An application has been filed with the Superintendent of Education to order an election for a separate school district at Clarendon, which means that the educational spirit has been aroused in that section and the people are determined to improve their school facilities. We hope the effort will be successful, because there is nothing which tends more to elevate and prostentively and were much pleased with per a community than good schools. On motion of Dr. I. M. Woods as suggested by Captain Bradham, the commander appointed D. J. Bradham, A. J. Richbourg, J. H. Hodge and Willie Gaillard, and alternates, R. F. Turner, J. E. Richbourg, James McCauley and

J. H. Mahoney.
On motion of Captain Bradham our commander, D. W. Brailsford, was unanimously elected chairman of the delegation.

Captain Bradham addressed the camp at this opportune time on the subject of Pensions and gave an account of his stewardship as chairman of the County Pension Board. He said all of 123 applications had been approved by the State Board and but one disapproved, and the checks for the same would be given each applicant before they went to Columbia, or such was the instructions of the State. He spoke in feeling terms of the parting of old comrades of our last reunions to meet again beyond the great river and the silver locks of the remnant few now passing the fords "to the camps eternal" with his comrades in war; he feelingly described an underlying affiliation only known to the soldiers that have passed through the refining fires of battle and

sufferings of war. The commander gave notice that the names of every comrade going to Columbia on the 8th of May be given to the Adjutant who would forward the same to Major Vance, who would furnish accommodations for every name sent him and each comrade would be furnished with the number of house in which he would be entertained gratuitously while he stayed at the reunion. Forty comrades came forward and en-rolled for Columbia. The commander further directs that any comrade who wishes to go to Columbia and has not got his name on this roll, to send the name to A. J. Richbourg, St. Paul, by

Wednesday, May 1st, who will add them promptly.
On motion it was unanimously carried that Miss E. Norville Richardson, sponsor, and her Maids of Honor, Miss Margueritte Tindal, Miss Lucie Barron and Miss Mellie Nelson, accompany the camp to Columbia. This was greeted with applause and seemed to be the beam of happy sunlight that was

long gone by and made perfect in his old age. The camp extends an invitation to Col. H. L. Benbow to go with them to Columbia as their guest. A soldier's friend will furnish you badges at Manning designating your

As we have said before, that we are not prepared to say that we sell everything cheaper than our competitors, but we do feel justified in saying that we own many lines of goods that we are selling cheaper than our competitors can sell you the same goods, for while in the market we picked up lots of goods below the market value and we are selling these goods in pro-

portion to the low prices at which we got them. Take, for instance, we picked up while in New York two cases (5,000 yards) of yard-wide Percales that we are selling at 5c per yard. These goods are all full pieces and perfect goods. Now we know our competitors are not selling these goods at these prices, for we know they can't get them, for the same goods are quoted on the wholesale market today at 61c

Take again, for instance, we are selling a nice fast colored Shirting Print at 31c that is sold everywhere at 5c per yard, but we picked these goods up at a bargain and we let them go the same way.

Take again, we picked up a lot of fine White Persian Lawns that we are selling at 15c per yard that are sold everywhere at 25c per yard. And again, we picked up four boxes of Imported White Organdies that we are selling at 25c per yard; the same goods are sold elsewhere at 35c per

And again, we picked up a line of Drummers' Sample Hats, in Felt and

Straw, at 50 per cent under value and we are letting these Sample Hats go at proportionate values. And again we picked up a large lot of All-Wool Flannel Suits, Coat and Pants that we are selling at \$3.50 per Suit that you cannot buy elsewhere for less than \$5, and a look at these goods will convince you of this fact. And again we picked up a lot of 100 dozen Ladies' Gauze Undervests that we are selling at 5, 8 and 10c each is in round dozens at 50, 75c and \$1

per dozen. Now we feel very confident that you cannot find such values as these anywhere else in town, and when you see these Vests you will bear us out

in this statement. There are many other things in our large stock that we picked up under value and are able and selling cheaper than our competitors can sell them, while prudence and modesty tell us that there are many, many things in our store that you can buy just as cheap elsewhere.

"Render unto Caesar the things that are Caesar's."

For eighteen years we have served the people of Clarendon County in the capacity of salesman, and for the last seven years as proprietor of my own establishment and during all these long years of service it has ever been our ambition to merit the confidence of the public, to "Render unto Cæsar the things that are Cæsar's" and unto every man his just dues.

We feel that we have met with success in sharing the confidence of the public, for The Jenkinson Dry Goods Store is known in every household in Clarendon County as a reliable house and a house that deals in reliable And The Jenkinson Dry Goods Store is also known to be a standard

price-maker, for it has come to our ears that some of our worthy contemporaries have used our name across their counters, saying that The Jenkinson Dry Goods Store asks so and so for such and such goods. Thank you, my kind friends, for such a high compliment and for thus thinking of us and advertising us, when we did not expect such a high compliment.
