**A New Store, a New Milliner and a New Stock**  
Our Miss Coppedge who served us for the last ten seasons will be with us no more and we will start out this spring with a New Store, a New Milliner and a New Stock.  
Our Milliner will be a lady from Baltimore and suffice it to say that she will be up-to-date in every respect.  
We wish to say to our many lady friends and patrons that we propose to put all the energy and vim at our command into our Millinery Department this spring and the ladies can depend on it that our prices will be lower than ever.  
Our Millinery Department will be ably assisted by Mrs. Beulah M. Dinkins of Williamsburg, S. C., and Miss Ada Bagnall of Manning.  
Ladies, we want you all to stand by us this spring.  
W. E. JENKINSON.

Judge R. O. Purdy will preside at our coming court.  
Died last Sunday near Silver, Mrs. John W. Rhame.  
Dr. A. D. Epps of Greeleyville spent yesterday in Manning.  
Mr. S. I. Till is at the North purchasing his spring stock.  
We have just printed and put in stock a new form of labor contracts.  
Died last Thursday at Wilson, Miss Annie Lowder, aged about 19 years.  
Died at Mayesville last Thursday, Mrs. Tabby Bryant, aged about 75 years.  
Mrs. C. F. Williams of Columbia is in Manning on a visit to her parents, Mr. and Mrs. F. N. Wilson.  
One of the oldest places in town is the new establishment now being opened by Gerald & Thames.  
Claude Breedin was taken Dr. Baker's Infirmary last Saturday and operated upon Sunday. His condition is critical.  
Died at the home of his son-in-law, Mr. Robert Hodge at Alcolu, last Monday, Mr. Lamt Boseman, aged about 59 years.  
Mr. W. P. Legg has purchased from Mrs. E. G. Hall the house and lot on Railroad avenue, known as the "Conor place."

St. Peter's lodge meets to-night in its regular communication. This is an important meeting and a full attendance is desired.  
Died at his home last Friday morning near Davis Station, Mr. J. L. Eadon, aged about 45 years. Funeral at St. Paul's church.  
Mrs. Hugh McKelvey who has been in Manning visiting her mother, Mrs. S. Isaman has returned to her home in Greenville county.  
The dispensary was closed last Monday on account of Washington's birthday, and many a fellow carried about with him a dry thirst.  
We are glad to note that Dr. M. D. Murray of Pinewood has recovered his health and has returned from Baltimore to resume his practice.  
A telegram was received here yesterday announcing the death at Columbia of Alma, a five year old daughter of Mr. and Mrs. Charles Fishburne.  
There will be no preaching in the Manning Presbyterian church next Sunday as the pastor will fill an appointment in Georgetown on that day.  
The force of hands working upon the streets struck for more pay, and the council arranged with Supervisor Owens for a part of the chain gang to work on the streets.

It is a healthy sign, when farmers make their purchases and give checks on the banks in payment. There are more farmers with bank accounts this year than ever before.  
Bishop H. A. Tisdale of Summerton was in Manning Monday, and from his hearty pump-handle handshake and his solicitous inquiries after the family, it is suspected that he is a candidate.  
It would be a good idea to build a warehouse at the depot to store fertilizer. The cost would be very little and when the roads are in bad condition as they usually are at this season of the year, it would be a great convenience to fertilizer buyers.  
Died last Friday at his home in Privateer, McDonald Furman, aged about 40 years. The deceased was one of the best posted men in the State on South Carolina history, and on Indian matters he was regarded an authority. He had many warm friends in Clarendon.

The section forces on the A. C. L. are still on a strike for more pay, and it is reported that unless the railroad authorities soon get forces of hands back on the roads, the engineers will also strike, because they regard it dangerous to operate upon unguarded roads.  
A very sad accident occurred at Turberville last Thursday. A nine months old child of Mr. Henry Dennis was left in a chair before the fire, while the mother was in the yard washing, and a coal popped from the fire, and burned the little one so severely that it is feared it will not live.  
The bill introduced by Representative Lesesne to increase the county treasurer's salary failed of enactment on account of a rule adopted to not consider third reading bills on the last day of the session. Mr. Lesesne tried to get the bill up on Saturday but the House refused to rescind its rule.

We have in our possession a land plat, which was sent to this office by a lady who found it. The plat is dated 1845, and refers to 1,000 acres of land, situated on Mill branch, waters of Santee River. It probably belongs to somebody in this county, and they can have same by calling at this office.  
It is against the law to operate slot machines that have any chance in the small towns were not run with a view to gamble, but merely to sell cigars, but in the wisdom of the Legislature it was deemed best to put a stop to them which will save many a nickel that which would otherwise have been spent for cigars.

Mr. James J. Doggett of New Zion, one of Clarendon's oldest citizens was found dead in his barn last Saturday. He had gone into the barn to shell some corn and he remained there so long that his wife went to see about him, and when found he was cold in death, with a cob in his hand, and it is supposed while shelling corn a stroke of paralysis killed him. The deceased was about eighty years of age, well known throughout the county. He was eccentric, but a good man.  
Judging from rumors, we are inclined to think there will be a full crop of candidates for the various county offices, and so far as we are concerned we have no objection to the number, the more the merrier, and the more material to select from. This newspaper will not take sides, between local candidates, it has no favorite to advance, nor has it any to oppose. We want the best man to win, in a free, open, and fair contest.

Died yesterday Raymond Wilson, colored, an old servant of the Levi family. The deceased shortly after the war was implicated in some trouble in Darlington county, and a number of years after he was found in Manning and taken to the penitentiary. The late Moses Levi became interested in his behalf, and made a personal appeal for pardon to Governor Richardson who granted it, and ever since Raymond has been a faithful servant in the Levi family.

The citizens of Manning are called upon to say whether or not we are to surrender our present charter and put the town under the general incorporation act. Under the present charter the council is practically helpless, it gives no power to put in improvements, it does not take sides, between local candidates, it has no favorite to advance, nor has it any to oppose. We want the best man to win, in a free, open, and fair contest.

**Consumption**  
Salt pork is a famous old-fashioned remedy for consumption. "Eat plenty of pork," was the advice t the consumptive 50 and 100 years ago.  
Salt pork is good if a man can stomach it. The idea behind it is that fat is the food the consumptive needs most.  
Scott's Emulsion is the modern method of feeding fat to the consumptive. Pork is too rough for sensitive stomachs. Scott's Emulsion is the most refined of fats, especially prepared for easy digestion.  
Feeding him fat in this way, which is often the only way, is half the battle, but Scott's Emulsion does more than that. There is something about the combination of cod liver oil and hypophosphites in Scott's Emulsion that puts new life into the weak parts and has a special action on the diseased lungs.

A sample will be sent free upon request.  
Be sure that this picture is a wrapper of every bottle of Emulsion you buy.

**Summerton News.**  
Editor The Manning Times:  
I see THE TIMES correspondent at New Zion puts a pretty good phase to the bill introduced in the Senate to transport judges. I see also where a bill was introduced to change the salary of Supreme Court Justices from \$2,500 to 3,500 with the excuse that it costs more to live now than when the general salary bill was passed. This bill went to its third reading at \$3,000. I wonder what kind of "ism" this bill is; hope none of our delegation was in this push.  
Now, Mr. Editor, I believe that a large majority of the people of this county will agree with me when I say that you have fought a hard and fearless battle with your pen to maintain for your paper the high standard it now has and always for the best interests of the people, and I have no doubt that the suggestions in THE MANNING TIMES will have more and more consideration.  
Wonder if the route from the county seat to Salem to sell sewing machines will be shortened any now by way of Batesburg, S. C.?  
I see in the newspapers where there came near being a conflagration in the hall of the Legislature last week. Now these big fat fellows that feel like fighting for the State's rights and its wrongs and better get outside, for if the structure is in the condition the last committee reports, the State would not only lose a lot of money, but the fighting might throw the State House down and some mighty useful, brainy (?) men might be lost in the collapse.  
Mr. George Epperson of Sumter spent a couple of days in this town last week. Our hustling judge, A. J. Richbourg, is having his large office painted, which adds much to its looks.  
Mr. T. E. Fisher has accepted a position in the Avant Mercantile Company's store.  
Died at her home, about two miles from Summerton last Thursday night, after a short illness, Mrs. Mary Richbourg, widow of the late E. R. Richbourg, aged 84 years.  
This little town has been alive with drummers the past week.  
Mr. W. H. Shiner, our esteemed depot agent, is taking a rest, and Mr. Ernest Tisdale is holding the railroad business down in his place.  
Mr. Henry C. Hinson, the blind brother of Mr. T. E. Hinson from Lee county, is visiting the latter. It is remarkable to see this man get about without help, as he can go anywhere around the place without aid.  
Our hustling Mr. W. A. Avant bought from a bunch of mules here last Saturday four of the finest of them, for the mill business, I suppose.

Fewer gallons; wears longer; Devoe Panola Dots.  
Editor The Manning Times:  
Your correspondent from Panola has been resting from his weighty duties, endeavoring to create a long breath by taking up the pen again and waiting to hear something cheering from our legislators now working up the interests of their constituency "and their own." But it is useless to expect anything better in the future than we have had in the past, so we come down to practical things and real life at home.  
With this preface we touch lightly upon some of the doings, comings and goings of the people who make up the little world around us in which we live, move and have our being.  
Intelligence of the death of Mrs. Ellis Richbourg, the venerable mother of Mr. L. N. Richbourg of this place, has just reached us. We tender to our neighbor and friend our sincere sympathy in his sad bereavement.  
The many friends of Mr. L. D. Way are not surprised but delighted with the fair bride he found in the home of Mr. H. Johnson of Foreston, and we wish these young people every happiness and a prosperous life.  
Mr. C. E. Bryant of Silver has accepted a position in Augusta, and his many friends here wish him success in his new home.  
The Valentine party at the Grange Hall Academy on last Friday night was well attended and a pleasant affair.  
Mr. C. W. Evans of this place is now drumming for the E. A. Brown Tobacco Company of Richmond, Va.  
Mr. and Mrs. George Lesesne of Santee paid this neighborhood a flying visit on last Saturday.  
Mr. S. P. Fairly still lingers in the far West and his neighbors impatiently await his return. We expect to see him come laden with the trophies of the chase in the wilds of the Colorado in the shape of deer, bear, wild cat, ten-foot rattler and buffalo.  
Mrs. S. P. Holladay is preparing for the annual exhibition of the Panola Academy which we know will be an intellectual banquet to all who are present on that occasion.

Letter to J. D. Gerald.  
Dear Sir: Would you rather have your customers speak of your shoes as "wanting to be run down at the heel," as turning water, and taking a shine; or wag their heads and say nothing?  
We'd rather have have ours, at long intervals, say: "We want Devoe." We know it isn't in human nature to paint very often; we don't expect them to come very often; we don't want 'em to. All we want is to paint what they have to paint, whenever they paint it, the longer the time the surer they are to come back. There's business enough in the world; there are houses enough to paint; let 'em take their time.  
If we were a shoemaker, we'd make shoes to last half a lifetime, and shoe the whole town.  
Yours truly,  
F. W. DEVOE & CO., New York.

Everything here is quite festive on account of Washington's birthday. The streets are lively with different sets of amusements. The only difference between Washington's birthday and Thanksgiving is that we always have turkey for dinner on the latter, while we are not thus blessed on the former, and thereby aid him in securing a lifetime companion. Who will take the first step toward giving assistance?

**Voluntary Testimonial.**  
To D. O. Rhame, Druggist, Summerton, S. C.  
Dear Sir:—I have been suffering from Rheumatism and Lumbago eighteen (18) years, and during that time tried several Doctors, and took some of all of the different remedies I ever heard of, but got no real benefit. Finally, learning that Rhame's Rheumatism Remedy had cured many others, I tried it. As an evidence of my gratitude for the remedy which benefited me so much, I wish to relate my experience to all who may be troubled with Rheumatism. (Signed) F. H. CHEWNING, 16-13c Silver, S. C.

**For the Early Market.**  
If you want to make the most money out of your garden this year, it is time to begin thinking about planting radishes, lettuce, corn, cucumbers, peas and onion sets. This is the month tomatoes and cabbages should be planted in hot beds. Much of the success in truck raising depends upon getting fresh seeds that are true to name. This is certain when you get your seeds here. Every seed was grown last year and under conditions that insure the reliability of the variety. Among the more popular favorites for early planting in this section we would name the following:  
**Cabbage, Tomatoes, Corn, Radishes, Lettuce, Peas,**  
**AT**  
**Rhame's Drug Store,**  
Summerton, S. C.  
We have a full line of these and all other varieties ever grown in this section.  
**Problems Solved, Not Gussed At.**  
Illegible writing and perplexing problems often confront the prescription clerk. We have devoted much time to the scientific study of prescriptions and many years to practical experience.  
**We Are Seldom Puzzled,**  
but when we are we do not compound until we know just what is required. The fact that our business constantly grows is evidence that our service pleases. You are safe in bringing prescriptions to RHAME'S.  
**LITTLE THINGS AT A SAVING.**  
Doing little things well is a characteristic of this store. We recognize the fact that a transaction that may seem small is often of great importance to you, and our methods and service are such that we care for the smallest sale as carefully as we do the larger ones. There are hundreds of little articles in a drug stock for which only occasional calls are made, but when they are wanted it is to fill a need which nothing else can fill—it is our constant effort to supply these trifles. This same attention to detail is carried throughout our business. In selecting goods, each article is purchased with regard to quality. Each price is as low or lower than the same quality is sold for elsewhere.

**Still Up to the Standard**  
—IN—  
**High Class Goods.**  
We still have some good things to offer yet. Although it is between the seasons, we can give you some very close prices on Winter Goods, as we want the room for our large shipment of Spring Goods already bought.  
**Ladies' and Misses' Jackets.**  
We still have something good and up-to-date in them that we are offering way down below their real value. Come early and look through what we have. We will make the prices to suit your pocketbook.  
**Ladies' Skirts.**  
If you are looking for something in that line we can please you in quality and price. We still have something nice in them in dark Greys and Blacks that you can get at real bargains. A look at them will convince you.  
**Our Dress Goods Department.**  
We watch that with great care, therefore you can find us right in the lead along that line.  
Our Black Dress Goods Department is always full of good things and the prices will meet all competition. See what we have before buying your Suit or Skirt.  
All cotton goods are higher, but we were on the watch for that and laid in a good supply of them, and our prices on them are as low as the lowest. Get our prices before buying.  
**R. & G. Corsets.**  
We have a big shipment just in of all the newest shapes and styles. The deep hip will be one of the leading styles this season. We carry them in all sizes.  
**Our Hamilton-Brown Shoes**  
Still have the lead in high art Footwear. We carry a full line of them in all sizes and styles. Buy a pair and they will make a shoe customer of ours.  
Thanking you for past patronage and wishing you a prosperous new year,  
I remain yours,  
**THE OLD RELIABLE,**  
**S. A. RIGBY,**  
J. H. RIGBY, Manager.

**Spring Goods!**  
While we are still unable to report that we have moved into our new store, yet we are not waiting on that important event, but are just pushing right ahead and getting in Spring Goods of every description and we are vain enough to believe that we now have jammed into our circumscribed quarters the best selection of new Spring Goods of any house in the place and we think a visit from you and an inspection of our stock will convince you of this assertion.  
**Laces and Embroideries.**  
Too much cannot be said in impressing our great values in Laces and Embroideries upon the minds of those who are interested in such dainty things.  
Our line of 5c Embroideries and Laces has no equals in this market.  
A large line of Torchon Laces at 5, 10 and 15c yard.  
Nice dainty patterns in Val Laces with insertings to match. The greatest line of Embroidery in Match Sets ever shown in this town.  
A look at our Laces and Embroideries will convince you that our prices are the best.  
**Black Skirt Goods.**  
Our line of Black Skirt Goods is the wonder of all who see it, consisting of Voiles, Raglanes, Cicilians, Brilliantines and Seres ranging in price from 25c to \$1.25 per yard.  
If you need a nice Black Skirt for Easter don't put it off but come now while the selection is not broken.  
**A Word to the Gentlemen.**  
If you need anything in Clothing, Shoes or Hats we think we can come as near pleasing you as we have a brand new stock of everything in this line.  
Nice All-Wool Suits for \$7.50 that you can't buy elsewhere for less than \$10. Yes, we mean just what we say, you can't buy them for less than \$10. We warrant every thread of them to be all wool too.  
It will do you good to see our splendid line of Black Suits in the newest weaves and styles at \$10, \$12.50 and \$15 per Suit.  
If you need a nice Suit we are sure we can interest you.  
You need a nice new style Hat or a nice pair of Shoes? It will cost you nothing to see our line and it may save you money; anyway you can't lose anything by giving us a look if you are interested in a nice Suit or a nice Hat or a fine pair of Shoes.  
**Millinery, Millinery.**  
I just want to say to the ladies of Clarendon and adjoining counties that we expect to have more ginger, more vim and more energy into our Millinery department than we have for many seasons, for we will have a  
**NEW MILLINER,**  
A new stock of goods out and out and a new store to show up our stock to the best advantage.  
Ladies, be sure to look us up when you need that Easter Hat, we will do you good.  
**W. E. JENKINSON.**

**HOW CAN WE DO MORE BUSINESS**  
TODAY THAN WE DID ON THE CORRESPONDING DAY LAST YEAR?  
This is the question that we are constantly answering by making it to the interest of the purchasing public to buy from us. With this object in view we lay our plans ahead by buying goods at the lowest market prices and giving our customers the benefit of our foresight.  
—FARMERS—  
Do not fail to inspect our stock of Spring Hardware. Our ability to serve you is not excelled anywhere, and we place before you the largest and most varied assortment of goods in our line ever shown in our county at prices that are unapproachable.  
Let us show you our Plow Blades; at the price we quote them to you you cannot help but appreciate their great value. We have an excellent stock of Backbands, Plow Lines, Single-traces, Traces, shovels, Forks, Mattocks, Grub Hoes, Cotton Hoes. All patterns of Plow Stocks, including the Celebrated W. Plow than which no better class is made. Curry Combs, Brushes, Repair Links, Steel Shapes, Guano Distributors, Harrows; in fact everything for the farm at astonishing low prices, considering the advance in almost everything.  
**HOUSEKEEPERS**  
We regret that owing to the delay of the railroads in making delivery that we have been temporarily out of certain sizes of our Celebrated O. K. Stoves and Ranges. We wish to say that we now have them and can sell at prices formerly quoted. When we report that these Stoves have been the most phenomenally successful line from every standpoint ever put on the market we but offer the assertion as an evidence of their many excellent qualities.  
Very truly yours,  
**Manning Hardware Co.**

**We are Now in Our New Quarters.**  
We are in our new quarters at the same old stand, next to Jenkinson's, where we are prepared to fill all orders for
