Miss Lula Teague of Newberry, now teaching school at Workman, spent yesterday in Manning.

Mrs. J. T. Stokes has returned home from Florida accompanied by her mother Mrs. Sarah Hudson.

Mrs. Abe Levi after spending several months visiting the pleasure resorts of the North is at home again.

In the presence of a few friends, Mr. L. D. Matthews and Miss Catherine M. Hicklin were married by Rev. G. T. Gresham at the residence of the bride's parents, Mr. and Mrs. W. H. Hicklin, in Auloin, on yesterday evening.

The readers of THE TIMES must bear with us this week. Our state has been very much over-worked with matters not connected with the paper, and on this account it was a physical impossibility to get out and search for news.

On last Sunday night, near Workman, David Gamble, colored, was shot by Wash Harrington, colored, "about one o'clock." Gamble was hit above the heart with a pistol ball and so far the doctors have failed to locate the leaden missile.

The circumstances of our daily life, the difficulties, the disappointments, the denials of our lot, our state of health or of force, the faults or errors of those with whom we live—these and such like influences pressing upon us form an entire system of discipline which continuously acts upon us.

The great big advertisement of W. E. Jenkinson in this issue will I am satisfied be read with interest by the trading public. Jenkinson is a hustler. He has a great big store and a great big stock, and he wants a great big trade. This he proposes to obtain by push, perseverance and progress, the three cardinal principles of this mercantile success.

We understand that innocent parties are about to be financially hurt, because of careless purchasing of property. It is always the safest and cheapest way to make a purchase, and if you cannot do it yourself, it will be a paying investment to employ a responsible lawyer to make the investigation. We sincerely hope the parties interested will be able to save themselves from any financial loss, and take their present experience as a dearly bought lesson.

A Perfect Painless Pill

is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectively are DeWitt's Little Early Risers. Sold by The R. B. Loryea Drug Store.

The "Opening" of the Mutual Dry Goods Company was indeed worth attending, and those who did not get out certainly missed a beautiful and artistic display of dress goods, trimmings and a lovely exhibition of laces, embroideries, and white goods. The store was very tastefully decorated, not with flowers and green, but with bright colors, and the goods carried in stock, so that those who entered their store could inspect the goods which they are offering for sale, and at the same time see the prices. Their store presented a beautiful appearance and the young gentlemen were exceedingly solicitous that everybody should be allowed every opportunity to examine their goods. These young men are now trying to build the foundation for a very large business, and the start they have made with the encouragement received from the people, is an indication that success will crown their efforts.

A Visit to the Holy Land.

A few days ago we received a pleasant surprise, in the shape of a letter from Rev. P. B. Wells, former pastor of the Manning Methodist church. He is now stationed at Abbeville and is ready to have the love and esteem of those people. Mr. Wells has been chosen a delegate to the World's Sunday School convention, which convenes next spring in Jerusalem, and it is his expectation to attend, leaving New York on the 8th of March by a special steamship of the North German Lloyd line, and he will be gone about 75 days. The trip will afford an excellent opportunity for Mr. Wells to give full sway to his studious turn of mind. He will spend a few days at Gibraltar, Malta, Alexandria, Algiers, Constantinople, Athens, Rome, Naples, Egypt and the Holy Land, and we hope while in Jerusalem if he happens to run across one of our ancestors, he will give the old gent a token, say a dollar or so, and let him know that his grandson on this side of the earth is yearning to see him.

We congratulate our friend upon his good fortune in being selected for this trip, as we know he will be greatly benefited by it, and so will his friends. We shall exact a promise from him to furnish a letter each week to THE TIMES, while on this trip for the pleasure and benefit of our readers, many of whom are Mr. Wells' personal friends, and this friendship is not at all confined to the Methodist denomination. He is beloved by all faiths and creeds, and a weekly account of his journey will be looked forward to with joy. When Mr. Wells returns from the land of our grandfathers, we shall endeavor to persuade him to come to Manning and deliver a series of lectures and should he consent, it is needless for us to tell our readers that this will be interesting and instructive.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mrs. Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because God's calling is not enough." It is for the same reason that you are told again and again that Chamberlain's Cough Remedy cures cold and grip, that it counteracts any tendency of these diseases to result in pneumonia and that it is pleasant and safe to take. For sale by The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

Do Good—It Pays.

A Chicago man has observed that "Good deeds are better than real estate deeds—some of the latter are worthless. Act kindly and gently, show sympathy and lend a helping hand. You cannot possibly lose by it. Most men appreciate a kind word and encouragement more than substantial help. There are persons in this community who might truthfully say: 'My good friend, cheer up. A few doses of Chamberlain's Cough Remedy will rid you of your cold, and there is no danger whatever from pneumonia when you use that medicine. It always cures. I know it for it has helped me out many a time. Sold by The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

Ran a Ten Penny Nail Through His Head.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion. We will send you a little free. SCOTT & BOWNE, CHEMISTS, 409 Pearl Street, New York. 50c. and \$1.00; all druggists.
