When a man tells you he is opposed to prohibition but will vote for Hoyt, class him with the opposition, for he belongs there.

Miss Lizzie Geiger of Lexington who has been visiting the family of her brother Dr. J. Frank Geiger, returned to her home this morning.

Every candidate for the Legislature should be made to come out squarely on the liquor question. The voters should not permit any man to sneak in.

Mr. Ulmer Smith, formerly chief clerk in the Comptroller General's office, now representing the Mutual Life Insurance Society, was in Manning yesterday.

Quite a number of our readers expressed a desire to have another article from Dr. L. W. Nettles, so well pleased were they with the one we recently published.

One Minute Cough Cure is the only harmless remedy that produces immediate results. Try it. D. O. Rhame, Summerton; Dr. W. M. Brockington, Manning.

Married last Sunday night by Notary Public J. E. Beard, at his residence, near Pine Grove, Mr. J. T. Player and Miss Eula Mellette, a daughter of Mr. Russel Mellette.

C. W. Kendall has decided to move to a larger field, and will, for the next two weeks, sell out his stock at below cost. It's a good opportunity for you to buy Dry Goods cheap.

The regular meeting of the Woman's Home Mission Society will be held at the Methodist church on Thursday afternoon, August 2nd, immediately after prayer meeting. Let every member be present.

The regular business meeting of the Epworth League will be held at the Methodist parsonage on Friday night, August 3rd, at 8:30 o'clock. This is the time for the election of officers. A large attendance is desired.

Prof. Chas. P. Curd, St. Louis, Mo., writes: We unhesitatingly attribute the recovery and continued good health of our little boy to TEFTHINA (Teething Powders).

A vote for prohibition means to make a poor man "vote" a pass when he has a little liquor. A vote for prohibition means that a poor man must pay for a pass to buy a little liquor. A rich man can order from abroad.

The tickets to be used in the primary should be carefully read over, and in preparing the ballot look well and see that you make no mistake in the scratching. All the names of the candidates will be on the same ticket.

For burns, injuries, piles and skin diseases use DeWitt's Witch Hazel Salve. It is the original. Counterfeits must be offered. Use only DeWitt's, D. O. Rhame, Summerton; Dr. W. M. Brockington, Manning.

A few days ago there appeared in the News and Courier an account of the killing of Mr. J. C. Compton at Ulmer, S. C., and it was supposed by many here to be the Mr. Compton who spent several months in Clarendon selling books. This is a mistake. The man killed was a Mr. Crumpton and a married man. The young man who was in this county was not married and his name was Compton, not Crumpton.

There are a number of counties that have adopted the plan to vote by separate ballot on the liquor question. This is as it should be, and one who has been abroad, because it instructs the representatives on a question which is perplexing.

I will begin a meeting at Bethlehem next Sunday at 4:30 p. m. and will continue the meeting during the following week. Services at 11 a. m. and 8:30 p. m. Rev. J. H. Groves of Smithville, S. C. will assist in the meeting.

W. A. PITTS.

A gentleman who has been traveling all over the State, tells us that the race for governor is between McSwain and Hoyt, that Gary has many friends who think he can afford to wait two years, and Patterson's name is seldom mentioned.

About nine o'clock last night an alarm of fire was sounded, and for a time it created quite an uproar. The cause of the alarm was at the Methodist parsonage kitchen by a blaze of burning land in a frying pan, which happened to be seen from the street by a colored boy.

"Through the months of June and July our baby was teething and took a running off of the bowels and sickness of the stomach," says O. P. McHolliday of Deming. "But this morning would have been a case of water and the baby had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the house and gave him more drops in a teaspoonful of water and he got better at once." Sold by the R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

The issue is Dispersary vs. Prohibition: a man who says he is going to vote for Hoyt is a pro-dispersary man. If you are opposed to prohibition you cannot, and retain your principles, vote for Col. Hoyt, nor can you vote for a Representative to the Legislature who is supporting Col. Hoyt.

Managers in the primary will have to throw out all tickets which do not contain the names of every candidate. There will be two tickets, one with the names of all the candidates, and the other with the names of all the candidates for Congress, Solicitor and the county officers. Remember none other can be counted.

On the night of 22d ult. St. Mark's (colored) Baptist church near Silver was destroyed by fire. It seems that there had existed dissatisfaction among the brethren, and at a meeting held the day before, things did not terminate as some wanted, and it is strongly suspected that the building was burned by some of the dissatisfied element.

The Manning Hardware Company's new store, next door to their old one, is a finely appointed hardware store. Its arrangement is so convenient that the smallest article can be found in a moment. This store is just west of the old store, and when they get their goods arranged it will be one of the nicest stores of the kind in this section of the State.

There are parties digging and hauling away sand and gravel out of the road in Deep Creek, and thereby putting that place in a bad condition for vehicles. This is a violation of law, and the people who have to cross that stream are very much incensed about it. They have requested us to call public attention to the matter, and they hope the proper authorities will see that such depredations cease.

The residents in the upper part of the town are complaining about young men gathering at the school house, making considerable disturbance by singing, whooping and hollering and firing of pistols. Last Saturday night some one fired off a pistol about the school house and again last Monday night. The people living near are considerably disturbed and they wish the authorities to put a stop to it.

The law holds both maker and circulator of a counterfeit equally guilty. The dealer who sells you a dangerous counterfeit of DeWitt's Witch Hazel Salve risks your life to make a little larger profit. You can not trust him. DeWitt's is the only genuine and original Witch Hazel Salve, a well known cure for piles and all skin diseases. See that your dealer gives you DeWitt's Salve. D. O. Rhame, Summerton; Dr. W. M. Brockington, Manning.

The editor of this paper has no favorite candidates for the Legislature. He is totally indifferent as to what man or set of men are voted for, but he thinks the people would be making a bad selection if they send a man to the Legislature who will hinder another member's work in order to cripple that member's influence. Vote for a man who represents your views and principles, regardless of the man's personality. We would vote for a man who does not speak to the represented our views, rather than vote for a brother who is on the other side.

Last Monday Manning had a small size labor strike. The men at the large size labor strike. Every stable called on Mr. Legg and demanded more pay, which was refused and they walked out, refusing to go to work. While Mr. Legg was absent some of the party went back to the stable and recovered over a week had two or three bottles of medicine from the doctor and they were four days without relief. Then called in another doctor who treated him for some days and he had no relief. He was in a very bad way and he said, "No, I went home and brought him my bottle and gave him one dose: told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured." For sale by the R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

Faith without works is about as useless as a watch without wheels.

What Not to Say.

Do not say, "I can't eat." Take Hood's Sarsaparilla and say, "I am hungry all the time, and food never hurts me."

Never say to your friends that you are tired in the morning as at night. If they happen to be sharp they will tell you Hood's Sarsaparilla cures that tired feeling.

Do not say, "My face is full of pimples." You are quite likely to be told by some one, "There's no need of that, for Hood's Sarsaparilla cures pimples."

It's improper and unnecessary to say, "My health is poor and my blood is bad." Hood's Sarsaparilla will give you good blood, and health will follow as a natural consequence.

The woman who can go to church in a calico dress is truly religious.

Sending Bibles to the heathen is productive of much good—to the publisher.

Notice.

Under an arrangement between the candidates for Congress, there will be but two meetings in Clarendon where the candidates will appear and speak. These have been combined in the proportion found in the human body and united with substances that build up the digestive organs, making a compound called Kodol Dyspepsia Cure. It digests what you eat and gives you the power to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief. D. O. Rhame, Summerton; Dr. W. M. Brockington, Manning.

A Life and Death Fight.

Mr. W. A. Hines of Manchester, Ind., writes of his almost miraculous escape from death. "Exposure after measles induced serious lung trouble, which ended in consumption. I had frequent hemorrhages and coughed up blood and phlegm. All my doctors said I must die. Then I read of Chamberlain's Cough Remedy and I bought a bottle. I took it without a moment's delay. I would not be without it even if it cost \$1 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure throat, chest and lung troubles. It is the best I ever saw. Trial bottles free at the R. B. Loryea Drug Store."

Packville Points.

Editor The Manning Times:

As this place has not been heard from in your last issue, I thought I would give you a few dots, but news is rather scarce.

The health of the community is fine and crops are looking promising.

The Connor Mounted Riflemen met at this place on July 27th, and Capt. A. J. Riechbourg came up from St. Paul, S. C.

The old captain was welcomed by his company and all the members were glad to have him with them, as they all have great regard and love for him.

The captain formed his company in line and marched off from the drill ground where they came to a halt and he then delivered them a noble speech. He said many of them were the offspring of noble old Confederate soldiers whose records had not a blemish and have proved faithful on the battle fields; they carried their standard with honor to the last, and he wanted his men to keep their fathers' record in mind and be a pride to their country and State; that he would use all his means to make his company second to none.

The old captain spoke feelingly to his company, thanking them kindly for the honor that they have shown him in electing him captain of the company. I did not know it was in the old captain to make such a speech.

After the captain got through with his speech, he read the commissions which had been sent by General Floyd to the Lieutenants. Handing the Lieutenants their commission, the old captain made appropriate remarks to each, after which the company was taken out to drill for two hours. The boys stood it all right. The captain told the boys when they met again he wanted to drill once in the morning and once in the evening, and it was a treat to see how well drilled the captain was, and the pride he took in instructing his company. There was an old Confederate soldier present who enjoyed the drill so much that he fell in ranks with the company, and he was our old friend H. J. McLeod, who had been on many battle fields in the late war.

When Captain Riechbourg takes anything in hand he means business and he has no doubt that his company is proud of him and shows the best attention to his orders. The company will meet again on the 10th of August and they propose having a dinner in the near future and I will let you know, as we would like to have the editor of The Manning Times with them.

There were two candidates present at the meeting talking to the "dear people," and were so glad to see them. Old Packville is a great place for candidates to visit. The candidate which leads in this election is a young man, the son of a well known citizen. He has over 800 names on our club roll. Come up, candidates, and see your friends and talk with them. I hope to see some more candidates at the company meeting on the 10th of August.

Having complied with the requirements of the Democratic party, as regards the filing of pledges, I hereby announce my candidacy for re-election to Congress as the representative of the 6th. Congressional District.

JAMES NORTON.

Having received a majority of the votes cast in the Sixth District for Congress two years ago and having been deprived of that office by the counting of the Second Regiment vote which was cast outside of the district, and I am assured was illegally cast, my friends insist upon my entering the race again this year. I hereby announce myself a candidate for Congress from the Sixth District, subject to the Democratic primary.

I announce myself a candidate for re-election to the lower House of Representatives, feeling assured the people will recognize the fact that I served with a delegation, whose record shows an earnest effort to reduce taxes. Turbeville have secured his consent to become a candidate for the lower House of Representatives subject to the action of the primary, and we wish it known that Mr. Turbeville has proven himself a sound and practical thinker, and while not an orator he would make a safe and reliable Representative. He is chairman of the board of trustees of the Pine Grove Graded school, and it is largely through him, this section is indebted for the educational interest manifested. We solicit the votes of the Democrats of Clarendon for him.
