The many kind expressions from friends upon our return home from the saddest mission of our life is sincerely appreciated: it is indeed gratifying to us when chastened with the real of affliction to feel the warm grasp of a friendly hand, and to feel the tender sympathy of those with whom we are in daily contact.

 Bishop Joseph S. Keen, Southern M. E. Church, writes: "We gave Dr. Mof- fitt's 'TEETHNA' (Teething Powder) to our little grandchild with the happiest results. The effects were almost magical, and certainly more satisfactory than from anything we ever before used." (Teething Powder) Conquers and Overcomes the Effects of the Summer's Heat.
 A United States deputy marshal came to Manning Monday and served notice upon S. I. Till that proceedings in bankruptcy had been filed against him and he is ruled to show cause in Charleston next Monday before Judge Bradley why he should not be adjudged a bankrupt. The liabilities are about \$5,200, assets about \$2,500. This is the first that has been in Manning for years and it is to be regretted. We hope Mr. Till will be able to settle his affairs satisfactorily.
 As will be seen in a notice published elsewhere in these columns, there is some prospect for another railroad through this county. The building of this road will give us an outlet through the Seaboard Air Line. Railroads can not be built upon paper. It is true, but the men who are projecting this scheme are such as do not waste time with theories, but take hold of things practical, and push them through to success. We do not as yet know just what part of this county the road contemplated will go through, but the indications are that Sumter will be the final destination. The building operations at the outlet will make the line cross Little Pee Dee River, near Gallivan's Ferry then on to Marion, through Florence to Sumter.
 We have now in Manning an industry which should be hailed with delight by all of us, and we should feel grateful for the enterprise of Messrs. Orvin and Trescott in establishing here a Kodol Dyspepsia Cure distillery. This will give all work entrusted to them their personal attention, and this alone means a great relief from many annoyances which housekeepers have been forced to undergo. This laundry is here now, and if our people will give it the proper appreciation and patronage it is bound to be a success. We have seen the first work turned out by them and we consider it very good, but we are assured by their indications and working order they will turn out even better work. Read their ad.

Editor's Mother Dead.
 Mrs. Henrietta Appelt whose death at her residence in Greenvest Wednesday morning, July 13, is recorded, was one of the oldest and most esteemed residents of this locality. With her husband, the late Morris Appelt, she had lived in Greenvest many years and had reared a large family of children who are now quite scattered.
 One of the five sons, Samuel resides in Greenvest, Joseph in Manhattan, Aaron in Newark, N. J., Henry in Darlington, S. C. and Louis in Manning, S. C., where he publishes a newspaper. Joseph, who was visiting here was the only one besides Samuel and Carrie, who was present at his mother's death which was peaceful and unexpected, her consciousness continuing till the last. The remains were taken on yesterday morning to the city for burial in Mount Zion cemetery by the side of her husband. The other children were expected to meet the funeral cortege there.—Watchman, Greenvest, L. I.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.
 This remedy is certain to be needed in almost every home before the summer is over. It can always be depended upon even in the most severe and dangerous cases. It is especially valuable for summer disorders in children. It is pleasant to take and never fails to give prompt relief. Why not buy it now? It may save the life of a child. The R. B. Executive Committee Meeting.
 An important meeting of the county executive committee was held Saturday. County Chairman W. C. Davis presided. Mr. A. J. Richbourg was secretary and the following members from clubs were present:
 E. D. Hodge, Alcolu; I. I. Bagnal, Clarendon; A. J. Richbourg, Cross Roads; Geo. R. Jones, Davis Station; I. N. Tobias, Doctor Swamp; D. L. Green, Douglas; J. M. Windham, Farmers Platform; J. M. Mendenhall, Fork; J. H. Windham, Foreston Reform; R. D. Thompson, Harmony; M. L. Mitchum, Jordan; S. W. McIntosh, Midway; R. E. Smith, New Town; M. Woods, New Zion; C. R. Felder, Panola; B. P. Broadway, Pinewood; H. S. Briggs, Silvera; Gilbert Mill, Fulton; Foreston, Manning, Paxville, Summerton and White clubs were not represented.
 The meeting was harmonious and matters were freely discussed looking to the good of the county and carrying out a fair primary election.
 A resolution was passed instructing the county chairman to call together the secretaries of the various clubs throughout the county to meet in their respective sections, ten days before the primary election, and revise their club rolls, cutting out all names that are on more than one roll, so that there can be no chance of members of clubs voting in any club but the one to which their names are regularly enrolled.
 A communication was read from the State chairman saying that under a resolution by the State committee the county committee could not put assessments on candidates for State or Congressional office. The committee discussed very freely the matter of assessing the candidate for Congress, and were unanimous in the opinion that if Charleston could assess a candidate for Congress in the 1st district, 5000, the other counties in the district had the same right. They thought that it was simply a plan on the part of Charleston to put the assessment so high that no candidate outside of the city would pay it and that the candidate from other counties in the district would always get the Congressional vote. Some members thought that this was only a bluff on the part of Charleston and that the Congressmen Legare really did not pay the full amount of \$500, but as one member expressed it "if Mr. Legare is going to come in the game let him quit," and the committee placed an assessment of \$500 on Mr. Legare anyhow, while he may have the pleasure of paying or refusing to pay.
 The committee then levied the following assessments on the other candidates: Clerk of Court \$15, Sheriff \$10, Representative \$5, County Treasurer \$10, County Auditor \$10, Superintendent of Education \$5, County Supervisor \$10, Coroner \$2, Magistrate at Manning \$5, all other Magistrates \$2 each, Solicitor \$5.
 Magistrates were placed in the primary and the same clubs which voted for respective Magistrates two years ago will do so again.
 The committee fixed the time limit for filing pledges and paying assessments by candidates at noon on the first day of the campaign on Friday, August 10th, and arranged the following schedule of campaign meetings: At Smith's school house in Salem Friday, August 12th, 7 o'clock; at the Panola school house in Pinewood, Tuesday 23rd, Monday 22nd, Pinewood, Tuesday 23rd, Summerton, Wednesday 24th, Manning Thursday 25th, Foreston, Friday 26th, Alcolu, Saturday afternoon 27th, at 5 o'clock.

Weak Hearts
 are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, the stomach expands—swells, and pushes up against the diaphragm, shortens the breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, nervous stomach, contributes to nourishment, strength and health to every organ of the body. Sold by The R. B. Loryea Drug Store. Price 50 cents.

A Very Close Call.
 "I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. I was about to give up. I got a bottle of Electric Bile, and after taking it I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by the R. B. Loryea Drug Store. Price 50 cents.

 DR. I. M. WOODS.

UPON ENTERING THE RACE FOR THE Legislature it seems that the candidates should declare themselves upon the questions he intends to agitate affecting the interests of his county, so that the voters may know what he called upon to support; and although they may not agree entirely with him, they will at least admire his candor. To that end I invite criticism of my past record and declare that I elected I shall advocate the following:
 All measures prohibiting fraud in party primaries and conventions.
 The application of so much of the dispensary laws as are necessary to the running of all the white public schools full term and supplying the schools with free school books.
 Compelling railroad companies to fulfill the conditions of their charters, i. e. furnish their passenger schedules in plain and legible type so that the people living on main lines may not be discriminated against.
 Placing more absolutely under government control and providing severe penalties for the carrying of knives, dirks, pistols and liquor.
 And modifying the law so as to stop its demoralizing effect upon the poor.

A Word About Furniture.
 Some dealers think all that is necessary to sell Furniture is to get some warehouse and store it way up in the garret, and when a customer buys some to deliver it in a haphazard way by the porter or some one in the store that knows as much about the furniture as a butcher knows about chemistry. When you get home with that furniture you find everything fits like paper on a barbed wire fence.
 In our store none but competent men in this line are employed—men who handle furniture with their own hands from the rough board to a piango finish, men who have worked in the factories of this country and abroad and know furniture from A to Z.
 Our Furniture is kept clean, always in good condition, fitted up solid and matched up in finish. So by buying from us you are assured of getting everything in rose show shape.
 We have been through the factories for the last three weeks visiting the St. Louis, Chicago, Nashville and Atlanta furniture exchanges and bought Furniture by personally selecting the best that is made for the money, and knowing the furniture that has been sold in Manning for years we can with certainty assure our customers that never in the history of Manning had they the opportunity of buying furniture of the higher grades for as little money as we can do. We pride ourselves as to QUALITY, and defy competition as to quantity.
 Don't be misled, and when you need Furniture, Carpets, Mattings, Rugs, Window Shades and Drapery, Crockery or Sewing Machines, inquire for

Ice Cream Freezers.
 Ice cream freezers have not always been the marvelous machines that they are today. In former times the freezing of cream, sherbets, water ices, etc., was accomplished with no end of labor and expense, so much so that the serving of these delightful dishes was looked upon as quite an event in the family circle, and on many occasions parental authority had to be asserted to keep the younger members of the family within bounds.
 Today, with cheap ice and perfect freezers nothing is more common than the serving of frozen dishes which not only appeal to our sense of taste, but the cheapness by which they can be made render them desirable.
 Foremost among the Freezers of today is the "Aretic," which will in from seven to ten minutes freeze to uniform hardness, cream of even grain and perfect smoothness. They are made in sizes from one to ten quarts and are strong and durable in every way. Booklet accompanies each freezer which tells how to make all kinds of nice things at small cost.
PERFECTION OIL STOVES & OVENS.
 Oil Stoves were at one time given up as useless, owing to the disagreeable odor from burning oil, but since the BLUE FLAME OIL STOVE was brought out their use has been revived and are again becoming quite popular. They are absolutely safe and reliable, giving a quick heat and little cost and are the very thing for warm. The combustion of the oil is perfect and by turning off the valve all loose oil is consumed before the fire is extinguished. Ladies who are using them are delighted and speak of them in the highest praise. We have an excellent stock of these, with one and two burners.

SCREEN DOORS AND WINDOWS.
 Our Screen Doors and Windows give comfort wherever they are placed. We have all the desirable sizes.
 Our JEWEL STOVES are the most beautiful things of the kind ever shown here. Ornament your kitchen with one and see how much better care will be taken of it than of an ordinary stove.
 Very truly yours,
MANNING HARDWARE COMPANY.

A Word About Department Stores.
 There is not a particle of mystery about the low prices which rule in department stores. Many lines under one roof means a small record of expense; each new line cuts the ratio down still lower. As expense comes down prices can be cut down to a point where our line houses dare not descend.
 Low selling prices mean an ever-growing business. More business helps to lower prices, and low prices helps to more business.

FURNITURE DEPARTMENT.
 We have now one of the largest and best equipped Furniture Departments in Eastern South Carolina. A large and full stock of everything in the Furniture and Housefurnishing line.
 Our Furniture Department is conducted on the department store plan, hence we are prepared to add and will name prices lower than the ordinary furniture can afford to sell at.
 All Furniture sold on easy terms, part cash and balance on easy terms, payable weekly or monthly.

Trunks and Suit Cases.
 When you start on that summer trip don't forget that we have the largest stock of Trunks, Suit Cases and Traveling Bags to be found in this town and our prices are the lowest.

Summer Goods Must Move.

Push, Push, the word all along the line in our Dry Goods Department. The bargain knife is being freely applied to everything that pertains to summer stuff.
 It will surprise you to see what a dollar will do in our Dry Goods Department now. Suppose you come and see.

Hustle in the Millinery Department.
 While everybody is resting on their oars waiting for the dull summer season to pass, HUSTLE and PUSH, HUSTLE, is the word all along the line in our Millinery Department.
 We have just gotten in a large stock of Neck and Sash Ribbons for the mid-summer trade, and the low prices at which we are selling these Ribbons will simply surprise you. Our stock of Shapes and Ladies' Hats has also been mended up so that we can fill any order that may come to us.
 Ladies, if you need a nice Hat remember that you can get just what you need at our store, as we are always on the lookout for trade and are anxious to serve you.

Clothing & Gent's Furnishings.
 Not in a boastful way, but in a spirit of humbleness we lay claim to the honor of doing the largest Clothing business in the county. Our Clothing stock is up-to-date in every detail.
 A large and full stock of Gent's Pure Linen Collars and Cuffs always on hand.
 Come to see us, we are always glad to see you.
 Yours very respectfully,

W. E. JENKINSON CO.
