We have received from Mr. J. H. McKnight a very fine specimen of cured tobacco of this season's growth, and from what he tells us, if no mishap occurs, he will make a fine tobacco crop not only in quantity but quality. The specimen we have is of very fine quality and shows the very best of handling.

Prny-Balsam Stops the Tickling, and quickly allays inflammation in the throat.

There was a jolly game of ball played in Manning last Friday between the Manning team and a scrub nine, we do not mean that the latter nine composed of scrubs, for it was made up of preachers, doctors, lawyers and nearly every body else. The game was won by the Manning team, only through the fairness of Captain Willie Lewis the umpire. There is considerable criticism of the impartiality of his decisions. Score 24 to 6.

Of what does a bad taste in your mouth remind you? It indicates that your stomach is in bad condition and will remind you that there is nothing so good for such disorder as Chamberlain's Stomach and Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents per box by The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

The Manning and Paxville ball teams played a game last Thursday upon the grounds of the latter and the Manning team won by a score of 27 to 5. The town team came back doing more boasting of the kind and generous treatment received from the people of Paxville than the victory. Our boys are proud of their record so far and they are beginning to imagine that they "are the only pebbles," but when they tackle Paxville again they will find that cinches are not always one-sided.

Now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busiest season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

Charles W. Bidgood, Esq., attorney for the Atlantic Coast Line, spent yesterday in Foreston on professional business. It was his first visit there, and while waiting for a train he amused himself trying to catch high balls. Nearly all of our prominent railroad officials, when they are in town and get through with business, love to play ball and the higher the ball the greater exertion they make to catch them. Mr. Bidgood could, if he would lay aside his profession, command fine attention as a high ball artist from the nation.

An Unsolicited Testimonial.
The R. B. Loryea Drug Store, Manning, S. C. Gentlemen—For two years I have been using Chamberlain's Cough and Cold Remedy in my horses and I have found that it cures them speedily and effects a permanent cure. Yours truly,

A delightful basket of vegetables from Mrs. J. H. McKnight, has melted through the kindness of the editor's pen. We just tell you what is a fact hunting for news when there is none, and grinding out editorials on an empty stomach is as severe a punishment as a poor mortal ought to have inflicted upon him, no matter how great his sin. The only consolation we have is the knowledge that there are suffering friends who will come to our rescue when hunger is about to do his worst, were it not for this, possibly there would be times when we would be forced to get what nutriment we could out of old newspapers.

A party suggests that the candidate who was dishing out a bear and praying story on our streets last Saturday, be advised to resal his nasty old yarn and wipe the mud off from it which has gathered upon it as the result of old age. That same bear story caused the court martial of a soldier in the British army after the battle of Saratoga during the revolutionary war, the poor fellow was charged with causing the loss of the battle by telling that same old yarn which this candidate is now dishing out. It is a dead give-away, and shows that the candidate has been preparing himself for the campaign, by searching among his great-grand-fathers effects for political thunder to roll over the heads of the voters. Get something new and refreshing.

Spring Fever.
Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such system. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Every, Mountville, W. Va. "They do me more good than anything I have ever tried." The R. B. Loryea Drug Store.

The editor of THE TIMES has received numbers of invitations to picnic and other pleasurable things in the county, but so far he has not been able to attend, and now that he is a candidate he is not in favor of candidates spoiling the people's pleasure by carrying politics to church or Sunday school picnics. We have known candidates to go so far as to attend funerals for the purpose of making votes, and it is a common practice with some to go to church meetings for that purpose. We do not believe in such. If a man cannot attend a church meeting in a proper spirit he would be doing better business to stay at home, and when he goes to a funeral with vote making him object, the voters should repudiate him for indecency and sacrilege.

A Real Friend.
"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Surdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief, I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. The R. B. Loryea Drug Store.

Saved From An Awful Fate.
"Everybody said I had consumption," writes Mrs. A. M. Shields, of Chambersburg, Pa. "I was so low after six months of severe sickness, caused by Hay Fever and Asthma, that few thought I could get well, but I learned of the marvelous merit of Dr. King's New Discovery for Consumption, used it, and was completely cured." For desperate Throat and Lung Diseases, is the safest cure in the world, and is infallible for Coughs, Colds and Bronchial Affections. Guaranteed bottles 50c. and \$1.00. Trial bottles free at The R. Easter in the Philippines.
Easter Day in the Philippines. Such an event by custom means a walk to church, a service there, and homeward stroll with a maiden fair.

Here a day in the trenches spent. Where I'm everlasting, keeping Lent. By giving what I most prefer—A sight of home and a glimpse of her.

Easter Day in the Philippines. An Easter of bacon and beans, Lord—or in lieu of you—Uncle Sam, Give me a chance "at some peas and lamb!"

Let me exchange this garb of blue For garments covered in red and hue, And put me in line with other men, On their way to church at half-past ten.

Leads Them All.
"One Minute Cough Cure beats all other medicines I ever tried for Coughs, colds, croup and throat and lung troubles," says Dr. Scott Curran of Loganville, Pa. One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sore cure, grip, bronchitis, coughs. The R. Virulent Cancer Cured.
Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless. He tried Electric Bitters and applied Buckle's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this cure excels in matchless healing power, blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c. Salve 25c. at The R. B. Loryea Drug Store.
