For Vice-President: ADLAI E. STEVENSON, OF ILLINOIS.

AN EXCUSE FOR POLITICS.

A great deal of political capital is being made of Senator Till- cause of religion, and man's assertion "that the preach- result in financial benefit to ers and barkeepers are in an un- the barkeepers whose votes will holy alliance led by Col. Hoyt to be allied with that of the preachdestroy the dispensary." We ers to destroy the present syshave not the slightest idea that tem of liquor control. Senator Tillman intended to con- If the preachers and barkeepvey the impression that there ex- ers succeed in electing Col. Hoyt isted a written, or even a verbal with a Legislature to enact a agreement between the preach- prohibitory law, how will the ers and barkeepers, but that both law be enforced? The dispenthe preachers and the barkeep- sary law now requires sheriffs and ers are working for the same magistrates to see after its enend-the destruction of the dis- forcement, and we have yet to pensary. No one doubts that see where a sheriff or magistrate high motives are prompting the attempted to enforce the law. clergy, and in their zeal for a Would it not be the same with cause which they regard a religious one, they do not stop to saying, "what is everybody's am not looking for a fight any more, am mental" purposes? The wine that speedy cure, for all the troubles named. cause which they regard a reli- prohibition? There is an old gious one, they do not stop to saying, "what is everyoody's am not looking for a light any more, am mental purposes? The wine that speed everyoody is am not looking for a light any more, am mental purposes? The wine that speed everyood is all the consider the practical results: business is nobody's business," and two skirmishes on my discharge, and two skirmishes on my discharge, was the pure juice of the grape and unplus the grape and unpl is to bring about a condition of will not be enforced if, as Col. holiness which they think ought Hoyt says, "the enforcement to exist. The barkeepers and will be left to the local officers.' anti-dispensary forces are taking Well, suppose that to enforce advantage of the religious fervor prohibition an army of constaof the preachers to destroy the bles are employed, where is the dispensary, and without any for- money to pay them to come from? mal agreement or alliance, they An extra tax would have to be have tacked on to the preachers levied to raise the money to pay

harsh statement has aroused the Are our readers ready and will- ties; had a half dozen skirmishes with striction of the liquor evil? Is it possible that these good preachers can feel resentment of the preachers and ing to contribute money out of they, with a show of righteous their pockets by paying more man wounded, and who is now on duty indignation, are using the Senataxes, simply to gratify a theory of my battalion, compare it with any the borders of their own State? Dear tor's statement as a cudgel to which they know is impractication to the service, or reader, the reason is plain. As no similar that served in the Spanish-American illar action was ever taken by a like wield over the heads of church ble? members to make votes for Col. ernor McSweeney's course in the which nominated Col. Hoyt. Sweeney so justly merits.

politicians have shrewdly man- cal way. aged to get the preachers on their side, by professing to advocate a moral principle; this profession has caught a great many good men who will say they have no idea that we can have prohibition, but the fact that the question is here, they must record their votes in favor of the proposition, and leave the results with God. Then there are other men equally as good, who take the view that every man is endowed with the faculty of think-tell a man she loves him, she never says a word, but lets him keep right on ing for himself and that God will a word, or pressing. hold him responsible, if by his act or vote he brings about a condition worse than we have now. We agree with the latter view, to cast a vote for prohibition when we believe that such a

results, and do so with the idea that we leave the results with God, is, in our mind, nothing vote for prohibition even if I at every turn in the road, because nothing to do with the results, those I leave to God." With The matter for reasonable men

to consider, is not whether prohibition is right or wrong, but will a prohibitory law on our statute books at this time be to the best interests of the State? In our judgment it will not, for we honestly believe, the ideal of the light or wrong, but will a prohibition, such an act on the part of the light or wrong, but will a prohibition is right or wrong, but will a prohibitory law on our statute books at this time be to the best interests of the State? In our judgment it will not, for we honestly believe, the ideal of the light or seven days hunting the so-called Filipino flag and Malaya's rookies, but all that could be seen was some shirt-tail crossing the mountains in the distance.

The natives had a big parade here on the light, celebrating the day of Corpus Christi, we had orders to keep near our courselves at the same purpose. Mr. Fallow is quite a found they cannot discern the religious quibbling indulged in by this ligious quibbles and hair splitting, but when it comes to the church of God lending its influence to a political party composed of the old bur room whiskey element and a lot of political schemers, under the guise of Prohibition, such an act on the pari of our church representatives is a shame.

Feder, S. C., July 28, 1900. condition hoped for by the preachers, is a dream, which can never be realized on this earth, and one which, if brought about, will give freer sway to the liquor evil and retard the

We hear Prohibitionists talk Hoyt. We have no idea that about "blind tigers," and that there is a preacher in South Car-the dispensary law is not carried olina who thinks Senator Till- out. Will these same people man meant that the preachers show where they have ever given and barkeepers had actually the slightest aid to help carry made a compact, but all the same out the law? How many of them it gives them material for an ex- have sat on juries and refused to cuse to electioneer for Col. Hoyt, convict a blind tiger with direct and they are not failing to take proof? How many of these proadvantage of it. We do not know fessing Prohibitionists have patwhat effect the preachers are go- ronized blind tigers and how ing to have in this election; they many of them are interested in after guard mount he goes over to the purpose by appealing to Christian senare a large body and should have blind tigers? If an examination influence, but if the preachers of the freight and express books continue messing in politics an could be had, we venture the asinjurious effect on the church sertion that package after packis bound to be the final age is recorded in the name of a result. We read where this Prohibitionist, and probably and that preacher has condemn-some who are taking such a lead-youth spied a box of fine cigars on not till then can they expect to exert desk, with a smile on his face he took very much influence in State politics. and that preacher has condemn-some who are taking such a leadator Tillman, but nowhere have be found attached to calls for we read where the preachers prohibition conventions or were have expressed approval of Gov- delegates to the convention

Florence matter, where he did | Prohibition is a failure wherhis sworn duty, and showed to ever tried, and the dispensary the people that he was a man system, while not altogether as who cared more for his oath than perfect as we would like to see he did for the votes of a mob. it, is the best liquor regulation No, but had Governor McSwee- yet devised. This is an age ney acted in accordance with the where people do their own thinkwishes of the mob, the preachers ing, and if they drink they do would have denounced him, and their own drinking. Notwithfor fear that their candidate, Col. standing the beautiful theories Hoyt, may lose votes, they with- of the preachers, the people will hold the praise Governor Mc-drink liquor; this being so, they will have it, and the best way to We are thoroughly convinced manage the evil-for we admit it that the present prohibition is an evil-is to throw such safemovement is politics pure and guards around its sale as will ple in his new possessessions. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and inucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for its of the cure is that it fails to The readers of this paper will be pleased to fundred Dollars for any case that they over the ure. Send for list of testimonials.
