Two negroes have been in the county jail suspected of being in the Blue Rock county Georgia for the murder of deputy sheriff. The authorities held them awaiting identification. On last Monday a Mr. H. B. Kennedy of Bullock county, and a cousin of the murdered man arrived and after a visit to the jail he pronounced the men held as not being the men wanted. These men were held longer than they should have been, but the delay was the fault of the Georgia authorities. They are still in jail awaiting the Governor's orders.

**Prevented a Tragedy.**  
Timely information given Mrs. George Lord of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A fearful accident had long been her dread. She had tried many remedies and doctors but steadily grew worse until unable to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positive proof of the matchless merits of this grand remedy for curing all throat, chest and lung troubles. Only 50c and \$1. Every bottle guaranteed. Trial bottles free at the R. B. Loryea Drug Store.

We mentioned last week that Rev. James McDowell had moved to Sumter where he proposes to make his future home. The announcement was made with regret, and since, the expressions of regret have been numerous from citizens regardless of creed or denomination. We hope the people of Sumter will appreciate this grand patriarch as his manliness and his piety merits, and that he will be spared to continue doing good for many, many years. A community with such a man is fortunate, and his example is felt in many of our streets and his presence for good will be felt in the progressive city of Sumter. He is our ideal of a man and a minister may God bless and preserve him is our sincere prayer.

We want the readers of THE TIMES to read carefully the advertisement on another page of Legg & Hutchinson. This firm is known to the people of this vicinity as reliable dealers, and they have recently received a fine lot of Tennessee horses and mules selected by Captain "Bill" Legg personally, specially for the trade of this section. Captain Legg is a veteran horse dealer, and it has always been his pride to bring to this market the best of stock, and the car load just arrived are among his selections. The buggies and wagons are of the best make, no faulty material covered by paint, but they are manufactured at the most reliable factories, hence every buggy and wagon is sold with a guarantee and the purchaser can feel when he buys, he is getting his money's worth. They have put in a beautiful line of robes, the prettiest ever brought to this market. Their harness and saddlery stock cannot be excelled anywhere in the State. Be sure to come and examine their stock, wagons and buggies.

In addition to their regular line they, in order to meet a growing demand have laid in a large supply of all kinds of building material and you can get your brick, lime and cement from them as cheap as they can be bought on any market.

**A Sad Death.**  
A most distressing accident happened on the afternoon of the 30th, inst. near Johnston's, to Rev. John Owen, a brother of Rev. Thomas B. Owen of Silver, from the effects of which he died the same night. The account as telegraphed to the State is as follows: Johnston, Oct. 31.—The Rev. John Owen drove out to Mr. Gamewell M. Smith's to get some rough forage for his stock. He brought his dog and gun to kill a partridge for a sick friend. When reaching Mr. Smith's and finding him gone to Edgfield, he and Mr. Walter H. Smith, the youngest son of Mr. Gamewell Smith went out hunting. In a few minutes they got into a drove of partridges and began shooting. Mr. Smith was loading his gun in a hurry and a partridge flew over his head. Smith went to cock his gun, when the hammer slipped out of his thumb before it got locked, and the entire load entered the right side of the Rev. Mr. Owen about the vest pocket. Mr. Owen stood still for a minute, helping Walter pull the wads out, then he fell, begging Walter not to leave him, that he would be dead before he could return. However, Mr. Smith became alarmed and soon assistance arrived. He was carried to the residence of Mr. Gamewell Smith. In a short while Drs. Mobley, Strother and Cox were with him and after consultation, Drs. Wright and Moore of Augusta were telegraphed for, who came on the midnight train. The train stopped at Mr. Smith's place for them to get the sick friend. There was no chance for his recovery. Though he is a man of powerful will power, his time is short. He called his wife to his side during the night, and talked to her about his business affairs, telling her he knew his time was close and never to think hard of Walter, for it was a pure accident.

Everything is being done that can be done by both medical aid and loving friends.

The accident took place about 5:30 o'clock yesterday afternoon. Mr. Owen is thought to be dying at this hour, 9 p. m. All of his family has been telegraphed for. The Rev. Mr. Owen is pastor of the Johnston Methodist circuit, and is a devoted man to his family and work. Everybody extends sympathy to both families.

Mrs. Edwin Cross, Gormer, Mich. "When I commenced using Wine of Cardui I was hardly able to walk across the house. Two weeks after I walked half a mile and picked strawberries. When my other child was born I suffered with labor pains 24 hours, and had to raise him on a bottle because I had no milk. After using last month to a baby girl, and was in labor only two hours, with but little pain, and the baby was born healthy and strong. I am most in my health I thank God and Wine of Cardui."
