Died yesterday at Lynchburg, Mr. J. F. Hawkins, brother of Messrs. J. H. and W. P. Hawkins, of this town. Died last Monday morning at the home of her son Mr. Billy Dyson, Mrs. Sarah Andrews aged 67 years. The Summerton ball team left last night for Georgetown, where they play that team a series of three games. Mrs. H. M. Milms and children left this morning for Columbia to visit her sister, and from there she expects to go to the Springs. Ed Hatfield an industrious colored farmer living near Manning brought to this office two fully developed open bolls of cotton. Misses Mildred Dye and Essie Drawley of Jessup, Ga., visited Dr. J. A. Cole this week, and they are now visiting friends in Salem.

Died on the morning of the 28th inst., Mrs. Rosa Frieson wife of Mr. John W. Frieson aged 38 years. The deceased had been in ill health for a long time. Mr. A. R. Holladay of New York spent several days in Manning with his brother Rev. J. M. Holladay. He left yesterday to visit his parents in Virginia. The family of Rev. A. N. Dear Gus:—I have solved the mother-in-law problem; just give her regularly Hollister's Rocky Mountain Tea. It will make her healthy, happy, and docile as a lamb. 25c. Tea or Tablets at Dr. W. E. Brown & Co's. Rev. J. M. Holladay and family left yesterday for Sullivan's Island. Mr. Holladay will take charge of Dr. Alex Sprunt's church while that gentleman is taking his vacation. Messrs. J. D. Gerald, Charlton DuRant, S. L. Krasoff, J. L. McLeod, J. D. Alsbrook and Rev. A. N. Brunson, left this morning for Columbia to take the Royal Arch degrees in masonry.

When Hon. John L. McLaughlin was here last Thursday he met a great many people whose expressions of regard for him were very kind and he appreciated them highly. Mr. McLaughlin has many warm friends in this county, and none appreciate more than he. At the picnic last Thursday, a small size rancus occurred between J. N. Riggs, Mr. Pevey and some Touchberys. All of the parties are connected by marriage and it was a kind of a family feud. The fuss was away off from the picnic and it did not disturb the pleasures. No one was hurt. The store of the Mutual Dry Goods Co. was burglarized Sunday night, and some boys clothing and shoes were stolen. The entrance was made through the back window. The burglar must have been a bold chap, because there was a policeman guarding the streets, and a private watchman employed to guard property adjoining the Mutual.

Died last Saturday morning at his home near Wilson, Mr. Edgar N. Powden, Jr., aged 47 years. The funeral took place at Wilson Sunday which was largely attended. The deceased was a highly esteemed citizen. He leaves a wife and ten children, the youngest a babe about two weeks old. The funeral was conducted by Rev. R. L. Grier.

There is an effort being made to organize a military company here, and a letter from Adjutant General Frost to Major A. C. Davis, says he is "heartily in favor of getting up a good company in Manning." We endorse the proposition, so since the cavalry companies have been disbanded. A military company in the county is a protection that cannot be estimated. We hope the young men will take hold and give to Manning a first-class company.

Never in the way, no trouble to carry, easy to take, pleasant and effective in results are DeWitt's Little Early Relief most famous little pills. A certain guarantee against headaches, biliousness, torpid liver and all of the ills resulting from constipation. They tone and strengthen the liver. Cure Jaundice. Sold by The R. B. Loryea Drug Store.

The Cotton Warehouse Proposition must not lag. Manning must have these institutions this fall. The merchants of this town cannot afford to wait until their trade has left them before they take action. It needs no argument to convince any sane man that if Manning has no warehouse and other nearby towns have, the trade will go to them. The plan to raise subscriptions turned out as we said it would—Nothing done. There is only one way to get a warehouse in Manning, and that is for the merchants of this town to buy a lot, and build. If any of the farmers want to take stock let them, but do not wait as time is going on, and with it, will go the trade to the points of offering the best facilities for the farmer.

When the cotton association met and appointed a committee to open books of subscription and accept pledges of them, the committee plan to raise subscriptions turned out as we said it would—Nothing done. There is only one way to get a warehouse in Manning, and that is for the merchants of this town to buy a lot, and build. If any of the farmers want to take stock let them, but do not wait as time is going on, and with it, will go the trade to the points of offering the best facilities for the farmer.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

At a meeting of the session of the Manning Presbyterian church the following memorial was adopted: Whereas, it has pleased our Heavenly Father to remove from our midst and take unto himself our brother, F. N. Wilson, it is hereby Resolved, First—That a page in our book of records be given to his memory. Second—That in the death of Mr. Wilson it may be truly said: "There is a prince and a great man fallen." In all the walks of life his influence was felt, and always for good. In the home, in social circles, in the business world, his influence was manifest as well as in the church. His piety was of that bright, joyous type which attracts rather than repels.

The community owes much to him. For many years he went in and out of town wearing the "white flower of a blameless life," and the ornament of a true Christian character. As a friend and counselor, he was kind and wise, ever seeking for things which make for peace, and being indeed, a helper of many. The church of which he was a member and an officer owes him much. As a member he discharged his duties punctually and faithfully. As a member of the session he was a wise counselor, faithful to his duties, respected by his associates, and a strong staff of support to his pastor. We miss the strong, gracious influence of his presence amongst us, but the memory of the life of this servant of God will be an inspiration to many.

To the loved ones who are left to bear the burden and heat of the day a little longer, there is the comforting assurance that the Savior has welcomed him to the "Many Mansions" of the Father with the words: "Welcome good and faithful servant, enter thou into the joys of thy Lord."

Summerton News. Editor The Manning Times: This town is continuing to thrive, and four large brick stores will soon be completed. I am glad to report that Hon. C. M. Scarborough, is Misses Ruth Allen, of Dillon; Gertrude Bradham, of Manning; Bessie Blackwell, of Darlington; Allene Callahan, of Batesburg; Ruth Ehrhede, of Saluda; Lottie Ridgill, of Batesburg; Eloise Maxwell, of Batesburg.

We have been requested to direct the attention of the proper officers to the

Prof. I. E. Brogdon, principal of the colored school here, was the instructor and his work was quite creditable. The following resolutions were passed: Whereas, we have reached the closing hour of the Teachers' Institute for Clarendon county, after a session of two weeks, under the satisfactory supervision of Prof. R. E. Brogdon, who has given to the work of the profession of teaching an impetus for good, and inspired the teachers with a deep sense of the grave responsibilities which should arouse us to a spirit of willingness for better and stronger preparation. Therefore, be it Resolved, That we, as a body of teachers, return to him our unbounded thanks for the creditable way in which he has executed his work, and that each one of us will carry the most pleasant and abiding recollections of the Institute.

Kennedy's Laxative Honey and Tar Cures all Coughs, and expels Colds from the system by gently moving the bowels. How to Avoid Pneumonia. We have never heard of a single instance of a cold resulting in pneumonia or other lung trouble when Foley's Honey and Tar has been taken. It not only stops the cough, but heales and strengthens the lungs. Ask for Foley's Honey and Tar and refuse any substitute offered. Dr. C. J. Bishop of Agnew, Mich., writes: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." The R. B. Loryea Drug Store, Isaac M. Loryea, Prop.

It Made Him Shake. I wish to say a word in praise of Dr. King's Improved Chill and Fever Tonic. I had chills for one year continually, and tried all the chill tonics I could get and also doctor's prescriptions, but all failed to cure. Part of one bottle entirely cured me, and have not had chills since. I recommend only King's J. E. Howard. Sold by Dr. W. E. Brown & Co.

Our Birthday Week. August 1, 1905, marks our second birthday as dry goods merchants, and we take this opportunity of expressing our grateful hearts to the good, substantial customers who have favored us with their business, and again solicit a continuance of the same for this incoming season. We not only want our old customers to continue to stand by and lend us their support, but we want to add new ones every day. We are now very much engaged in the cleaning up of all summer goods and our thoughts are already turning autumnward; that is, we are buying goods before the prices advance and wish to tell you that we always get in on the "ground floor," ready to knock out competition. Now for this Birthday Week we will offer All Summer Goods Absolutely at Cost! And when we say COST we mean COST. We don't propose to sell you a few staples at half price and mark up something else above the market to make up for that.
