PULLING FOR VOTES.

President Roosevelt is now touring the great West, and from the character of his speeches, we would say that he is making "big hits," and rapidly patching the weak places in his political fences.

We would like to see Tillman of South Carolina and Hill of New York, both representing the different factions of the Democratic party, follow behind the president, and make speeches urging the Democrats to get together and show up the other side of the argument.

There never was a time in the history of this great country when the opportunity was greater for reaching the ear of the common people, conditions are such that the party in power is not at all certain of the position it has taken on questions of public policy.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh.

TILLMAN'S ROYAL RECEPTION.

The demonstration last week in Charleston, in honor of Senator B. R. Tillman was highly proper and is deserving of commendation, because it shows that the people of Charleston have laid aside prejudice, and appreciate faithful service.

We may differ from Senator Tillman in some of his positions on public policies, but that does not warrant us in decrying any and everything he may do.

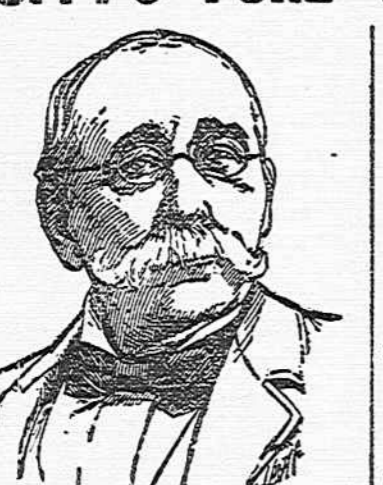

Our closing exercises will be on the 24th, 25th and 26th of March. On Sunday Dr. W. W. Daniel, president of Columbia Female College, will preach the commencement sermon.

CATARRH CURED, HEARING RESTORED.

After 25 Years of Suffering with Catarrh, Which Caused Deafness, Mr. W. Scott Was Completely Cured by DUFFY'S PURE MALT WHISKEY

W. SCOTT, 3758 N. Fifteenth Street, Philadelphia, Pa., March 10, 1901. Dear Sir: I have now used four bottles of your Malt Whiskey, and think I owe my life to this whiskey.

Thousands like Mr. Scott have been cured of Catarrh, Asthma, Bronchitis, Influenza, Grip and Consumption by Duffy's Pure Malt Whiskey.

CAUTION: When buying Duffy's Pure Malt Whiskey be sure you get the genuine. Inexpensive dealers, imitating the excellence of the preparation, are seeking continually to put upon the market for profit only and will try to sell you cheap imitations and so-called Malt Whiskey substitutes.

South Carolina occupies a peculiar position. Both of her United States Senators have nephews in jail. James H. Tillman for shooting and killing N. G. Gonzales, and whose trial is set for the 13th in Columbia, and John Latimer, awaiting the results of his shooting a school teacher by the name of Harper.
