VENUE CHANGED FOR TILLMAN.

The notorious case of the State and arguments made thereon, an order was granted for the trial of the cause to be had in Lexing-The matter of ant would not be able to get a fair trial in Richland, and a large number of citizens who swore directly opposite, was sufficient to show that a strong doubt existed and, as the defendant's life is in jeopardy, he is entitled to the benefit of any substantial doubt.

The attorneys for the defense, in their arguments, laid particular stress upon the influence the Columbia newspapers had, to inflame the prejudices of the people of Richland county against the defendant, claiming it made it impossible for him to get a fair trial. We have read almost everything the Columbia newspapers had to say on the subject of the killing of N. G. Gonzales, and we do not recall a single morial which was unwarranted, or which will verify the

E. Gonzales a brother of the deceased editor for refraining from writing anything which could be construed into an office, and there attempt to stifle his voice with cowardly assassination, they should not be sination. writing anything which could be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution, although his provocation could not have been must be construed into an excuse for the cry of persecution. greater. The slayed editor in his life-time was a strong champion to excite the populace to condemn him-once he was burned lynching, but it did not deter him from continuing his fight for the uplifting of the law; that his successor in edithe principles so earnestly advocated by his lamented brother, and former chief, is conclusive evidence of the sincerity of State's professions. Those principles are now written in the blood of the founder of that journal, and they are a sacred monument to his memory. Newspaper throughout the civilized world denounced the killing of acterized his slayer as a murthesake of Captain Kelley's forming and a coward it is the sake of Captain Kelley's forming and a coward of the sake of Captain Kelley's forming and a coward of the sake of Captain Kelley's forming and the way. Public and the sake of Captain Kelley's forming the sake of Captain it is true, but after the second which could possibly excite prej-

ed misrepresentations. The case will now be tried in B Loryea Drug Store. another county, all the safeguards to insure justice should be thrown around the State and the defendant, South Carolina is Editor The Manning Times: as much entitled to protection as is any of her citizens, and as this gathering the old yellow leaf, and Genis a case which is being watched eral Green is straight behind them. by the entire world, every precaution should be taken for abcaution should be taken for absolute fair play. The prominence Paxville friend about building a jail of the deceased, and the defension with money that can be used for the of the deceased, and the defendant, should be eliminated, the case tried strictly upon the indictment brought, and a verdict rendered according to the law and evidence: those whose duty it will be to empanell the jury should be scrupulously careful schools. The building of a new jail was settled by ballot. The taxpayers voted "No dictment brought, and a verdict rendered according to the law and evidence: those whose duty it will be to empanell the jury should be scrupulously careful to be lengthened. They think there should be scrupulously careful the surgeon's knife until you have tried by womanhood, who deeply regret to hear of her death, and whose hearts are product the surgeon's knife until you have tried by womanhood, who deeply regret to hear of her death, and whose hearts are product in a primary, they do not want a a new jail now, and they prefer the profits from the dispensary to go to the schools. The terms of our schools ought to be lengthened. They think there life until I used DeWitt's Witch Hazel and interment were had a the Sumter cemetery at 70'clock last.

charged-with killing N. G. Gon editor busy. zales, is not a political issue; it is not a question of "commercial-ism" as ex-Judge Buchannan ar-Stomach and Liver Tablets after once gued before the court, when trying them. They always produce a referring to the newspapers, nor pleasant movement of the bowels, in-is it a case which demands ad-prove the appetite and strengthen the digestion. For sale by the R. B.
