convenience as well as a fine business then salaries paid to operatives is spent in investment. It will be a chartered institu-tion. the town, making a money circulation twelve months in the year, instead of three. The result of this would be to make com petition more active, credit would be given entirely upon merit and integrity, and in-stead of every Tom, Dick and Harry with a bull-ox coming to town and getting a lien, the merchant would not be so anxious to establish night school. to do such a business, because he would prefer to sell his goods at shorter profits, with quicker sales, and hear the ring of certainty in his money drawers.
