

S. I. TILL'S BIG OPENING!

Thursday and Friday, Sept. 27 & 28.

On the above two days we propose to have one of the grandest displays of Pattern Hats, Millinery, Dry Goods, Dress Goods, Silks, Satins, Trimmings, Laces, Embroideries and everything kept in an up-to-date Millinery business. Our Pattern Hats will be simply exquisite. Our Parlor will be in charge of Miss Blanche Bell of Hill Bros., New York.

We have, without exception, the nicest and best selected stock of Millinery and Dress Goods in Manning. We are carrying a much nicer line and a better grade of goods than has ever been carried in the Racket Store.

You want to see our line of goods for Misses' school dresses and Ladies' rainy-day skirts.

Our 98c Crepons in colors are fine too.

Ladies, it is false economy to go to larger towns for your dress goods and hats, when you can get what you want right here at your door at from 25 to 50 per cent cheaper than in larger towns. We have the goods and have them in short lengths so as no two ladies will have dresses alike.

We are the people to trade with because we are the victors over high prices and we will treat you right. When you buy 10 yards of goods from us you get 10 yards and not 7 1-2 or 8; therefore hear us and do justice to yourself and pocket-book.

Our line of F. C. Corsets

Is complete. We have about twelve different styles, short waist, long waist, medium waist. Ask to see the different styles.

You want to see our

Remnant Counters.

We have goods in that department that are well worth from 15c to 25c that you can get what you want in pieces from 1 to 10 yards at only 8c; 40-inch fast colored Flannel-ette and Percales at 8c also.

Our line of

Table Linens

Is simply grand. When you come in, ask to see it, as we have so many good things to show you that we may forget it.

We have the latest things in Curtain Rods; half dozen different kinds, from 10c to 25c. You want to see them too, and our Rugs, Mattings and Window Shades.

Don't forget the dates of our opening. Everybody most cordially invited to look and if the goods suit you then buy; if not, we don't want you to buy them. Again, come to see us.

We cannot forget to say something to the men, youths and boys. We have a complete line—all kinds. Bring your boys to me for

CLOTHING

And get something nice and make them look like little men. We have the goods. Our entire line of Clothing never was so complete. We can fit any kind of a man, from a 3-year-old one to a 100-year-old one.

See our line of

HATS

Also. We handle the celebrated "Jefferson Hat" and about one hundred other styles.

It is useless to try to tell you what we have in

SHOES

As we are too well known to the people. We carry a complete line to fit any size foot. We sell the wonderful W. L. Owsley Shoes of Brockton, Mass. Every pair guaranteed.

Young men, come to us for Patent Leather Shoes that are guaranteed not to crack.

Friends, we are the people to trade with. We will treat you right and we have the goods and goods that are right and prices too. We will save you money. We don't handle shoddy goods, but all clean, new goods, direct from the manufacturer to the wearer—no middle men or jobbers' profit; you save that by buying from us.

"Saving breeds riches; stinginess means poverty." Buying from us means happiness and prosperity to your household.

We want your trade and we will get a part of it anyway and if you will come to us for what you want, you can get it, and in six months S. I. Till's "Racket Store" will be the watchword of every man, woman and child in Clarendon and the adjoining counties.

Yours for business and low prices.

S. I. TILL, Prop'r N. Y. Racket

Louis Levi.

It goes without saying that we have one of the cheapest and most attractive stocks of Merchandise ever brought to Clarendon county.

Our Dry Goods Stock

Is the largest we ever handled, and in this department you will find everything you wish or will need. We have been compelled to send off large orders daily to fill in the large gap made by our daily trade.

We have never had such a large Shoe trade and it would surprise the oldest merchant to see the number of Shoes we are selling every day. The

Red Hot Bargains

We offer in Shoes has given us a Shoe trade that would surprise Clarendon county and a trade that any large city would be proud of.

The Clothing Business

We have in a sling, and sell as many or more Suits than the balance of the town put together. Our Men's, Boys' and Children's Suits are complete in all grades.

You should see our \$1 Suits for Boys, ages 6 to 16 yrs.

Our Millinery Department

Is a thing of beauty. Ladies' and Children's Hats, Ribbons, Silks and Velvets: the choicest and best of the season.

If you expect to travel or remain at home, remember our stock of

Trunks and Valises

Is the largest and cheapest in town. These goods are bought direct from the factory.

Our line of Shot Guns, Saddles, Bridles, Harness, etc., is complete in every respect.

Full line of Rugs, Chenille Covers, etc. Our early fall trade has far surpassed our most sanguine expectations. We want to make this season's trade one of the largest ever known in this section, and if selling good goods for less money than you can buy them elsewhere, we will accomplish our strongest desire.

Remember it will be no trouble, but a great pleasure, to show goods.

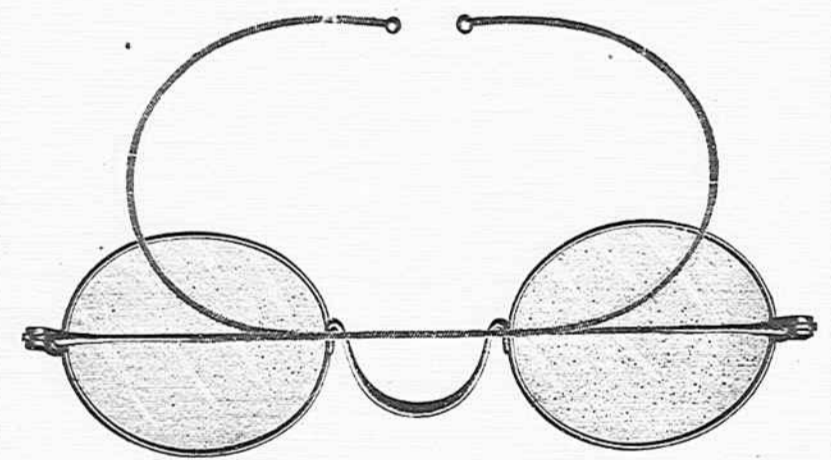

With best wishes and kind regards to all, we remain,

Yours respectfully,

Louis Levi.

Look to Your Interest.

Here we are, still in the lead, and why suffer with your eyes when you can be suited with a pair of Spectacles with so little trouble? We carry the

Celebrated HAWKES Spectacles and Glasses,

which we are offering very cheap, from 25c to \$2.50 and Gold Frames at \$3 to \$6. Call and be suited.

W. M. BROCKINTON.

Harris Lithia Water

Contains more Lithia than other Lithia spring water in America, which is shown by the noted chemist, Dr. Doremus of New York. Read what Dr. A. N. Talley, Sr., and Dr. J. M. Kibler have to say for HARRIS LITHIA WATER:

After a long and varied experience in the use of mineral waters from many sources, both foreign and domestic, I am fully persuaded that the Harris Lithia Water possesses efficacy in the treatment of affections of the Kidney and the Bladder unequalled by any other Water of which I have made trial.

This opinion is based upon observation of its effects upon my patients for the past three years, during which time I have prescribed it freely and most uniformly with benefit in the medical maladies above mentioned.

A. N. TALLEY, M. D.
Columbia, S. C., October 8, 1892.

I have prescribed "Harris Lithia Water" in my practice, and am delighted with it in those cases in which it is indicated. In all those conditions in which there is uric acid in the system, in gouty and rheumatic diathesis, in cystitis and endoeritis, causing painful micturition, in renal dropsy and dyspepsia, due to torpid liver or constipation, I have found the best results from this mineral water. Indeed, it may be used to advantage in any case in which its formula may suggest itself, especially when Lithia is indicated. I recommend it to the public, and believe there is no superior Lithia Water in this country.

J. M. KIBLER, M. D.
Newberry, S. C., Sept. 9, 1892.
