CALLING FOR BRYAN.

The last few words were lost in cries of "Bryan!" "Bryan!" that came swift and thick from different parts of the hall.

Cheers mingled with the calls, and it was fully a minute before the voice of the clerk was able to rise above the tumult. Mr. Bryan remained quietly in his seat during the demonstration made by his friends and gave no cutward sign of his recognition of the applause that had greeted his name. Delegate Powers, of Michigan, was recognized by Chairman Williams to return the thanks of the convention to the exposition officials for the courtesy shown, and made a brief speech of acknowledgement.

The motion to accept the invitation with which Mr. Powers concluded was adopted unanimously.

Sergeants-at-arms with bundles of expositiion tickets were at once sent throughout the seats occupied by the delegates and alternates handing them to the chairman of the delegations. When the ticket passers had nearly

finished their task the chairman announced that the roll of states would be called, each state as its name was called to send up to the chairman's desk the names of its committeeman in caucus.

While the roll call was in progress the spectators, concluding that the Bryan in the matter of the contests journment taken Friday.
