Last Saturday the town of Manning had all the appearances of a busy mart, and our merchants realized a big day's trade. It is estimated that the sales over the counters were over \$5000.

Mr. John Corbett of New Zion was in town last Monday, and showed us his account-sales of his place and those of Timmonsville and the showing was that he got eight dollars more for his tobacco in Manning than he got in Timmonsville.

One of the busiest stores in town is Krasnoff's New Idea. He is a stock broker sure. Mr. Krasnoff claims he is in position to sell clothing and shoes as cheap as other merchants in town.

The managers of the primary election are entitled to pay, and the county chairman has the money in hand to pay them. We hope they will collect this money soon, as we have a claim which cannot be paid until the managers get their money; so you see managers we are interested.

We reproduce in this issue a communication from Col. W. Brasfield in last Monday's News and Courier. There is ground for his complaint but how are you going to help it, without organization on the part of the farmers. All such evils can be remedied if the farmers will go at it right.

The trustees of school district 17 at a meeting held last Friday decided to sell the New Castle and Wayside school houses, and build a first class modern school house, and provide it with up-to-date equipment. This is a step in the right direction, and we wish the people of New Town much success in their efforts to encourage education in their vicinity.

If the merchants of this town are going to sit on logs with their mouths wide open and wait until the rail road commission bit comes along and drops in a rate on cotton equal to Sumter, they are liable to die of lock-jaw. If they want to get this rate they must show that they are alive, and can ask for their rights like men who want to build up and hold a trade that a competitive market is trying to take away.

Do you want to paint your house? L. B. DuRant wants the people to know that he has secured a line of paints which he can guarantee. Do you want a set of harmonies? L. B. DuRant has a line unequalled in any city. This is the largest hardware establishment between here and Atlanta.

It is not at all necessary for us to say a word for the Levi Brothers in Sumter, their advertisements speaks more eloquently than we can. They are urging the farmers to get together, and they promise to stick to them. The Levi Brothers are without a doubt headquarters for farmers; they pay fair prices for cotton, and the farmers carry it to them knowing before they start from home that full market value awaits them. Their stock of merchandise was never so large and they are selling goods as cheap as any house in the State. They are next to the Court House.

On our editorial page is the conspicuous advertisement of the Sumter Dry Goods Company, a concerned known to almost every woman in this part of the State. This is one of the humbriest stores in South Carolina. Its front windows are simply elegant. This company carries a tremendous stock of every thing in the dry goods line, and their dress goods department has become famous. It is a department store where a house can be furnished and a family can be supplied. When you go to Sumter do not fail to pay this store a visit.

Not Doomed For Life. "I was treated for three years by good doctors, written up as Greer, McCormick, O., for Piles, and Fistula, but when all failed, Bucklen's Arnica Salve cured me in two weeks." Cures Burns, Bruises, Cuts, Corns, Sores, Eruptions, Salt Rheum, Piles or any "Sore" at The R. B. Loryea Drug Store.

We men are always looking out for the "newest" and the "hottest." Next door to the famous Sumter Dry Goods Company is the elegant establishment of Messrs Stubbs & Cuttino, young, wide-awake, and anxious to sell goods in this new firm. They have fitted up their store with a view to attract and to show goods, and they are doing it too. They carry a large line of clothing and gents' furnishings and it will pay you to go to them. When you need a suit of clothes you can be well supplied by Stubbs and Cuttino.

Lingering Summer Colds. Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long severe cold will pull down the strongest constitution. One Minute Cough Cure will break up the attack at once. Safe, sure, acts at once. Cures all throat and lung troubles. The children like it. The R. B. Loryea Drug Store.

The little jogging we gave our merchants last week about the lethargy of the cotton market, had the effect of quickening the pulses and the result was, that ever since the cotton market has been jam up to Sumter every day. We have had the assurance from cotton buyers that through the balance of the season Manning will keep in close touch with the Sumter market. The difference in the freight rate between here and Sumter is so small that our farmers will find it will not pay to haul that distance to save it, and of course will bring their cotton here.

Water Cure for Chronic Constipation. Take two cups of hot water, half an hour before each meal and just before going to bed, also a drink of water, hot or cold, about two hours after each meal. Take lots of outdoor exercise—walk, ride, drive. Make a regular habit of this and in many cases chronic constipation will be cured. When a purgative is required take something mild and gentle like Chamberlain's Stomach and Liver Tablets. For sale by The R. B. Loryea Drug Store Isaac M. Loryea, Prop.

Jenkinson is with us this issue with a half page advertisement, and we want the readers of this paper to note the prices he quotes. No one can conceive the immensity of Jenkinson's stock until they go and see it. This wide-awake merchant has the reputation in the commercial marts, of being one of the best buyers they come in contact with and his selections display first class judgment, because he sells what he buys. One of the main secrets of the mercantile business is to know what the people want, and this Mr. Jenkinson has mastered. Notwithstanding the fact that Jenkinson has the largest store in town he had to go out to store away part of his stock. His millinery and dress making departments are the busiest places in town.

Beware of the Knife. No profession has advanced more rapidly of late than surgery, but it should not be used except where absolutely necessary. In cases of piles for example, it is seldom needed. DeWitt's Witch Hazel Salve cures quickly and permanently. It is equally good for sores, bruises, wounds, skin diseases. Accept no counterfeits. "I was so troubled with bleeding piles that I lost much blood and strength," says J. C. Phillips, Paris, Ill. "DeWitt's Witch Hazel Salve cured me in a short time." Soothe and heal. The R. B. Loryea Drug Store.

There is nothing like making a reputation and then holding it. David J. Chandler the clothier, is the oldest in the business in the city of Sumter. He is now where he started in the old "Winn store," and by his honorable dealings, he has merited a reputation which extends far and wide. No man ever brought in the old and took away discredited, or that it was misrepresented. This is the secret of Chandler's success. He never deceives. If an article turns out bad, he wants you to return it, and he will settle the bill with you. He has the goods with whom he bought. No customer of his shall be the loser. Has he a stock? Well go and see, and you will say you never saw a better variety any where.

A Certain Cure for Dysentery and Diarrhoea. "Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Ind. "I was afflicted with dysentery and diarrhoea, and was about to give up the trip, when editor Ward, of the Laceyville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle of the same, and took one before starting and one on the route. I made the trip successfully and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of Chamberlain's Remedy, and purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy.
