

# BUILDING SALE

A contract has been given for building extensive additions to our store room, and in order to do this all of the rear end of our store will have to be torn out and remodeled. This will necessitate the moving of a good portion of our large stock or reduce it by a big BUILDING SALE. We have decided to do the latter, and for the next THIRTY DAYS we will, for the SPOT CASH, offer Bargains in all lines of goods unheard of to the people of this town and county. We have decided that this BUILDING SALE at Sacrifice Prices will be decidedly the most logical way of disposing of our goods, for the moving of the stock and storing will damage the goods and at the same time mean heavy expense, so we will put our goods on the market for the CASH at money-fetching values.
