"MR. GONZALES DID NOT WRITE ONE WORD OF THAT ARTICLE."

There are few newspaper editors who obey the injunction, to indifferent, will not cause us the a thousand dollars to our one dollar for turn the other cheek, when they loss of any sleep. are smitten, and the editor of this newspaper is no exception. We do not enjoy saying harsh things, because we have a tender regard for the feelings of others, and if harsh things are to be said, we prefer that those should say them, who, on Sundays, in robes of sanctity profess to propound the sweet and noble doc trine of love, and on week days, from a newspaper, and, with the fiendish glee of a devil incarnate promulgate under cover of another's name, doctrines to engender strife, bitterness and hate.

There are times when we are forced to speak out, and strike because circumstances bring on conditions which must be met. When assailed locally, rope, that he might bay freely; and the whole, become under the we are content "to give the brute his baying will be his own un- controlling management of Rock-

to fill up space in the editorial out such artistic printing. columns of The State of 5th, inst., whines, that in our reply to his editorial of June 29th, we life and career of the late Francis (Silas B. Kolb is the "main spring" of have ever written a falsehood.

There is no law which comof The State would reproduce a confession of treachery which may be found in his files along in January, 1899, nor did we look for most eloquent and broad-minded struggling stage, but how does he propose to accept our challenge "to cite an instance when we have ever written a falsedid not write one line of that ar-

The editorial to which we took exceptions occupied the leading space of the editorial columns in The State, and at the head of the address delivered before that diseditorial page of that newspaper stands the name "N. G. Gonzales, Editor." The offending arti-*cle was unsigned, and therefore we could recognize no one else as the editorial writer. But granting that Mr. Gonzales did not do the writing, where in the name of sense is the falsehood? This newspaper has a patronage who scorn falsehood, and we been writing its editorials many been writing its editorials many of sense is the falsehood? This years, the increasing patronage to that school of preachers

a great daily newspaper so ably church shall be damned." The edited as is The State, charges and we had the best of reasons to believe the charge was made by His word.

Look to your laurels, Zionites, or that same fellow may induce this lovely believe the charge was made by the editor of that paper, Mr. N G. Gonzales. All the circumstances gave us the right to assume that the filth appearing in The State of June 29th, was dug up with the pen of Mr. Gonzales; we had not been advised of a species of scaraboid beetle being brought into action to roll that ball of mud to the public gaze, and our first information that such was the case is given us in The State of 5th, inst; being now informed "Mr. Gonzales did not write one line of that article" we will sprinkle him with Hoyt's german cologne, to rid him of the bad odor, and ask his for-

edits, and which reflected upon our integrity.

There is more Catarrh in this section of the sountry than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years dectors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with tocal treatment, pronounced it incurable. Science has proven cutarrh to be a constitutional disease, and therefore requires constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co. Toledo. Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoontal. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it falls to cure. Send for circulars and testimonials.

What a Wonderful Discovery is PERRY DAVIS' PANN-KILLER. It not only cures the ills of the human family, but is also the sure remedy for horses and cattle. It has never been known to fail in a cure of the worst cases of colic; and for sprains, galls, etc., it never fails—try it

Don't think for a minute that because a man has done you a favor, he is under everlasting obligations to you.

"I am indebted to Ode Minute Cough giveness for alleging that he was the writer, and will say to Mr. The writer and Gonzales, the harsh retort was for lung trouble following lagrippe. I wrung from us by an uncalled took One Minute Cough Cure and retook one Minute Cough which appeared in the paper he Store, Isaac M. Loryea, Prop.

Observations of "An Observer.

We have read articles in The Editor The Manning Times: State, over the name of "n. d. In your issue of the ord instant tice a communication signed "Rustitice a com pitts, colard porter," but we cannot conceive that "pitts" took visor for not only not keeping the pubadvantage of the editor's absence lie roads near him in good condition, to publish a contemptible slander but for the failure of new public roads being cut, or rather he intimated this. We happened to know, or heard it palmed off on the public, for through pretty good authority, that the reasoning. The unknown fellow road blazed out from Summerton to Manning failed on account of those whose business it was, failed to meet the Supervisor with others interested tongs" may have learned in the at an appointed time for meeting which school of experience that we care was final. The Supervisor was on hand no more for such self-opinionated at this meeting and only one other met him, and this party as I understood was

to be cut across his lands, as that seemed to be the trouble. As to the blazing out of a roa to Jorwisdom, and an air of scorn for dan, if my memory serves me right, the others, he is usually one of those statement was not published by the Supervisor, but by some one who advospectacled, high collared scrubs, sated it. I don't think the road has who part their hair in the mid-dle, lisp, and are endowed with an ill shaped head, containing a the law allows. It is ridiculous to hold up the roads of New York and to hold up the roads of New York and New Jersey as patterns for our Superof a mustard seed. The opinions visor to be governed by for the reason of such, whether good, bad or that these States appropriate, I expect public road work.

visor) may have consented for the road

As to building a jail with the chaingang, etc. I think it would be a feather in the cap of the Supervisor if he could devise some way to build a decent jail, and no doubt if the people would con-
