The man who tackles the beautiful snow with a shovel will make few nights ago when an effort was made more money during the winter than the man who writes poetry about it.

The claim of other cough medicienes to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon found relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines. For sale by the R. B. Loryea Drug Store, Isaac M. Loryea, Prop.
