#### The Last Milestone of 1904.

The month of December is the last milestone of the year 1904 and it is our time to make it the best month of our year and the greatest month of our commercial history.

Two thousand yards of yard wide Bleach Homespun, no starch, value 10c per yard only 8c.

Mr. Joo. G. Slaughter is in Danville, Va., on business.

Mr. H. Harby, of Sumter, was in Manning yesterday.

Mr. R. D. Clark left last night for Danville, Va., on business.

A party of Clarendon gentlemen left yesterday for a two weeks hunt in Berkeley county.

Mr. J. C. Strauss of the Sumter Bar spent Monday in Manning on professional business.

When you want a pleasant laxative take Chamberlain's Stomach and Liver Tablets. The R. B. Loryea Drug Store.

Read McLeod's Last Call for 1904, and you will find that he proposes to sell a large stock of goods at tempting prices.

There will be preaching at Fellowship church next Sunday at 4 o'clock p. m. by Rev. M. A. Connors. Public cordially invited.

The railroad depot at this place was entered last night, and burglars succeeded in damaging the safe, and stealing 40 cents in pennies.

There will be a Christmas tree at the Grange Hall Wednesday evening at 7 o'clock, December 21. Refreshments will be served for the benefit of the school.

Land in this county are being posted right along, so as to prevent the poacher, hunting, especially by those who come here to hunt birds for shipment.

The roman candle nuisance has already begun on the little shavers, who nightly engage in the dangerous play of shooting each other with these fire balls.

An immense wild cat was cut in two last Monday night by the freight train at Black River. The "varmint" was being shown around the town yesterday by some little boys.

A full attendance of the membership is desired at the Methodist church next Sunday morning—the last before conference. At this service business of importance will be brought before the church.

Clerk of Court J. H. Timmons, accompanied by Dr. W. M. Brockinton, left yesterday for Johns Hopkins's Sanitarium in Baltimore, where Mr. Timmons expects to undergo a surgical operation.

Mr. R. E. McFaddin of Sardinia, one of our county commissioners, although slightly indisposed, was expected to attend the meeting of the board last Saturday.

Our stores are beginning to put on their holiday look already; fireworks, toys and all those things to make the young and old happy are here. The shop windows are real enticing, regardless of the price of cotton.

Died at his home at Providence, Capt. P. P. Galliard aged about 62 years. Captain Galliard was one of the leaders in Sumter county in her trying days. He was a brother of Mr. W. H. Galliard of DuRant this county.

During the Christmas holidays the young gallants are going to have a grand tournament at which there will be the best riders in this and adjoining counties. The affair is to be conducted on a grand scale and everything will be done to make it a memorable occasion.

Mr. Henry Appelt of Darlington who spent last week in Manning with his mother's family left last Sunday night. While here he met a number of his comrades, with whom he was in Cuba, which made his visit so pleasant that he will put Manning on his regular route and come here often.

There is in contemplation the building of an electric railroad from Wright's Bluff to St. Paul, through Summerton to Manning. The projectors of the scheme believe such a road will add greatly to the development of the section through which it will go, and afford freight competition with the Coast Line.

Walter Burgess of Sandy Grove, the young man we mentioned in our last issue as having accidentally shot himself in the leg while hunting on Thanksgiving day, died last Wednesday. He was a son of the late Samuel Burgess, and the sole dependence of his mother and sisters, about 18 years of age and of exemplary character.

The Ariel Ladie's Quartet Company, gave a performance here last evening which was a rare treat. Miss McKenzie's recitals were indeed charming, and Miss Leavitt's violin execution was an exhibition of a high order of musical talent. These ladies are indeed entering into the refined and cultured, and we hope they will again appear in Manning.

The property in Manning is being sold for such high prices that it will be long before those wishing to live here will be forced to seek the suburbs. We are not altogether sure if it is to the future welfare of the town to hold property at the present prices, because the ground is too high to encourage the building of houses to rent, and unless there are houses built for rent, the town will progress slowly.

My wife was all run down, and I feared a long illness; but one bottle of King's Sarsaparilla made a new woman of her. It is a wonderful medicine.

F. J. REDMAN.

Seversville, N. C. Brown & Co.

On last Saturday, Mr. Sanders gave an exhibition on the Presbyterian church lot of his building material to take the place of brick. He made a mixture of sand and cement, placed it in molds and turned out blocks, which when hardened resembled stone. This same material is being used for the Baker Infirmary in Sumter, and it is also being used for the Capers & Co. drug store at Summerton. The purpose of this exhibition was to give the committee having in charge the building of the new Presbyterian church an opportunity to see the material, and from what we can learn they are well pleased with it.

#### That Throbbing Headache.

Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and build up your health. Only 25 cents, money back if not cured. Sold by The R. B. Loryea Drug Store.

The committee having their tournament in charge is composed of Messrs. C. M. Mason, D. M. Bradham and W. J. Muldrow. The day fixed for this event is December 20th. The entrance fee is \$2. The prizes will be a bridle, saddle and spurs to the winner of first prize. The application committee is W. C. Davis, A. Levi and Charlton DuRant. All Knights desiring to participate must make application to the committee, and those accepted will be required to appear in a shirtwaist, sash and cocked hat with ornament. The committees are anxious to make this a big success, and they urge the co-operation of the public, especially in attendance.

#### Mothers Be Careful

of the health of your children. Look out for coughs, colds, croup and whooping cough. Stop them in time—One Minute Cough Cure is the best remedy. Harmless and pleasant. Sold by The R. B. Loryea Drug Store.

The tremendous slump in cotton has had a very demoralizing effect upon the farmers, and business generally. The government report shows a crop of 12,225,000 bales, about 800,000 bales already marketed. It is estimated that the world's consumption is about 12,000,000 bales, and now that the crop of this year exceeds the world's supply it is very doubtful if we shall realize our hopes of stronger prices. There are many persons who have held large quantities of cotton, and these losses incurred by the falling of prices. The cotton goods market has already weakened, and this is an indication that higher prices for the staple need not be looked for.

#### A Certain Cure for Croup.

When a child shows symptoms of croup there is no time to experiment with new remedies, no matter how highly they may be recommended. There is one preparation that can always be depended upon. It has been known for many years and has never been known to fail. Chamberlain's Cough Remedy. Mr. M. F. Compton of Market Texas, says of it, "I have used Chamberlain's Cough Remedy in several cases of croup with my children, and can truthfully say it always gives prompt relief." The R. B. Loryea Drug Store.

#### To Care a Cough.

The coughs so prevalent these days usually develop before you realize what has happened. Now the best thing to do is to take the most reliable cough cure you can get. None better than Murray's Horehound Mullein and Tar. It is made of the purest ingredients and can be given to infants as well as grown people. Above all else IT CURES. You will find it at all druggists. 25c a bottle—extra large bottle.

#### Consumption is a human weed flourishing best in weak lungs.

Like other weeds it is easily destroyed while young; when old, sometimes impossible. Strengthen the lungs as you would weak land and the weeds will disappear. The best lung fertilizer is Scott's Emulsion. Salt pork is good too, but it is very hard to digest. The time to treat consumption is when you begin trying to hide it from yourself. Others see it, you won't. Don't wait until you can't deceive yourself any longer. Begin with the first thought to take Scott's Emulsion. If it isn't really consumption so much the better; you will soon forget it and be better for the treatment. If it is consumption you can't expect to be cured at once, but if you will begin in time and will be rigidly regular in your treatment you will win.

#### Scott's Emulsion, fresh air, rest all you can, eat all you can, that's the treatment and that's the best treatment.

We will send you a little of the Emulsion free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

SCOTT & BOWNE, Chemists, 409 Pearl St., N. Y.

Sold by Dr. W. E. Brown & Co.

There is nothing like intelligent activity in business, and no one appreciates this fact more than an up-to-date merchant. Read Jenkinson's advertisement, and in it you will see that he is a strong believer in keeping in touch with the trading public. Jenkinson wisely believes that to do business actively one cannot lay down and wait until the spirit moves them, but they must in this progressive day be up and doing. He therefore, is out this week with special inducements to move his mammoth stock, and we want all of our readers to take up his advertisement and give it careful study.

A brilliant man once said: Dr. King's Sarsaparilla is the most wonderful medicine I ever saw. I was run down, nervous, weak, could not sleep—was a sick man. I took a thorough course—six bottles—and am well now.

And it only makes men as good as new, but women as well. Sold by Dr. W. E. Brown & Co.

The meeting of farmers yesterday was attended by a small body of representative farmers. Rev. R. A. Sublett addressed the body and made clear his plan for the proposed organization. The purpose being to have an organization throughout the entire cotton belt and on tomorrow evening a State organization would be effected at Columbia, to which he wanted this county to send representatives. The plan is to organize every township into clubs, to be subordinate to the State organization, whereby the cotton can be controlled and marketed. Wherever 10-100 bales can be concentrated, a warehouse is to be built, owned and controlled by the cotton growers; to raise the money for the building of these warehouses, each member to be assessed \$1. for every bale of cotton he makes, and the whole management of marketing is to be governed by a board of directors, chosen at a State convention made up of representatives from the local clubs. The county organization to report quantity and grade of cotton stored, to the State agent, who will come in direct touch with the mills and exporters. After the matter was discussed by Messrs. Sublett, Hodges, and others, an organization was effected by making Mr. E. D. Hodge temporary chairman, and electing as delegates to Columbia, Messrs. R. A. Sublett, O. C. Scarborough, J. J. Epps, and S. H. Bradham. When the delegating of the delegation will call another meeting for a permanent organization.

#### No More Suffering

If you are troubled with indigestion get a bottle of Kodol Dyspepsia Cure and see how quickly it will cure you. Geo. A. Thomson, of Spencer, Ia., says: "I have had Dyspepsia for twenty years. My case was almost hopeless. Kodol Dyspepsia Cure was recommended and I used a few bottles of it and it is the only thing that has relieved me. Would not be without it. Have doctored with local physicians and also at Chicago, and even went to Norway with hopes of getting some relief, Kodol Dyspepsia Cure is the only remedy that has done me any good, and I heartily recommend it. Every person suffering with indigestion or dyspepsia should use it." Sold by The R. B. Loryea Drug Store.

#### December Land Sales.

Last Saturday the plantation of Mr. H. S. Briggs, Ed Mackey, a negro, killed Dave Connors, and seriously wounded Lynton Butler, both the dead man and the wounded man are negroes. Mackey first drew his gun on Arthur, one of Mr. H. S. Briggs' sons, and asked him for tobacco. Young Briggs told him to put down his gun, whereupon Mackey asked him for money, and Connors remonstrated with him, and he turned around and fired a load into Connors. Butler started to run, and was shot in the arm. Mackey went off and told some people he intended to kill his wife and baby, but he could not find them. He then escaped into the woods. The shooting was altogether unprovoked, and some think Mackey crazy.

#### The Key that Unlocks the Door to Long Living.

The men of eighty-five and ninety years of age are not the rotund well fed, but thin, spare men who live on a slender diet. Be as careful as he will, however, a man past middle age, will occasionally eat too much or of some article of food, or he will be suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. The R. B. Loryea Drug Store.

#### PLEASE YOUR FAMILY and preserve your house by painting with L. & M. Paint.

Wears and covers like gold. Has lead and zinc. Non-chalkable. Money saver. Fullness measure. Takes least. Bought from The R. B. Loryea Drug Store.

#### Generosity.

Robert—Do you believe that big ears are a sign of generosity?

Richard—Sure; the generosity of nature.—Puck.

#### Nature is still the grand agent in making poets.—Carlyle.

Acid Iron Mineral quickly relieves and permanently cures Indigestion and all stomach troubles. Has no equal for diseases peculiar to women. Price only 50c. Try it. Sold by druggists.

#### Diamond Ink.

So called diamond ink for writing on glass is a compound of fluoric acid and barium. The latter has no effect, it being simply a white powder to give body to the acid. The ink can be used with a rubber hand stamp, and it should be allowed to remain fifteen minutes, when the barium will brush off, leaving the design on the glass.

#### Driven to Desperation.

Living at an out of the place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, cuts, wounds, ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. Get the best on earth. 25c. at The R. B. Loryea Drug Store.

#### A Fine Family.

"I have used Dr. King's Blood and Liver Pills in my family and with my tenants. Am sixty-nine, and have raised nine sons twenty-one years old, and four daughters. Have used all the leading liver medicines, but find King's to be the best of all."

"REUBEN F. CHRISTENBURY." Experience tells. Get these pills at Dr. W. E. Brown & Co.'s.
