This office has received a pleasant surprise from the Young Brothers, sign painters of this town, in the shape of a very handsomely painted swinging sign painted old English, the words "THE MANNING TIMES," and it now adorns the front of our office. The workmanship is equal to any we have seen in any city, and we bespeak for the Young Brothers patronage in their line. As sign painters their work must commend itself, as a look at the sign swinging in front of THE TIMES office will show.

We are requested to ask the people of Manning and all others interested in the Manning cemetery to meet in the court house next Thursday afternoon at 6:30 for the purpose of taking steps looking toward repairing the cemetery in better condition. To neglect this sacred spot is a shame upon our people, and we cannot understand why it is, that such an indifference exists. Remember your dead, and we bespeak for the Young Brothers patronage in their line. As sign painters their work must commend itself, as a look at the sign swinging in front of THE TIMES office will show.

Judge Purdy granted bail on last Wednesday in the case of the State vs. S. M. Youmans in the sum of \$3,000. The papers reached Manning on the evening train and in less than a half hour the bond was signed and Mr. Youmans released from custody. Mr. Youmans was visibly affected, and leaves Manning and promptly action of his bondsmen, who wanted the arrival of the train to sign the bond.

The proceedings before Judge Purdy in the application for bail in the Youmans case was about as heretofore published, with the exception of some affidavits contradicting the witnesses for the defense. The State's witnesses claimed Keels to be unarmed, and the other side are positive that he was armed, and he succeeded in getting his pistol out of his pocket. That he dropped the pistol, and it was picked up by a friend.

We are in constant receipt of letters from men who want to be railroad commissioner and who are urging us to say something in their behalf. Among the letters comes one from a man who made use of these columns when we sent him a bill two or three times he ignored us. Now he is a candidate again and of course we cannot afford to speak favorably of a candidate who is careless about paying an honest debt. Then another case in which we had no interest was placed upon our subscription list, and we sent him several reminders to pay, he too, acts as if a newspaper should be satisfied in collecting subscriptions from the masses, and leaves pistol out to fat political jobs alone. A man who will not pay a newspaper subscription cannot get our support for office, and a man who sends out matter for publication in the interest of his candidacy and refuses to send him when a reasonable bill is sent him, will not receive our support, but will lose the support of every friend we can induce to vote against him.

The Veterans Meet.

Notwithstanding opinions are at variance as to the propriety of accepting the invitation of the people of Charleston to enter the Confederate Veterans, and although the commander of the Harry Benbow Camp refused to call his band together, quite a number responded to the call of Capt. D. J. Bradham and on last Saturday they met in the court house. The gathering was not as enthusiastic as in days gone by, but probably to the fact that Colonel Bradford was opposed to the project which meant the huddling of his men in places, where other groups of men would not be entertained, as he regarded it, a discrimination.

The meeting was called to order by Captain Bradham, who introduced Rev. J. M. Holladay, pastor of the Presbyterian church, and who began the proceedings with prayer. Captain Bradham requested Mr. Geo. R. Jones to act as secretary, and then proceeded to state the object of the gathering. He stated that the committee in charge had the honor to receive from the railroad fare, relieving THE TIMES of any erroneous publication, thereby putting the blame where it belonged, upon the officers of the railroad, who issued an official letter to THE TIMES fixing the fare at \$1.00 the round trip, and are charging \$1.80.

Captain Bradham then ordered color-bearer Henry Griffin to take the flag to the door, and called upon the twenty men who were unable to pay their own way, and as a matter of course he was limited as to the number of veterans he could offer free transportation and free board. This matter he repeated several times, and made it so plain that it amounted to offering charity to those who wished to accept. He also made clear the cause of the confusion about the railroad fare, relieving THE TIMES of any erroneous publication, thereby putting the blame where it belonged, upon the officers of the railroad, who issued an official letter to THE TIMES fixing the fare at \$1.00 the round trip, and are charging \$1.80.
